PETITION TITLE

This initiated measure would create a new chapter of the North Dakota Century Code. It would allow for the production, processing, and sale of cannabis and the possession and use of various forms of cannabis by individuals who are 21 years of age and older, within limitations as to location; direct a state entity to regulate and register adult-use cannabis production businesses, dispensaries, and their agents; permit an individual to possess a limited amount of cannabis product; provide protections, limitations, penalties, and employer rights relating to use of cannabis products; and provide that fees are to be appropriated for administration of the chapter.

An adult-use cannabis business shall provide the department a written notice of any change described under this section at least sixty calendar days before the proposed effective date of the change.

2. A registration certificate authorizing the operation of an adult-use cannabis business is void upon a change in ownership, substantial corporate change, change in location, or discontinued operation, without prior approval of the department. The department may adopt rules allowing for certain types of changes in ownership without the need for prior written approval from the department.

3. The department shall authorize the use of additional structures located within five hundred feet [152.40 meters] of the location described in the original application, unless the department makes an affirmative finding the use of additional structures would jeopardize public health or safety or would result in the cannabis business being within one thousand feet [304.80 meters] of a property line of a pre-existing public or private school.
