Election Related Excerpts

1-02-15. Computation of time.

The time in which any act provided by law is to be done is computed by excluding the first day and including the last, unless the last is a holiday, and then it also is excluded. If a number of months is to be computed by counting the months from a particular day, the period ends on the same numerical day in the concluding month as the day of the month from which the computation is begun, unless there are not that many days in the concluding month, in which case the period ends on the last day of that month.

During any primary, general, or special election held in this state, or in any district, county, city, or precinct, civil process may not be served on any person entitled to vote at the election within one hundred feet [30.48 meters] from the outermost entrance leading into the building or facility in which a polling place is located and open for voting.

TITLE 11 COUNTIES

CHAPTER 11-09.1 – Home Rule Counties

11-09.1-01. Methods of proposing home rule charter.

The board of county commissioners may on its own motion cause a home rule charter to be drafted and submitted for adoption to the electors of the county in the manner provided in this chapter. A home rule proposal may be initiated in a petition filed with the board of county commissioners and signed by qualified electors of the county not fewer in number than two percent of the population of the county.

11-09.1-02. Charter commission — Membership — Preparation and submission of charter — Compensation and expenses — Publication.

Within sixty days after proceedings have been initiated for a home rule charter, the board of county commissioners shall appoint a charter commission, comprised of at least five members, to draft the charter, unless a petition proposing a charter pursuant to section 11-09.1-01 prescribes the composition of the commission or the manner by which the composition of the commission is to be determined. The board shall designate one of the charter commission members as chairman of the charter commission. The board shall set the compensation and expenses of charter commission members. Actual expenses incurred by charter commission members may be reimbursed at the official reimbursement rates of the appointing authority. The board, from its general funds, may furnish the charter commission with office space, clerical help, supplies, and legal and other assistance. The charter commission shall hold at least one public hearing on the proposed charter and may use other suitable means to disseminate information, receive suggestions and comments, and encourage public discussion of the proposed charter. The commission shall prepare and submit the charter to the board of county commissioners within one year after appointment, unless the board allows additional time for submission of the charter. The charter must contain a list of county offices to be elected and any elected offices that will be eliminated or combined if the charter is adopted. The board of county commissioners shall publish the proposed charter once in the official newspaper of the county.

11-09.1-03. Submission of charter to electors.

At least sixty days, but no more than two years, after submission of the charter to the board of county commissioners, the proposed charter must be submitted to a vote of the qualified electors of the county at a primary or general election. If the proposed charter has been submitted to a vote of the qualified electors of the county, the board of county commissioners may call a special election to resubmit the proposed charter to a vote of the qualified electors of the county, and the special election must take place at least sixty days after the call for the special election. The board may amend the proposed charter prior to its resubmission to the electors.

11-09.1-04. Ratification by majority vote — Supersession of existing charter and conflicting state laws — Filing of copies of new charter.

If a majority of the qualified electors voting on the charter at the election vote in favor of the home rule charter, it is ratified and becomes the organic law of the county on the first day of January or July next following the election, and extends to all its county matters. The charter and the ordinances made pursuant to the charter in county matters must be liberally construed to supersede within the territorial limits and jurisdiction of the county any conflicting state law except for any state law as it applies to cities or any power of a city to govern its own affairs, without the consent of the governing body of the city. The charter may not authorize the enactment of ordinances to diminish the authority of a board of supervisors of a township or to change the

structure of township government in any organized civil township, without the consent of the board of supervisors of the township. No ordinance of a home rule county shall supersede section 49-22-16. One copy of the charter as ratified and approved must be filed with the secretary of state; one with the recorder for the county, unless the board of county commissioners designates a different official; and one with the auditor of the county to remain as a part of its permanent records. Courts shall take judicial notice of the charter.

11-09.1-04.1. Multicounty home rule.

1. Two or more counties may draft and submit for adoption a multicounty home rule charter to the electors of each county pursuant to this section. The other provisions of this chapter apply to a multicounty home rule charter, except as otherwise provided by this section.
2. The process for drafting and submitting a multicounty home rule charter may be initiated by:
 - a. Separate motions by the boards of county commissioners of the participating counties;
 - b. The execution of a joint powers agreement between participating counties; or
 - c. A petition filed with each board of county commissioners of two or more counties and signed by ten percent or more of the total number of qualified electors of each county voting for governor at the most recent gubernatorial election.
3. Within sixty days after proceedings are initiated for a multicounty home rule charter, the boards of county commissioners shall enter into a joint powers agreement specifying the procedure for framing the charter, which may include the establishment of a single cooperative charter commission with membership representing each county. As an alternative, the boards of county commissioners in each affected county may establish a separate charter commission pursuant to section 11-09.1-02 to frame the charter in cooperative study with the charter commission of any other affected county. The charter commissions must submit a single joint report and proposed charter.
4. A charter commission, during its deliberation, may hold public hearings and community forums and use other suitable means to disseminate information, receive suggestions and comments, and encourage public discussion on the subject of the proposed multicounty home rule charter, and may report periodically to the affected governing bodies on their progress. In preparing the charter, the charter commission may:
 - a. Include any, or all, of the available powers enumerated in section 11-09.1-05, subject to the limitations of that section;
 - b. Provide for adjustment of existing bonded indebtedness and other obligations in a manner that will provide for a fair and equitable burden of taxation for debt service;
 - c. Provide for the transfer or other disposition of property and other rights, claims, assets, and franchises of the counties;
 - d. Provide for the reorganization, abolition, or adjustment of boundaries of any existing boards, commissions, agencies, and special districts of the county government;
 - e. Include provisions for transition in implementing the charter, including elements that consider the reasonable expectations of current officeholders such as delayed effective dates for implementation at the end of a current term or a future term, upon the occurrence of a vacancy, or on a date certain;
 - f. Include provision for the limited application or temporary implementation of the charter, including provisions that permit implementation on an experimental or pilot basis such as the expiration of the charter on a date certain in the future, required reapproval of the charter by the electors at a future date, or a phased-in implementation of various components of the charter; and
 - g. Include other provisions that the charter commission elects to include and which are consistent with state law.

5. The proposed charter or accurate summary of the charter must be published in the official newspaper of each affected county, at least once during two different weeks within the thirty-day period immediately preceding the date of election.
6. If a majority of the qualified electors voting in each county on the charter votes in favor of the multicounty home rule charter, it is ratified and becomes the organic law of the multicounty area on the first day of January following the election or other effective date specified in the charter.
7. The amendment or repeal of a multicounty home rule charter may proceed pursuant to the amendment and repeal provisions of section 11-09.1-06 on a multicounty basis. A majority vote of the qualified electors voting in each county in the election is required to adopt any amendment of a multicounty charter. A majority vote of the qualified electors of only one or more participating counties is required to repeal a multicounty charter.

11-09.1-05. Powers.

After the filing with the secretary of state of a charter approved in reasonable conformity with this chapter, the county and its citizens may, if included in the charter and implemented through ordinances:

1. Acquire, hold, operate, and dispose of property within or without the county limits, and, subject to chapter 32-15, exercise the right of eminent domain for those purposes.
2. Control its finances and fiscal affairs; appropriate money for its purposes, and make payments of its debts and expenses; subject to the limitations of this section levy and collect property taxes, sales and use taxes, farm machinery gross receipts taxes, alcoholic beverage gross receipts taxes, motor vehicle fuels and special fuels taxes, motor vehicle registration fees, and special assessments for benefits conferred, for its public and proprietary functions, activities, operations, undertakings, and improvements; contract debts, borrow money, issue bonds, warrants, and other evidences of indebtedness; establish charges for any county or other services to the extent authorized by state law; and establish debt and mill levy limitations. Notwithstanding any authority granted under this chapter, all property must be assessed in a uniform manner as prescribed by the state board of equalization and the state supervisor of assessments and all taxable property must be taxed by the county at the same rate unless otherwise provided by law. A charter or ordinance or act of a governing body of a home rule county may not supersede any state law that determines what property or acts are subject to, or exempt from, ad valorem taxes. A charter or ordinance or act of the governing body of a home rule county may not supersede section 11-11-55.1 relating to the sixty percent petition requirement for improvements and of section 40-22-18 relating to the barring proceeding for improvement projects. After December 31, 2005, sales and use taxes, farm machinery gross receipts taxes, and alcoholic beverage gross receipts taxes levied under this chapter:
 - a. Must conform in all respects with regard to the taxable or exempt status of items under chapters 57-39.2, 57-39.5, 57-39.6, and 57-40.2 and may not be imposed at multiple rates with the exception of sales of fuel used to power motor vehicles, aircraft, locomotives, or watercraft, or to electricity, piped natural or artificial gas, or other fuels delivered by the seller or the retail sale or transfer of motor vehicles, aircraft, watercraft, modular homes, manufactured homes, or mobile homes.
 - b. May not be newly imposed or changed except to be effective on the first day of a calendar quarterly period after a minimum of ninety days' notice to the tax commissioner or, for purchases from printed catalogs, on the first day of a calendar quarter after a minimum of one hundred twenty days' notice to the seller.
 - c. May not be limited to apply to less than the full value of the transaction or item as determined for state sales and use tax, except for farm machinery gross receipts tax purposes.

- d. Must be subject to collection by the tax commissioner under an agreement under section 57-01-02.1 and must be administered by the tax commissioner in accordance with the relevant provisions of chapter 57-39.2, including reporting and paying requirements, correction of errors, payment of refunds, and application of penalty and interest.

After December 31, 2005, any portion of a charter or any portion of an ordinance or act of a governing body of a home rule county passed pursuant to a charter which does not conform to the requirements of this subsection is invalid to the extent that it does not conform. The invalidity of a portion of a charter or ordinance or act of a governing body of a home rule county because it does not conform to this subsection does not affect the validity of any other portion of the charter or ordinance or act of a governing body of a home rule county or the eligibility for a refund under section 57-01-02.1. Any taxes imposed under this chapter on farm machinery, farm irrigation equipment, and farm machinery repair parts used exclusively for agricultural purposes, or on alcoholic beverages, which were in effect on December 31, 2005, become gross receipts taxes after December 31, 2005.

3. Provide for county elected and appointed officers and employees, their selection, powers, duties, qualifications, and compensation, and the terms of county appointed officers and employees. However, after adoption of a home rule charter, a county elected office may not be eliminated or combined with another office except upon approval of a majority of the electors of the county voting upon the question at a primary or general election or pursuant to the county officer combination, separation, or redesignation procedures of chapter 11-10.2. A home rule charter may not diminish the term of office for which a current county officer was elected, redesignate that elected office during that term as appointed, or reduce the salary of the office for that term. This subsection does not authorize a county to redesignate the elected offices of sheriff and state's attorney as appointed, except as provided in section 11-10-02.3.
4. Provide for all matters pertaining to county elections, except as to qualifications of electors.
5. Provide for the adoption, amendment, repeal, initiative, referral, enforcement, and civil and criminal penalties for violation of ordinances, resolutions, and regulations to carry out its governmental and proprietary powers and to provide for public health, safety, morals, and welfare. However, this subsection does not confer any authority to regulate any industry or activity which is regulated by state law or by rules adopted by a state agency.
6. Lay out or vacate public grounds, and provide through its governing body for the construction, use, operation, designation, and regulation of a county road system.
7. Provide for zoning, planning, and subdivision of public or private property within the county limits but outside the zoning authority of any city or organized township.
8. Exercise in the conduct of its affairs all powers usually exercised by a corporation.
9. Contract with and receive grants from any other governmental entity or agency, with respect to any local, state, or federal program, project, or works.

The people of all counties coming within this chapter have the full right of self-government in all matters within the powers enumerated in this chapter. The statutes of this state, so far as applicable, continue to apply to counties, except as superseded by the charters of the counties or by ordinances passed pursuant to the charters.

11-09.1-05.1. Sales tax revenue transfer to school districts prohibited.

Notwithstanding the provisions of chapters 54-40 and 54-40.3 or any other provision of law, revenue from sales, use, or other excise taxes levied under this chapter may not be transferred to or for the primary benefit of a school district except for payment of bonded indebtedness incurred

before April 19, 2007, or for capital construction and associated costs approved by the electors of the county before April 19, 2007.

11-09.1-06. Amendment or repeal.

The home rule charter adopted by any county may be amended or repealed by a proposal by the governing body of the county or by petition of the number of electors provided in section 11-09.1-01, submitted to and ratified by the qualified electors of the county. A petition to amend or repeal a home rule charter must be submitted to the governing body of the county. Within thirty days of receipt of a valid petition or approval of a proposal to amend or repeal a home rule charter, the governing body of the county shall publish any proposed amendment or repeal of a home rule charter once in the official newspaper of the county. At least sixty days after publication, the proposed amendment or repeal must be submitted to a vote of the qualified electors of the county at the next primary or general election. The electors may accept or reject any amendment or a repeal by a majority vote of qualified electors voting on the question at the election.

11-09.1-07. Commission — Terms of office — Vacancies.

The board of county commissioners shall determine the term of office of the members of the charter commission at the time the members are appointed. The board of county commissioners shall fill any vacancy on the charter commission.

11-09.1-08. Restriction on proposals to amend or repeal.

Repealed by S.L. 1993, ch. 401, § 53.

11-09.1-09. Manner of calling and holding elections.

The elections provided for in this chapter are subject to the laws applicable to other elections of the county. All qualified electors of the county are eligible to vote at the election. The charter commission, for proposals to adopt a home rule charter, or the governing body of the county, for proposals to amend or repeal a home rule charter, shall prescribe the form of ballot so that the voter may signify whether the voter is for or against the proposed home rule charter or the amendment or repeal.

11-09.1-10. Effect of amendment or repeal on salary or term of office.

On the first day of January following repeal of a home rule charter, the county reverts to the form of government of the county immediately preceding adoption of the home rule charter. If positions to which officials were elected under the home rule charter are substantially the same as positions under the form of government to which the county reverts upon repeal, the elected officials shall continue to exercise the authority of their positions for the salary prescribed by the home rule charter until expiration of their terms of office as prescribed by the home rule charter. No amendment of a home rule charter may shorten the term for which any official was elected or reduce the salary of the official's office for that term.

11-09.1-11. General powers preserved.

All powers granted counties by general law are powers of home rule counties.

11-09.1-12. Vested property — Rights of action — Actions saved.

The adoption of any charter or amendment does not destroy any property, action, right of action, claim, or demand of any nature vested in the county. All rights of action, claims, or demands are preserved to the county and to any persons asserting any claims against the county as completely as though the charter or amendment had not been adopted. The adoption of any

charter or amendment affects neither the right of the county to collect special assessments previously levied under any law or charter for the purpose of public improvements, nor impairs the obligation of any existing contract to which the county is a party.

11-09.1-13. Enforcement of criminal penalties.

A county that has adopted a home rule charter may impose a penalty for a violation of an ordinance through a citation, a criminal complaint, or an information through the district court in the county where the offense occurred. The penalty for a violation of an ordinance may be an infraction or a class B misdemeanor.

11-09.1-14. Payment of expenses for indigent defense services.

The home rule county must pay for an attorney and those expenses necessary for the adequate defense of an indigent person prosecuted for violation of a home rule county ordinance.

16.1-01-02.1. State policy encouraging employers to establish policy granting employees time to vote.

It is the policy of this state to encourage voting by all eligible voters at all statewide special, primary, or general elections. To this end, employers are encouraged to establish a program to grant an employee who is a qualified voter to be absent from the employee's employment for the purpose of voting when an employee's regular work schedule conflicts with voting during time when polls are open.

16.1-01-02.2. Special election — Special procedures.

Notwithstanding any other provision of law, the governor may call a special election to be held in ninety days after the call if a special session of the legislative assembly has been held, any of the ninety-day period for the submission of a referendum petition to the secretary of state with respect to any measure enacted during the special session occurs during a regular legislative session, and a referendum petition has been submitted to refer a measure or part of a measure enacted during the special session. Notwithstanding any other provision of law, the governor may call a special election to be held in ninety days after the call if a referendum petition has been submitted to refer a measure or part of a measure that establishes a legislative redistricting plan.

The polls at all primary, general, and special elections must be opened at nine a.m. or at such earlier hour, but not earlier than seven a.m., that may be designated for any precinct by resolution of the governing body of the city or county in which such precinct is located except that in precincts in which seventy-five or fewer votes were cast in the last general election, the governing body may direct that the polls be opened at twelve noon. They must remain open continuously until seven p.m. or such later hour, not later than nine p.m., as may be designated for a precinct by resolution of the governing body of the city or county in which the precinct is located. All electors standing in line to vote at the time the polls are set to close must be allowed to vote, but electors arriving after closing time may not be allowed to vote. The election officers present are responsible for determining who arrived in time to vote, and they shall establish appropriate procedures for making that determination. All determinations required to be made pursuant to this section relating to polling hours must be made, and the county auditor notified of them, no later than thirty days prior to an election.

16.1-01-04. Qualifications of electors.

1. Every citizen of the United States who is eighteen years or older; a resident of this state; and has resided in the precinct at least thirty days next preceding any election, except as otherwise provided in regard to residency in chapter 16.1-14, is a qualified elector.

6. For the purposes of this title, a member of the armed forces of the United States may not be deemed to have gained or lost a residence in this state solely by reason of the member being stationed on duty in this state.
7. For the purposes of this title, an individual may not be deemed to have lost residence in the individual's precinct or in the state by reason of the individual engaging in temporary government service or private employment outside the individual's precinct or outside the state.
8. For purposes of this title, a qualified elector may not authorize an attorney in fact, guardian, or other individual to apply for any ballot or to vote in any election on behalf of or in the place of the qualified elector.

16.1-01-05. Voting by qualified elector moving from one precinct to another.

If a qualified elector moves from one precinct to another precinct within this state, the elector is entitled to vote in the precinct from which the elector moved until the elector has established a new residence pursuant to section 16.1-01-04.

16.1-01-05.1. Voter lists — Addition or transfer of names.

Through the use of the central voter file provided for in chapter 16.1-02, the secretary of state shall establish a procedure by which a county auditor may transfer a person's name from the voter list of one precinct to the voter list of another precinct in the state if that person establishes a new residence, and by which a person who establishes residence in the state may have that person's name placed on the voter list in the appropriate precinct. The procedure provided for in this section may not be used to require the registration of electors.

16.1-01-06. Highest number of votes elects.

Unless otherwise expressly provided by the laws of this state, in all elections for the choice of any officer, the person receiving the highest number of votes for any office must be deemed to have been elected to that office.

16.1-01-07. Constitutional amendments and other questions to be advertised — Notification by secretary of state — Manner of publishing.

Whenever a proposed constitutional amendment or other question is to be submitted to the people of the state for popular vote, the secretary of state shall, not less than fifty-five days before the election, certify the amendment or other question to each county auditor and each auditor shall cause notice thereof to be included in the notice required by section 16.1-13-05. Questions to be submitted to the people of a particular county must be advertised in the same manner.

The secretary of state shall, at the same time the secretary of state certifies notice to the county auditors of the submission of a constitutional amendment or other question, certify the ballot form for such questions. The ballot form must conform to the provisions of section 16.1-06-09 and must be used by all county auditors in preparing ballots for submission to the electorate of each county and in the preparation of sample ballots. Any requirements in this title that a sample ballot be published will be met by the publication of either the paper ballot or the ballot as it will appear to persons using an electronic voting system device, depending upon the method of voting used in the area involved. Absentee voter ballots may not be considered in determining which method of voting is used in an area. If both paper ballots and electronic voting system ballots are used in an area, both forms must be published as sample ballots to meet publication and notice requirements. For two consecutive weeks before the sample ballot is published, an analysis of any constitutional amendment, initiated measure, or referred measure, written by the secretary of state after consultation with the attorney general, must be published in columns to enable the electors to become familiar with the effect of the proposed constitutional amendment or initiated or referred measure.

16.1-01-08. Correcting errors on ballots — Requiring performance of duty — Correcting or prosecuting wrongful performance.

4. Any neglect of duty which has occurred or is about to occur.

If required, the secretary of state shall order the officer or person charged with such error, wrong, or neglect to correct the error, desist from the wrongful act, or perform any required duty. The secretary of state may call upon any county auditor for aid in investigation and correction of the

problem. The secretary of state shall cause any person who violates the secretary of state's order to be prosecuted, if the violation constitutes an offense pursuant to this chapter. If the administrative remedies fail to correct the problem, or if the secretary of state refuses to act, any person may petition the supreme court, or the district court of the relevant county where the election of a county officer is involved, for an order compelling the correction of the error, wrong, neglect, or act.

The disclosure of contributions received under this section does not affect the requirement to file a preelection report by individuals or organizations soliciting or accepting contributions for the purpose of aiding or opposing the circulation or passage of a statewide initiative or referendum petition or measure placed upon a statewide ballot by action of the legislative assembly under chapter 16.1-08.1. A person is permanently ineligible to have that person's name placed on the ballot at any election for the office of United States senator or representative in Congress if, by the start of the term for which the election is being held, that person will have served as a United States senator or a representative in Congress, or in any combination of those offices, for at least twelve years.

16.1-01-13.1. (See note for contingent effective date) Term limits for United States senators and representatives in Congress.

A person is ineligible to have that person's name placed on the ballot at any election for the office of United States senator or representative in Congress if, by the start of the term for which the election is being held, that person will have served as a United States senator or a representative in Congress, or in any combination of those offices, for at least twelve years. However, if that person is still otherwise eligible to hold the office, the disqualification imposed by this section ceases after two years have elapsed since the disqualification last affected that person's eligibility for placement on the ballot.

16.1-01-14. Statement of intent.

In enacting this measure, the people of North Dakota:

1. Recognize that, along with the rest of the people of the United States, we have bestowed certain powers on the state and federal governments, and the governmental power flows ultimately from the people, not to them.
2. Do so in the partial exercise of our duty to elect representatives in Congress, under article I, section 2 of the Constitution of the United States, and our duty to elect United States senators, under the seventeenth amendment to the Constitution of the United States.
3. Recognize that the United States Supreme Court has never held that the people of a state do not have the constitutional power to establish term limits for federal legislators from their state.

4. Recognize that certain restrictions are placed on our ability to choose federal legislators, such that we could not, for example, elect a person twenty-eight years old to the senate or require a religious test for a federal legislator.
5. Assert that, aside from the requirements explicitly imposed by the Constitution of the United States, our power with respect to election of federal legislators is plenary.
6. Note that, under the Constitution of the United States, we have certain rights to control suffrage in elections, regulating such matters as residency, ballot access, and voting methods. As the possessors of the power to regulate suffrage, we also have the power to regulate certain qualifications of the agents we appoint by exercising our suffrage.
7. Exercise the legislative power we reserved to ourselves in section 1 of article III of the Constitution of North Dakota.
8. Recognize that, just as the federal Hatch Act [5 U.S.C. 7324 et seq.] restricts the candidacies of otherwise eligible persons from holding elected office, we have the same salutary purpose as does the Hatch Act, namely preventing an incumbent party from using government power to entrench itself permanently into government office.
9. Are mindful of the United States Supreme Court's statement, in *Garcia v. San Antonio Metro Transit Authority*, 469 U.S. 528, 551 (1985), that state control of the election process is supposed to be a protection of the state peoples from the national government.
10. Recognize that increased concentration of power in the hands of incumbents has made this state's electoral system less free, less competitive, and most importantly, less representative.
11. Recognize that our interests are best served by having our United States senators and representatives in Congress be mindful of their origins and return to our ranks whence they came.
12. Make the following declarations and historical findings:
 - a. James Madison, in No. 57 of *The Federalist Papers*, predicted that the house of representatives would always be responsive to the will of the people because that house would be bound by the same laws they impose on the people. President Madison's prediction was wrong and Congress has arrogated to itself powers not granted to the people, a recent notorious example being the bank of the house of representatives in which members were allowed to kite checks. President Madison's prediction was wrong in that Congress has oppressed the people with laws from which it exempts itself, recent examples including minimum wage, discrimination, occupational safety, and other laws.
 - b. The appearance of corruption and the lack of competitiveness for entrenched incumbency seats has lessened voter participation and that is counterproductive to the purposes of a representative republic.
 - c. Our vital interests in maintaining the integrity of the political process have been harmed by these and other factors. Therefore, term limitation is the best method by which we can ensure that our vital interests are guarded.
13. Believe this measure is constitutional and intend it to be so. Therefore, even if a court holds any portion of this measure unconstitutional, thereby substituting its own judgment for that we have expressed in enacting this measure, the legislative council shall require the publisher of the North Dakota Century Code to include the text of this measure, in the manner as if not so held but with appropriate annotation, to stand as a testament to our expressed will, and as a memorial to the defiance of that will by whatever court holds this measure unconstitutional. Furthermore, if any part of this measure is held unconstitutional, we intend that the rest of it be deemed effective, to the maximum extent permitted under section 1-02-20.

16.1-01-15. Secretary of state to establish and maintain an election fund.

The secretary of state shall establish and maintain a fund, known as the election fund, in the state treasury for the purpose of depositing payments and grants made to the state under the provisions of sections 101, 101(c), and 906, and title III of the Help America Vote Act of 2002 [Pub. L. 107-252; 116 Stat. 1666; 42 U.S.C. 15481-15502], the secretary of state shall determine and provide an appropriate remedy. If the secretary of state determines that a violation of title III of the Help America Vote Act of 2002 has not occurred, the secretary of state shall dismiss the complaint and publish the results of the review. The secretary of state shall make a final determination with respect to a complaint within ninety days of the date the complaint is filed with the secretary of state, unless the complainant consents to a longer period of time for the secretary of state to make a determination. If the secretary of state fails to meet the ninety-day deadline for determining a complaint, the complaint must be resolved within sixty days under an alternative dispute resolution procedure.

CHAPTER 16.1-02 – Central Voter File

16.1-02-01. Permanent central voter file.

A permanent, centralized electronic database of voters, to be known as the central voter file, is established with the offices of the secretary of state and county auditors linked together by a centralized statewide system. The county auditor is chief custodian of the central voter file records in each county. The secretary of state shall maintain the central voter file. The central voter file must be accessible by the secretary of state and all county auditors for purposes of preventing and determining voter fraud, making changes and updates, and generating information, including pollbooks, reports, inquiries, forms, and voter lists.

16.1-02-02. Costs of creating and maintaining a central voter file.

The creation of the central voter file and its maintenance through June 30, 2011, must be paid for with funds from the state's election fund, provided the election fund contains adequate funding to create and maintain the central voter file. The creation of the central voter file and its maintenance through June 30, 2011, may not be paid for from funds in the secretary of state's budget, the state's general fund, or from county funds. Beginning July 1, 2011, the offices required to perform the functions and duties of this chapter shall bear the costs incurred in performing those duties and the secretary of state shall pay the costs of operating and maintaining the central voter file. As used in this section, costs of maintaining the central voter file mean costs of annual software licenses, hosting costs for the software in the state data center, costs of necessary enhancements to the software, and the costs for implementing the duties and responsibilities of the secretary of state's office relating to the central voter file.

2. The secretary of state shall establish the initial central voter file from records maintained by the department of transportation. Each county auditor shall compare the initial central voter file against all precinct pollbooks used in the auditor's county during and created from the general elections in the two previous election years and any reasonably reliable updates made by the county auditor since the general elections in the two previous election years. Any individual contained in the initial central voter file who voted at either of the general elections in the two previous election years must be designated as "active" in the initial central voter file. Any individual contained in the initial central voter file who did not vote at either of the general elections in the two previous election years must be designated as "inactive" in the initial central voter file.
3. Each individual contained in the initial central voter file must be assigned a unique identifier. An individual's unique identifier must be randomly generated and assigned to the individual.
4. When establishing the initial central voter file from the records maintained by the department of transportation and the pollbooks from the general elections in the two previous election years, the secretary of state and county auditors shall attempt to correct address errors and misspellings of names.

16.1-02-04. Precinct boundaries changed — Change to the central voter file.

2. The secretary of state, with the assistance of the county auditors, within eighty-five days following an election, shall query the central voter file to determine if any individual voted more than once during the preceding election. The secretary of state shall immediately notify the county auditor and state's attorney in each affected county for further investigation.
3. Upon return of any nonforwardable mail from an election official, the county auditor shall ascertain the name and address of that individual. If the individual is no longer at the address recorded in the central voter file, the county auditor shall transfer the voter to the correct precinct in the central voter file or notify the county of the voter's new residence so the voter record can be transferred to the correct county. If a notice mailed at least sixty days after the return of the first nonforwardable mail is also returned by the postal service, the county auditor shall designate the individual as "inactive" in the central voter file.

16.1-02-06. Reporting deceased individuals and changes of names — Changes to records in the central voter file.

1. The state health officer shall provide for the regular reporting to the secretary of state the name, address, date of birth, and county of residence, if available, of each individual eighteen years of age or older who has died while maintaining residence in this state since the last report. After the close of each even-numbered calendar year, the secretary of state shall determine if any individual has not voted during the preceding four years and shall change the status of each such individual to "inactive" in the central voter file. The secretary of state shall prepare a report to each county auditor which contains the name of each individual who has been designated as "inactive" in the central voter file. Although not counted in an election, a late absentee ballot from an individual may not be used to designate an individual as "inactive" in the central voter file.

Upon the request of the district chairman of a political party, a board of county commissioners, in consultation with the county auditor, or the governing body of a city shall consider proposals to change precinct boundaries.

16.1-04-02. Voting places — Duties and responsibilities of the board of county commissioners or the governing body of the city.

The board of county commissioners of each county:

1. Shall designate one or more voting places for each precinct and may alter the voting places when there is a good and sufficient reason. However, the voting places for precincts located within the boundaries of any incorporated city must be designated, and altered if required, by the governing body of the city.
2. Shall provide that all voting places are accessible to the elderly and the physically disabled.
3. May utilize vote centers that contain all of the precincts in a county so that any qualified elector of the county may choose to cast a ballot in that polling location. Qualified electors may vote early at early voting precincts, by absentee ballot, at a polling location of their residential precinct, or at a county vote center. Vote center polling places must serve as a designated polling place for at least one precinct in the county in addition to serving as the site where any county voter may cast a ballot. An individual voting or attempting to vote more than once in any single election is guilty of a class A misdemeanor.

16.1-04-03. Time limitations.

The authority granted by this chapter must be exercised by the respective governing bodies no later than December thirty-first of the year immediately preceding an election cycle and no later than seventy days before a special election. If legislative reapportionment occurs, the authority granted by this chapter must be exercised, as it relates to the establishment or reestablishment of voting precincts that may be required because of any change in legislative districts, within thirty-five days after the effective date of the reapportionment.

CHAPTER 16.1-05 – Election Officers

16.1-05-01. Election officers.

At each primary, general, and special statewide or legislative district election, and at county elections, each polling place must have an election board in attendance. The election board must consist of an election inspector and at least two election judges. Counties utilizing polling places containing more than one precinct may choose to use one election board to supervise all precincts even if the precincts are within different legislative districts so long as each district chairman of each qualified political party is given the opportunity to have representation on the election board if desired.

1. The election inspector must be selected in the following manner:
 - a. Except as provided in subdivision b, in all precincts established by the governing body of an incorporated city pursuant to chapter 16.1-04, the governing body shall appoint the election inspectors for those precincts and fill all vacancies occurring in those offices.
 - b. In all multiprecinct polling locations containing both rural and city precincts, the county auditor, with the approval of the majority of the board of county commissioners, shall appoint the election inspectors and fill all vacancies occurring in those offices. The selection must be made on the basis of the inspector's knowledge of the election procedure.
 - c. The election inspector shall serve until a successor is named. If an inspector fails to appear for any training session without excuse, the office is deemed vacant and the auditor shall appoint an individual to fill the vacancy.

All appointments required to be made under this section must be made at least forty days preceding an election.

2. The election judges must be appointed in the following manner:
 - a. Except as provided in subdivision b:
 - (1) The election judges for each polling place must be appointed in writing by the district chairs representing the two parties that cast the largest number of votes in the state at the last general election. In polling places in which over one thousand votes are cast in any election, the county auditor may request each district party chair to appoint an additional election judge.
 - (2) The district party chair shall notify the county auditor of the counties in which the precincts are located of the appointment of the election judges at least forty days before the primary, general, or special election. If this notice is not received within the time specified in this section, the county auditor shall appoint the judges. If the county auditor has exhausted all practicable means to select judges from within the boundaries of the precincts within the polling place and vacancies still remain, the county auditor may select election judges who reside outside of the voting precinct but who reside within the polling place's legislative districts. If vacancies still remain, the county auditor may select election judges who reside outside of the legislative districts but who reside within the county.
 - b. For special elections involving only no-party offices, the election official responsible for the administration of the election with the approval of the majority of the members of the applicable governing body shall appoint the election judges for each polling location.
3. If at any time before or during an election, it appears to an election inspector, by the affidavit of two or more qualified electors of the precinct, that any election judge is disqualified under this chapter, the inspector shall remove that judge at once and shall fill the vacancy by appointing a qualified individual of the same political party as that of the judge removed. If the disqualified judge had taken the oath of office as prescribed in this

chapter, the inspector shall place the oath or affidavit before the state's attorney of the county.

4. The election official responsible for the administration of the election, with the approval of the majority of the members of the applicable governing body, shall appoint the poll clerks for each polling place. However, no fewer than two poll clerks must be appointed for each polling place. Poll clerks must be appointed based on their knowledge of election matters, attention to detail, and on any necessary technical knowledge.

16.1-05-02. Qualifications of members of the board of election — Oath of office.

1. a. Except as provided in subdivisions b and d, every member of the election board and each poll clerk must be a qualified elector of a precinct within the polling place boundaries in which the individual is assigned to work and must be eligible to vote at the polling place to which the individual is assigned unless the county auditor has exhausted all means to appoint election judges and clerks from within the voting precinct under subsection 2 of section 16.1-05-01.
 - b. A student enrolled in a high school or college in this state who has attained the age of sixteen is eligible to be appointed as a poll clerk if the student possesses the following qualifications:
 - (1) Is a United States citizen or will be a citizen at the time of the election at which the student will be serving as a member of an election board;
 - (2) Is a resident of this state and has resided in the precinct at least thirty days before the election; and
 - (3) Is a student in good standing attending a secondary or higher education institution.
 - c. A student appointed as a poll clerk may be excused from school attendance during the hours that the student is serving as a poll clerk, including training sessions, if the student submits a written request to be absent from school signed and approved by the student's parent or guardian and by the school administrator and a certification from the county auditor stating the hours during which the student will serve. A student excused from school attendance under this subdivision may not be recorded as being absent on any date for which the excuse is operative. No more than two students may serve as poll clerks on an election board.
 - d. An individual who has attained the age of sixteen and has graduated from high school or obtained a general education degree from an accredited educational institution is eligible to be appointed as a poll clerk if the individual meets the qualifications of paragraphs 1 and 2 of subdivision b.

3. Before assuming the duties, each member of the election board and each poll clerk severally shall take and subscribe an oath in substantially the following form:

I do solemnly swear (or affirm as the case may be), that I will perform the duties of inspector, judge, or clerk (as the case may be) according to law and to the best of my ability, and that I will studiously endeavor to prevent fraud, deceit, and abuse in conducting the same.

The oath may be taken before any officer authorized by law to administer oaths, and in case no such officer is present at the opening of the polls, the inspector or election judges

shall administer the oath to each other and to the poll clerks. The individual administering the oath shall cause an entry thereof to be made and subscribed by that individual and prefixed to each pollbook.

4. An individual serving as a member of the election board, before each election, shall attend a period of instruction conducted by the county auditor or the county auditor's designated representative, provided that the period of instruction has been conducted since the appointment of the election judges or election inspector.
5. If any member of the election board fails to appear at the hour appointed for the opening of the polls, the remainder of the board shall select an individual to serve in the absent individual's place. In filling a vacancy in the office of election judge, the remainder of the board shall select an individual of the absent individual's political party if such an individual is reasonably available. The office of election inspector or clerk may be filled by any qualified individual without regard to political affiliation. If no members of the election board appear at the hour appointed for opening the polls, the qualified electors present shall call the county auditor, city auditor, or school business manager, as appropriate, for instructions and then orally elect a board as nearly as possible in conformity with this 16.1-05-03. Secretary of state and county auditors to distribute election information — County auditor to provide instruction.
 1. Not less than thirty days before any primary, general, or special election, the secretary of state shall provide an instruction manual approved by the attorney general, which in layman's terms presents in detail the responsibilities of each election official. The secretary of state shall forward sufficient copies of this manual to each county auditor who shall distribute the manuals to each member of all the election boards in the county.
 2. Before each primary and general election, each county auditor or the auditor's designated representative shall conduct training sessions on election laws and election procedures for election officials in the county and may conduct training sessions before any special statewide or legislative district election. The session or sessions must be conducted at such place or places throughout the county as the county auditor determines to be necessary. Attendance at the session is mandatory for members of the election board and for poll clerks. The county auditor shall notify the members of the election boards, poll clerks, and the state's attorney of the time and place of the session. The state's attorney shall attend all sessions to give advice on election laws. The county auditor shall invite the district chairman in that county representing any political party casting at least five percent of the total votes cast for governor at the last election to attend the session at the chairman's own expense. On the date of the course or courses, the county auditor may deliver to all election inspectors at the meeting the official ballots and all other materials as provided in chapter 16.1-06. Except as otherwise provided in this section, each person attending the course or courses must be compensated as provided in section 16.1-05-05.
 3. An election official, at the option of the county auditor, may be excused from attending a third training session on election laws within a twelve-month period. If an election official has attended a training session within the six months preceding a special election, the election official must be compensated at the pay appropriate for those having attended a training session, as provided in section 16.1-05-05, for that election.

16.1-05-04. Duties of the members of the election board during polling hours.

1. The election inspector shall supervise the conduct of the election to ensure all election officials are properly performing their duties at the polling place. The election inspector shall assign duties so as to equally and fairly include both parties represented on the election board.

2. The election inspector shall assign ministerial duties to poll clerks, who shall carry out the ministerial duties assigned by the election inspector.
3. The election inspector shall assign the poll clerks to perform the function of maintaining the pollbook. The designated poll clerks shall maintain the pollbook. The pollbook must contain the name and address of each individual voting at the precinct and must be arranged in the form and manner prescribed by the secretary of state.
4. Each member of the election board shall remain on the premises of the polling place during the time the polls are open to prevent the occurrence of fraud, deceit, or other irregularity in the conduct of the election.
5. All members of the election board shall distribute ballots and other election materials to electors. An election judge from each party represented on the election board shall give any assistance requested by electors in marking ballots or operating electronic voting system devices.
6. Each member of the election board shall maintain order in the polling place.

16.1-05-05. Compensation of election officers.

The county auditors shall pay at least the state minimum wage to the relevant election officials. Members of the election board and poll clerks who attend the training sessions provided by section 16.1-05-03 must be paid at least the state minimum wage for the hours in attendance in the session in addition to necessary expenses and mileage. State, county, or other election officials who are required to incur expenses while performing duties in the election process may be reimbursed only for their actual and necessary expenses and mileage in the performance of those duties, in accordance with sections 11-10-15, 44-08-04, and 54-06-09. Other persons performing election duties must also be paid for expenses and mileage in like manner and amounts. Members of election boards who attend the training sessions provided by section 16.1-05-03 must be paid at least twenty-five percent more than the state minimum wage during the time spent in the performance of their election duties.

16.1-05-06. Challenging right to vote — Identification or affidavit required — Penalty for false swearing — Optional poll checkers.

16.1-05-07. Poll clerks to check identification and verify eligibility — Poll clerks to request, correct, and update incorrect information contained in the pollbook.

1. Before delivering a ballot to an individual according to section 16.1-13-22, the poll clerks shall require the individual to show identification, which includes the individual's residential address and date of birth. The identification may include:
 - a. A driver's license or nondriver identification card issued by the department of transportation or other official form of identification issued by the state;
 - b. An official form of identification issued by a tribal government;

- b. If the individual's name is contained in the pollbook generated from the central voter file, the poll clerks shall verify the individual's residential address and mailing address, if different from the individual's residential address.
 - c. If the individual's name is not contained in the pollbook generated from the central voter file but the individual is determined eligible to vote, the poll clerks shall record the individual's name in the pollbook. The poll clerks shall request and obtain any additional information for the individual required to be included in the pollbook.
3. Poll clerks shall direct an individual who is attempting to vote in the incorrect precinct to the proper precinct and voting location.

16.1-05-08. County auditor to provide election board members with precinct maps or precinct finder.

16.1-05-09. Election observers.

1. Election observers must be allowed uniform and nondiscriminatory access to all stages of the election process, including the certification of election technologies, early voting, absentee voting, voter appeals, vote tabulation, and recounts.

An election observer may not wear any campaign material advocating voting for or against a candidate or for or against any position on a question on the ballot. An election observer may not interfere with any voter in the preparation or casting of the voter's ballot or hinder or prevent the performance of the duties of any election official.

CHAPTER 16.1-06 – Ballots — Voting Machines — Electronic Voting Systems

16.1-06-01. Ballots furnished at public expense — Exceptions.

Except for local elections, election ballots must be printed and distributed at county expense. For a local election, the expense must be a charge against the local subdivision in which the election is held. For the purpose of this chapter, local elections include elections in townships, school districts, cities, and park districts.

16.1-06-02. Ballots prepared by county auditor or local official.

For a local election, the ballots must be printed and distributed under the direction of the auditor or clerk of the local subdivision. For all other elections, ballots must be printed and distributed under the direction of the county auditor, subject to the supervision and approval of the secretary of state as to the legal sufficiency of the form, style, wording, and contents of the ballots.

16.1-06-03. Official ballots only to be used.

The official ballot prepared by the county auditor or the local auditor or clerk must contain the name of each candidate whose name has been certified to or filed with such auditor or clerk in the manner provided in this title. Ballots other than official ballots prepared by the county auditor or local auditor or clerk may not be cast or counted in any election governed by this title. The list of officers and candidates and the statements of measures and questions to be submitted to the voters must be deemed an official ballot in precincts in which electronic voting systems are used.

16.1-06-04. Form and quality of ballots generally.

All official ballots prepared under this title must:

1. Be printed on uniform quality and color of paper in an ink color suitable to make the ballot clearly legible and compatible with the electronic voting system requirements necessary to tabulate the votes.
2. Be of sufficient length to contain the names of all candidates to be voted for at that election.
3. Have the language "Vote for no more than _____ name (or names)" placed immediately under the name of each office.
4. Have printed thereon "To vote for the candidate of your choice, you must darken the oval next to the name of that candidate. To vote for a person whose name is not printed on the ballot, you must darken the oval next to the blank line provided and write that person's name on the blank line."
5. Leave sufficient space for each office to write a name, or names, as the case may be, in lieu of those printed on the ballot.
6. Immediately preceding and on the same line as the name of each candidate must be printed an oval in which the voter is to mark the voter's choice by darkening the oval next to the name of the candidate chosen.
7. Provide text boxes at the bottom of the first side of the ballot. The text box at the bottom of the first column is to contain the words "Official Ballot, the name of the county, the name or number of the precinct, and the date of the election". The text box is to contain the words "All ballots, other than those used to vote absentee, must first be initialed by appropriate election officials in order to be counted". The text box at the bottom of the third column is to contain the word "initials" preceded by a blank line where the judge or inspector shall initial the ballot.

Any precinct that uses an electronic counting machine may require the use of a particular writing instrument to mark the ballot so the ballots may be properly counted.

The ballot must contain the names of all candidates, the contents of measures as required by section 16.1-06-09, and the statements of questions to be submitted to the voters. The ballot must be arranged in a manner and form approximating as far as possible the requirements of this section.

16.1-06-05. Form of general election ballot.

The official ballots provided for in this title for partisan election at general elections must be prepared as follows:

1. The ballots must be of sufficient length and width to contain a continuous listing of the designation of all the offices to be voted for.
2. On the top left-hand side of such ballot must begin a continuous listing of the designation of each office to be voted for, and under the designation of each office all of the names of the candidates duly nominated for that office must be printed.
3. The names of candidates nominated for each office must appear under the designation of that office, and under each candidate's name must appear, in smaller type, the appropriate party designation for each candidate. If a candidate has been nominated by petition, the designation under that candidate's name, in smaller type, must be "independent nomination".
4. The names of candidates under the designation of each office must be alternated in the printing of the official ballot in the same manner as is provided for the primary election ballot.
5. The size of type must be as specified by the secretary of state.

The list of offices and candidates and the statements of measures and questions to be submitted to the voters must be arranged on the ballot in a manner and form approximating as far as possible the requirements of this section.

16.1-06-06. General election ballots for persons authorized to vote for presidential electors only — Prepared separately — General law governs.

In addition to the ballots prepared pursuant to section 16.1-06-05, ballots must be prepared containing only the names of duly certified candidates for presidential electors for use by persons authorized to vote for those offices by law. The provisions of this title regarding the preparation, form, arrangement of names, and delivering of ballots must govern in regard to the general election ballot prepared pursuant to this section. The ballots prepared pursuant to this section must be delivered to electors who qualify only to vote for presidential electors pursuant to sections 16.1-14-18 and 16.1-14-19.

16.1-06-07. Arrangement of names on ballot for presidential electors.

Repealed by S.L. 1981, ch. 230, § 8; 1981, ch. 240, § 3.

16.1-06-07.1. Arrangement of names on ballot — Presidential electors.

In presidential election years the ballot provided for in section 16.1-06-05 must include the designation of the office of president and vice president as the first listing of the continuous listing of the designation of each office to be voted for. The names of presidential electors, presented in one certificate of nomination, must be arranged in a group enclosed in brackets under the designation of the office of president and vice president on the right side of the ballot column. To the left and opposite the center of each group of electors' names must be printed in bold type the surname of the presidential candidate represented and in line with such surname must be placed a single oval. A mark within such oval by the voter must be designated as a vote for all the electors. The appropriate party designation must appear, in smaller type, under the surname of the presidential candidate represented.

16.1-06-08. No-party ballot at general elections — Contents — Delivered to elector.

There must be a separate no-party ballot at the general election upon which must be placed the names of all candidates who have been nominated on the no-party primary ballot at the primary election. Such ballots must be in the same form as the no-party primary ballot and must be delivered to each elector by the proper election official. The separate ballot may be on the same paper or electronic ballot, but the list of offices and candidates must be entitled “no-party ballot” in a manner to clearly indicate the separation of the no-party list of offices and candidates from the party list of offices and candidates.

16.1-06-09. Constitutional amendments and initiated and referred measures — Manner of stating question — Explanation of effect of vote — Order of listing.

Constitutional amendments or measures, initiated measures, and referred measures, duly certified to the county auditor by the secretary of state, or any other question or measure to be voted on, except the election of public officers at any primary, general, or special election including officers subject to a recall petition, must, unless otherwise determined by the secretary of state, be stated in full in a legible manner on the ballot. If the secretary of state concludes the amendment or measure is too long to make it practicable to print in full, the secretary of state in consultation with the attorney general shall cause to be printed a short, concise summary, which must fairly represent the substance of the constitutional amendment or initiated or referred measure. After the foregoing statement, the secretary of state shall cause to be printed another short, concise statement of the effect of an affirmative or negative vote on the constitutional amendment or initiated or referred measure. This explanatory statement must be drafted by the secretary of state in consultation with the attorney general. The words “Yes” and “No” must be printed on the ballot at the close of the statement regarding the effect of an affirmative or negative vote, in separate lines with an oval before each statement in which the voter is to indicate how the voter desires to vote on the question by darkening the oval. If two or more amendments or questions are to be voted on, they must be printed on the same ballot.

The measures to be submitted to the electors must be grouped and classified as constitutional measures, initiated statutes, or referred statutes and must be placed within such groups or classifications by the secretary of state in the order received, for the purpose of placing them on the ballot. Measures submitted by the legislative assembly must be placed first on the ballot within their classification in the order approved by the legislative assembly. Constitutional measures shall be placed first on the ballot, initiated statutes second, and referred statutes third. After all the measures have been placed within the appropriate group or classification, all measures must be numbered consecutively, without regard to the various groups or classifications.

16.1-06-09.1. Constitutional amendments — Statement of intent.

Repealed by S.L. 1995, ch. 206, § 5.

16.1-06-10. Voting machines authorized.

Repealed by S.L. 2003, ch. 171, § 33.

16.1-06-10.1. Electronic counting machines authorized — Sharing of machines.

The use of electronic counting machines is authorized in any election precinct upon finding and declaration by resolution of the city governing body, and also of the board of county commissioners of the county in which the election precinct is located, that the use is advisable or necessary in that precinct. Thereafter, electronic counting machines may be procured, on a temporary or permanent basis, under terms and conditions, including assumption and division of cost of acquisition and maintenance by the city and county, agreed upon by the respective governing bodies, provided the machines being procured have been certified for procurement and

use in the state by the secretary of state according to section 16.1-06-26. Two or more counties may enter an agreement concerning the shared use and transport between counties of electronic counting machines and apportioning of expenses. Any electronic counting machine used in an election must be so constructed that when properly operated it registers or records correctly and accurately every vote cast.

16.1-06-11. Electronic voting systems authorized.

The use of electronic voting systems in accordance with the provisions of this chapter is hereby authorized in any election precinct upon finding and declaration by resolution of the city governing body, and also of the board of county commissioners of the county in which such election precinct is located, that such use is advisable or necessary in that precinct. Thereafter, a system or systems may be procured, on a temporary or permanent basis, under terms and conditions, including assumption and division of cost of acquisition and maintenance by the city and county, agreed upon by the respective governing bodies, provided the system or systems being procured have been approved and certified for procurement and use in the state by the secretary of state according to section 16.1-06-26. The system or systems may then be used in any state, county, city, or district election in that precinct or other voting area of which that precinct is a part.

16.1-06-12. Definitions.

As used in this title with regard to electronic voting systems:

1. "Automatic tabulating equipment" means an apparatus which automatically tabulates and counts votes recorded on ballots or entered directly into a computer or other electronic device by means of a touchscreen or other data entry device and data processing machines which can be used for counting votes and tabulating results.
2. "Ballot" means a handcount paper ballot or for an electronic voting system includes a tabulating paper ballot, recorded by optical scan reader, containing the names of offices and candidates and the questions to be voted on, which is used in conjunction with the marking device and on which votes may be recorded. 3. "Counting center" means the location or locations designated by the county auditor for the automatic tabulating and counting of ballots.
4. "Direct-recording electronic voting system" means a voting system that records votes by means of a ballot display provided by electro-optical devices that allows a voter to directly enter choices into electronic storage with the use of a touchscreen or other data entry device. An alphabetic keyboard may be employed as an entry device to facilitate voting for write-in candidates. A voter's choices are stored in the direct-recording electronic voting system's internal memory devices and added to the choices of all other voters.
5. "Electronic voting system" means a system, or the combination of electronic voting systems and devices authorized under this chapter, that may employ a marking device in conjunction with ballots or the use of a touchscreen or other data entry device and automatic tabulating equipment for the recording, tabulating, and counting of votes in an election.
6. "Electronic voting system device" means a single unit of an electronic voting system.
7. "Marking device" means a device for marking ballots with ink or other substance, or any other method for recording votes on ballots in a manner that the votes may be tabulated and counted by automatic tabulating equipment.

16.1-06-13. Requirements for voting machines.

Repealed by S.L. 2003, ch. 171, § 33.

16.1-06-14. Requirements for electronic voting systems.

Any electronic voting system used in an election in this state must:

1. Provide facilities for voting for nominated candidates, for persons not in nomination, and upon questions or measures submitted to the voters.
2. Permit each voter to vote for as many persons for any office as the voter is entitled to vote for, and must allow each voter to vote in primary elections for candidates for nomination by the political party of the voter's choice, but it must preclude each voter from voting for more persons for any office than the voter is entitled to vote for, from voting more than once for the same candidate or upon the same measure or question submitted to the voters, or voting the ballot of more than one political party in any primary election.
3. Permit each voter, insofar as is possible, by the replacement of spoiled ballots, to change the voter's vote for any candidate, or upon any measure or question submitted to the voters, up to the time the voter begins the final operation to register the voter's vote.
4. Permit and require voting in absolute secrecy, and must be so constructed and controlled that no person can see or know for whom any other elector has voted or is voting, except a voter whom the person has assisted or is assisting in voting, as prescribed by law, and that no person may see or know the number of votes registered for any candidate or tamper with any mechanism.
5. Be provided with a procedure by the use of which, immediately after the polls are closed, all voting is absolutely prevented.
6. Be so constructed that when properly operated it shall register or record correctly and accurately every vote cast.
7. Be so constructed that a voter may readily learn the method of operating it.
8. Permit voting by ballot or by entering directly into a computer or other electronic device by means of a touchscreen or other data entry device.

13. In the case of direct-recording electronic voting systems, be capable of preventing a voter from overvoting and cross-party voting before the voter casts a ballot.
14. In the case of direct-recording electronic voting systems, be capable of producing in random order a paper copy of each ballot cast on the system.
15. Ensure that any direct-recording electronic voting system procured or used in the state may not transmit uncounted votes or ballots through the internet.
16. Fulfill the criteria and standards established by the secretary of state according to section 16.1-06-26.

16.1-06-15. Mandatory testing of electronic voting systems before each election and after tabulation of ballots.

1. All electronic voting systems used in this state must be tested according to guidelines established by the secretary of state and as follows to ascertain whether the automatic tabulating equipment will accurately count the votes cast for all offices and measures. The testing must be conducted prior to each election at which the system will be used. The testing must be done by the county auditor or county auditor's designee, and after each test, the testing materials and any preaudited ballots used during the test must be sealed and retained in the same manner as election materials after an election.
2. The test of an electronic voting system employing paper ballots must be conducted by processing a preaudited group of ballots on which are recorded a predetermined number of valid votes for each candidate and measure and must include for each office one or more ballots which have votes in excess of the number allowed by law in order to test the ability of the automatic tabulating equipment to reject such votes. During the test a different number of valid votes must be assigned to each candidate for an office and for and against each measure. If an error is detected, the cause of it must be ascertained and corrected, and an errorless count must be secured and filed as provided in this section.
3. The test must be conducted at least one week before the election. One week before the test is conducted, the county auditor must send the district chairman of each political party having a candidate on the ballot a notice of the test. The notice must state the time, place, and date of the test or tests and that the district chairman or district chairman's designee may attend.
4. At the conclusion of the test, the programming for each electronic voting device must be sealed within the device with a unique numbered seal that must be verified by the election inspector before the opening of the polls to make sure the programming has not been removed from the device.
5. After each election, the secretary of state shall order a random testing of the voting system programming for one precinct in each county of the state according to logic and accuracy testing procedures detailed in subsection 2 and as may be further defined by the secretary of state in writing. This test is to be conducted before the meeting of the county canvassing board.

The inspector shall, before the opening of the polls, post the maps and information regarding the date of the election and the hours during which polling places will be open at the entry to and in other conspicuous places around the polling place.

16.1-06-20. Election inspector and judges to display material and provide instruction.

In addition to other duties provided by law, the election inspector and judges shall provide adequate instruction on the use of the electronic voting device to each voter before the voter enters the voting booth.

Any person who violates any of the provisions of this chapter relating to electronic voting systems, who tampers with or injures any electronic voting system or device to be used or being used in any election, or who prevents the correct operation of any such system or device to be used or being used in any election is guilty of a class A misdemeanor.

16.1-06-26. Secretary of state to adopt rules for the purpose of certifying and decertifying electronic voting systems and electronic counting machines.

The secretary of state may adopt rules according to subsection 3 of section 16.1-01-01 for certifying and decertifying electronic counting machines authorized in section 16.1-06-10.1 and electronic voting systems authorized in section 16.1-06-11, including any software, hardware, and firmware components used as a part of an electronic voting system or electronic counting machine for use and procurement in the state. The rules may:

16.1-07-01. Absent voter.

Any qualified elector of this state may vote an absent voter's ballot at any general, special, or primary state election, any county election, or any city or school district election. An elector who votes by absentee ballot may not vote in person at the same election.

16.1-07-03. Preparation and printing of ballots.

Repealed by S.L. 2011, ch. 154, § 19.

16.1-07-04. When ballots furnished proper officials.

The county auditor, or any other officer required by law to prepare any general, special, or primary state election ballots or any county election ballots, shall prepare, have printed, and deliver to the county auditor at least forty days before the holding of any general, special, or primary state election a sufficient number of absent voter ballots for the use of all voters likely to require such ballots for that election. In city or school elections, the auditor or clerk of the city, the business manager of the school district, or any other officer required by law to prepare city or school election ballots shall prepare and have printed and available for distribution to the public at least forty days before the holding of any city or school election a sufficient number of absent voter's ballots for the use of all voters likely to require such ballots for that election. Officers authorized to distribute absent voter's ballots under this chapter shall ensure all ballots used as absent voter's ballots are secure at all times and accessible only to those persons under the officer's supervision for distribution. If an election official personally distributes and collects an absent voter's ballot outside the election official's office, appointed election judges from an election board shall accompany the election official along with the ballot to and from the voter's location and be present while the voter is marking the ballot.

16.1-07-05. Time for applying for ballot — Emergency situations — Sufficient time for application and ballot return.

1. At any time in an election year, any qualified elector may apply to the county auditor, the auditor or clerk of the city, or the business manager of the school district, as the case may be, by personal delivery, facsimile, electronic mail or otherwise, for an official ballot to be voted at that election. A voter may obtain an application form approved by the secretary of state, for an absent voter's ballot for a general, special, primary, county, city, or school election from the secretary of state, a county or city auditor, a candidate, a political party, or a political committee. The application form must include a space for the applicant to indicate whether the application is for all statewide elections in the calendar year or only for the election that is immediately after the date of the application.
2. No auditor or clerk may issue ballots for absentee voters on the day of the election except to individuals prevented from voting in person on the day of the election due to an emergency. An individual requesting an absentee ballot on the day of the election due to an emergency must do so through an agent as set forth in this chapter. An agent may represent only one individual. The absentee ballot must be returned to the county auditor's office by four p.m. on the day of the election.
3. A completed application must be submitted to the appropriate election official in a timely manner so as to allow the applicant to receive, complete, and mail the absent voter's ballot before the day of the election.

16.1-07-06. Application form.

1. Application for an absent voter's ballot must be made on a form, prescribed by the secretary of state, to be furnished by the proper officer of the county, city, or school district in which the applicant is an elector, on any form, approved by the secretary of state, or any blank containing the following:
 - a. The applicant's name.
 - b. The applicant's current or most recent North Dakota residential address.
 - c. The applicant's mailing address.
 - d. The applicant's current contact telephone number.
 - e. The election for which the ballot is being requested.
 - f. The date of the request.
 - g. An affirmation that the applicant has resided, or will reside, in the precinct for at least thirty days next preceding the election and will be a qualified elector of the precinct.
 - h. The applicant's signature.
 - i. A space for the voter to indicate the voter's status as a citizen living outside the United States, a uniformed service member living away from the voter's North Dakota residence, or a family member of the uniformed service member living away from the voter's North Dakota residence.
 - j. The applicant's birth date and year.
 - k. The applicant's motor vehicle operator's license or nondriver identification number or tribal identification number or a copy of the voter's alternate form of identification approved by the secretary of state under subdivision c of subsection 1 of section 16.1-05-07.
2. If the applicant is unable to sign the applicant's name to the application, the applicant shall mark (X) or use the applicant's signature stamp on the application in the presence of a disinterested individual. The disinterested individual shall print the name of the individual marking the X or using the signature stamp below the X or signature stamp and shall sign the disinterested individual's own name following the printed name together with the notation "witness to the mark".
3. If the applicant does not possess an approved form of identification as provided for under subsection 1 of section 16.1-05-07, the application also must be signed by another qualified elector who, by signing, certifies that the applicant is a qualified elector. The secretary of state shall prescribe the form of the certification required under this subsection.
4. The application for a qualified elector serving on active duty as a uniformed service member or a family member who is a qualified elector and stationed at a location other than that individual's voting residential address must include the following additional information if the voter desires to vote by facsimile or electronic mail:
 - a. Facsimile telephone number; or
 - b. Electronic mail address.
5. The application for a qualified elector living outside the United States must include a facsimile telephone number or electronic mail address if the voter desires to vote by facsimile or electronic mail.
6. Except for the applicant's date of birth and motor vehicle driver's license or nondriver identification card number, the application is an open record under section 44-04-18.

16.1-07-07. Delivering application form for ballot.

The officers specified in section 16.1-07-05, upon request, shall mail an application form for an absent voter's ballot to the voter or may deliver the application form to the voter upon a personal application made at the officer's office. The officers may also make available or

distribute the applications, prescribed by the secretary of state, to the public without any specific request being made for the applications.

16.1-07-08. Delivering ballots — Envelopes accompanying — Affidavit on envelope — Challenging electors voting by absentee ballot — Inability of elector to sign name.

1. Upon receipt of an application for an official ballot properly filled out and duly signed, or as soon thereafter as the official ballot for the precinct in which the applicant resides has been prepared, the county auditor, city auditor, or business manager of the school district, as the case may be, shall send to the absent voter by mail, at the expense of the political subdivision conducting the election, one official ballot, or personally deliver the ballot to the applicant or the applicant's agent, which agent may not, at that time, be a candidate for any office to be voted upon by the absent voter. The agent shall sign the agent's name before receiving the ballot and deposit with the auditor or business manager of the school district, as the case may be, authorization in writing from the applicant to receive the ballot or according to requirements set forth for signature by mark. The auditor or business manager of the school district, as the case may be, may not provide an absent voter's ballot to a person acting as an agent who cannot provide a signed, written authorization from an applicant. No person may receive compensation, including money, goods, or services, for acting as an agent for an elector, nor may a person act as an agent for more than four electors in any one election. A voter voting by absentee ballot may not require the political subdivision providing the ballot to bear the expense of the return postage for an absentee ballot.
2. If there is more than one ballot to be voted by an elector of the precinct, one of each kind must be included and a secrecy envelope and a return envelope must be enclosed with the ballot or ballots. The front of the return envelope must bear the official title and post-office address of the officer supplying the voter with the ballot and upon the other side a printed voter's affidavit in substantially the following form:

Precinct _____

Name _____

Residential Address _____

City _____ ND Zip Code _____

Under penalty of possible criminal prosecution for making a false statement, I swear that I reside at the residential address provided above, that I have resided in my precinct for at least thirty days next preceding the election, and this is the only ballot I will cast in this election.

Applicant's Signature _____

Date _____

If the absent voter is unable to sign the voter's name, the voter shall mark (X) or use the applicant's signature stamp on the affidavit in the presence of a disinterested individual. The disinterested individual shall print the name of the individual marking the X or using the signature stamp below the X or signature stamp and shall sign the disinterested individual's own name following the printed name together with the notation "witness to the mark".

3. Each individual requesting an absent voter's ballot under this chapter must be provided a set of instructions, prescribed by the secretary of state, sufficient to describe the process of voting by absent voter's ballot. The voting instructions must contain a statement informing the individual that the individual is entitled to complete the absent voter's ballot in secrecy.
4. Each individual requesting an absent voter's ballot under this chapter who cannot read the English language or who because of blindness or other disability is unable to mark the

voter's ballot, upon request, may receive the assistance of any individual of the voter's choice, other than the voter's employer, an officer or agent of the voter's union, a candidate running in that election, or a relative of a candidate as described in subsection 2 of section 16.1-05-02, in marking the voter's ballot.

16.1-07-08.1. Procedures for voting with special write-in or federal write-in absentee ballot.

Repealed by S.L. 2011, ch. 154, § 19.

16.1-07-09. Canvassing of mailed absent voter's ballots received late.

In the case of congressional, state, county, city, or school district elections, if an envelope postmarked or otherwise officially marked by the United States postal service or other mail delivery system before the date of election and containing an absent voter's ballot is received by the officer too late to be forwarded to a polling place of the proper voting precinct in time to be tabulated, the ballot must be tallied by the canvassing board of the county, the governing body of the city, or the school board of the school district, as the case may be, at the time the returns are canvassed. Any envelope without a postmark or other official marking by the United States postal service or other mail delivery system or with an illegible postmark or other official marking and containing an absentee voter's ballot must be received by mail by the proper officer prior to the meeting of the canvassing board. An absent voter may personally deliver the absent voter's ballot to the appropriate officer's office at any time before five p.m. on the day before the election. Any envelope containing an absent voter's ballot with a postmark or official date stamp on the day of election or thereafter may not be tallied with the ballots timely submitted for the election. Before forwarding any ballot to a canvassing board pursuant to this section, the officer forwarding the ballot shall print the date of receipt on the envelope. Upon receipt, the canvassing board shall determine that the elector was qualified to vote in that precinct, that the elector did not previously vote in that precinct on the date of the election, and that the signatures on the absentee ballot application and the voter's affidavit were signed by the same person before allowing the ballot to be tallied.

16.1-07-10. Care and custody of ballot.

Upon receipt of an envelope containing the absent voter's ballot, the proper officer immediately shall attach the application of the absent voter and file the ballot with other absentee ballots from the same precinct. Before delivering the absentee ballots to a polling place of the proper precinct, the proper officer shall package the ballots in a manner so the ballots are sealed securely. The package must be endorsed with the name of the proper voting precinct, the name and official title of the officer, and the words "This package contains an absent voter's ballot and must be opened only according to the processing provisions of section 16.1-07-12." The officer shall keep the package safely in the officer's office until it is delivered by the officer as provided in this chapter.

16.1-07-11. Submitting ballot to inspector of elections.

If the envelope containing the absent voter's ballot is received by the county auditor, auditor or clerk of the city, or business manager of the school district, as the case may be, prior to that individual's delivery of the sealed package containing the official ballots to the inspector of elections of a polling place of the precinct in which the absent voter resides, the ballot, after having been enclosed with the application in an envelope as required by section 16.1-07-10, must be enclosed in the package and delivered to the inspector of the polling place. If the official ballots for the precinct have been delivered to the election inspector at the time of receipt by the proper officer of the absent voter's ballot, the officer or the officer's designee shall personally deliver it to

the inspector prior to the close of the polls on election day. Any absent voter's ballot sent to the wrong polling place by the official whose duty it is to forward the ballots, or any absent voter's ballot received by the inspector from the appropriate officer too late to be counted at the polling place, must be returned to the official by the election inspector, and must be tallied by the county canvassing board, the governing body of the city, or the school board, as the case may be, with other absent voters' ballots received too late to be counted on election day.

16.1-07-12. Opening ballot — Voting or rejecting — Depositing in ballot box — Preserving.

At any time beginning on the day before election day and the closing of the polls on election day, the election clerks and board members of the relevant polling place first shall compare the signature on the application for an absent voter's ballot with the signature on the voter's affidavit provided for in section 16.1-07-08 to ensure the signatures correspond. If the applicant is then a duly qualified elector of the precinct and has not voted at the election, they shall open the absent voter's envelope in a manner as not to destroy the affidavit thereon. They shall take out the secrecy envelope with the ballot or ballots contained therein without unfolding the same, or permitting the same to be opened or examined and indicate in the pollbook of the election that the elector has voted. The election board members not participating in the comparing of signatures and entering voters into the pollbook shall remove the ballot or ballots from the secrecy envelope, unfold and initial the same, and deposit in the proper ballot box for tabulation. The votes from these cast ballots may not be tallied and the tabulation reports may not be generated until the polls have closed on election day. If the affidavit on the outer envelope of a returned absentee ballot is found to be insufficient, or that the signatures on the application and affidavit do not correspond, or that the applicant is not then a duly qualified elector of the precinct, the vote may not be allowed, but without opening the absent voter's envelope, the election inspector or election judge shall mark across the face thereof "rejected as defective" or "rejected as not an elector", as the case may be. These rejected ballots are then turned over to the county canvassing board for final determination of eligibility. The subsequent death of an absentee voter after having voted by absentee ballot does not constitute grounds for rejecting the ballot.

16.1-07-12.1. Absentee ballot precinct — Election board appointment — Ballot counting.

1. For any primary, general, or special statewide, district, or county election, the board of county commissioners may create a special precinct, known as an absentee ballot precinct, for the purpose of counting all absentee ballots cast in an election in that county. The election board of the absentee ballot precinct must be known as the absentee ballot counting board. The county auditor shall supply the board with all necessary election supplies as provided in chapter 16.1-06.
2. If the board of county commissioners chooses to establish an absentee ballot precinct according to this section, the following provisions apply:
 - a. The county auditor shall appoint the absentee ballot counting board that consists of one independent representative to act as the inspector and an equal number of representatives from each political party represented on an election board in the county, as set forth in section 16.1-05-01, to act as judges. Each official of the board shall take the oath required by section 16.1-05-02 and must be compensated as provided in section 16.1-05-05.
 - b. The county auditor shall have the absentee ballots delivered to the inspector of the absentee ballot counting board with the election supplies, or if received later, then prior to the closing of the polls.

- c. The absentee ballot counting board shall occupy a location designated by the county auditor which must be open to any individual for the purpose of observing the counting process.
- d. The absentee ballots must be opened and handled as required in section 16.1-07-12. The county auditor shall designate a location for the closing, counting, and canvassing process under chapter 16.1-15, which location must be open to any person for the purpose of observing. The board shall comply with the requirements of sections 16.1-15-04 through 16.1-15-12, as applicable.

16.1-07-13. Registration of absent voters' ballots on electronic voting systems.

At polling places using electronic voting systems, absent voters' ballots, if any, must be entered in secrecy by the two election judges. The absentee electronic voting system ballots prepared pursuant to this section must be deposited in the ballot boxes and counted as other ballots. If the electronic voting system in use so provides, the actual electronic voting system ballot may be used as the absentee ballot.

16.1-07-14. Penalty.

Any person who violates any of the provisions of this chapter is guilty of a class A misdemeanor.

16.1-07-15. Early voting precinct — Election board appointment — Closing and canvassing.

1. For any primary, general, or special statewide, district, or county election, the board of county commissioners may, before the sixty-fourth day before the day of the election, create a special precinct, known as an early voting precinct, to facilitate the conduct of early voting in that county according to chapters 16.1-13 and 16.1-15. At the determination of the county auditor, more than one voting location may be utilized for the purposes of operating the early voting precinct. The election board of the early voting precinct must be known as the early voting precinct election board. The county auditor shall supply the board with all necessary election supplies as provided in chapter 16.1-06.
2. If the board of county commissioners establishes an early voting precinct according to this section, the following provisions apply:
 - a. Early voting must be authorized during the fifteen days immediately before the day of the election. The county auditor shall designate the business days and times during which the early voting election precinct will be open and publish notice of the early voting center locations, dates, and times in the official county newspaper once each week for three consecutive weeks immediately before the day of the election.
 - b. The county auditor shall appoint the early voting precinct election board for each voting location that consists of one independent representative to act as the inspector and an equal number of representatives from each political party represented on an election board in the county, as set out in section 16.1-05-01, to act as judges. Each official of the board shall take the oath required by section 16.1-05-02 and must be compensated as provided in section 16.1-05-05.
 - c. The county auditor, with the consent of the board of county commissioners, shall designate each early voting location in a public facility, accessible to the elderly and the physically disabled as provided in section 16.1-04-02. With respect to polling places at early voting precincts, "election day" as used in sections 16.1-10-03 and 16.1-10-06.2 includes any time an early voting precinct polling place is open.

- d. At the close of each day of early voting, the inspector, along with a judge from each political party represented on the board, shall secure all election-related materials, including:
 - (1) The pollbooks and access to any electronically maintained pollbooks.
 - (2) The ballot boxes containing voted ballots.
 - (3) Any void, spoiled, and unvoted ballots.
- e. Ballot boxes containing ballots cast at an early voting location may not be opened until the day of the election except as may be necessary to clear a ballot jam or to move voted ballots to a separate locked ballot box in order to make room for additional ballots.
- f. Each early voting location may be closed, as provided in chapter 16.1-15, at the end of the last day designated for early voting in the county. Results from the early voting precinct may be counted, canvassed, or released under chapter 16.1-15 as soon as any precinct within the county, city, or legislative district closes its polls on the day of the election. The county auditor shall designate a location for the closing, counting, and canvassing process under chapter 16.1-15, which location must be open to any person for the purpose of observing.
- g. The early voting precinct election board shall comply with the requirements of chapters 16.1-05, 16.1-13, and 16.1-15, as applicable.

16.1-07-16. Secretary of state to provide information regarding absentee voting for military and overseas voters.

The secretary of state is designated as the official responsible for providing information regarding absentee voting by military and overseas citizens eligible to vote in the state according to section 702 of the Help America Vote Act of 2002 [Pub. 16.1-07-19. Elections covered.

The voting procedures in sections 16.1-07-18 through 16.1-07-33 apply to:

1. A general, special, or primary election for federal office.
2. A general, special, or primary election for statewide or state legislative office or state ballot measure.
3. A general, special, or primary election for political subdivision office or political subdivision ballot measure.

16.1-07-20. Role of secretary of state.

1. The secretary of state is responsible for implementing sections 16.1-07-18 through 16.1-07-33 and the state's responsibilities under the Uniformed and Overseas Citizens Absentee Voting Act [42 U.S.C. 1973ff et seq.].
2. The secretary of state shall make available to covered voters information regarding procedures for casting military-overseas ballots.
3. The secretary of state shall establish an electronic transmission system through which covered voters may apply for and receive documents and other information under sections 16.1-07-18 through 16.1-07-33.

4. The secretary of state shall develop standardized absentee-voting materials, including privacy and transmission envelopes and electronic equivalents, authentication materials, and voting instructions, to be used with the military-overseas ballot of a voter authorized to vote in any jurisdiction in this state and, to the extent reasonably possible, shall do so in coordination with other states.
5. The secretary of state shall prescribe the form and content of a declaration for use by a covered voter to swear or affirm specific representations pertaining to the voter's identity, eligibility to vote, status as a covered voter, and timely and proper completion of an overseas-military ballot. The declaration must be based on the declaration prescribed to accompany a federal write-in absentee ballot under the Uniformed and Overseas Citizens Absentee Voting Act [103, 42 U.S.C. 1973ff-2], as modified to be consistent with sections 16.1-07-18 through 16.1-07-33. The secretary of state shall ensure that a form for the execution of the declaration, including an indication of the date of execution of the declaration, is a prominent part of all balloting materials for which the declaration is required.

16.1-07-21. Methods of applying for military-overseas ballot.

1. A covered voter may apply for a military-overseas ballot using either the absentee ballot application under this chapter or the federal postcard application, as prescribed under the Uniformed and Overseas Citizens Absentee Voting Act [42 U.S.C. 1973ff(b)(2)] or the application's electronic equivalent if approved under guidelines established by the secretary of state.
2. The secretary of state shall ensure that the electronic transmission system described in section 16.1-07-20 is capable of accepting the submission of both a federal postcard application and any other approved electronic military-overseas ballot application sent to the appropriate election official. The voter may use the electronic transmission system or any other method approved under guidelines established by the secretary of state to apply for a military-overseas ballot.
3. A covered voter may use the declaration accompanying the federal write-in absentee ballot, as prescribed under the Uniformed and Overseas Citizens Absentee Voting Act [42 U.S.C. 1973ff-2] as an application for a military-overseas ballot simultaneously with the submission of the federal write-in absentee ballot, if the declaration is received by the appropriate election official by midnight on the day before the election.
4. To receive the benefits of sections 16.1-07-18 through 16.1-07-33, a covered voter must inform the appropriate election official that the voter is a covered voter. Methods of informing the appropriate election official that a voter is a covered voter include:
 - a. The use of a federal postcard application or federal write-in absentee ballot;
 - b. The use of an overseas address on a ballot application; and
 - c. The inclusion on a ballot application of other information sufficient to identify the voter as a covered voter.

16.1-07-22. Timeliness and scope of application for military-overseas ballot.

An application for a military-overseas ballot is timely if received by the appropriate election official before the close of business on the day before the election. An application for a military-overseas ballot for a primary election, whether or not timely, is effective as an application for a military-overseas ballot for the general election.

16.1-07-23. Transmission of unvoted ballots.

1. For all covered elections for which this state has not received a waiver under the Military and Overseas Voter Empowerment Act [42 U.S.C. 1973ff-1(g)(2)] not later than forty-five

days before the election or, if the forty-fifth day before the election is a weekend or holiday, not later than the business day preceding the forty-fifth day, the appropriate election official shall transmit ballots and balloting materials to all covered voters who by that date submit a valid military-overseas ballot application.

2. A covered voter who requests a ballot and balloting materials be sent to the voter by electronic transmission may choose facsimile transmission, electronic mail, or other electronic delivery approved by the secretary of state. The election official charged with distributing a ballot and balloting materials shall transmit the ballot and balloting materials to the voter using the means of transmission chosen by the voter.
3. If a ballot application from a covered voter arrives after the election official begins transmitting ballots and balloting materials to voters, the official shall transmit them to the voter not later than two business days after the application arrives.

16.1-07-24. Timely casting of ballot.

To be valid, a military-overseas ballot must be submitted for mailing or other authorized means of delivery not later than 11:59 p.m. on the day before the election at the place where the voter completes the ballot. A military-overseas ballot must be received by the appropriate election official before the canvassing board meeting.

16.1-07-25. Federal write-in absentee ballot.

A covered voter may use the federal write-in absentee ballot, in accordance with the Uniformed and Overseas Citizens Absentee Voting Act [42 U.S.C. 1973ff-2], to vote for all offices and ballot measures in a covered election.

16.1-07-26. Receipt of voted ballot.

1. A valid military-overseas ballot cast in accordance with section 16.1-07-24 must be counted if it is delivered before the canvassing board meets to canvas the returns.
2. If, at the time of completing a military-overseas ballot and balloting materials, the voter has affirmed under penalty of perjury under section 16.1-07-27 that the ballot was timely submitted, the ballot may not be rejected on the basis that it has a late postmark, an unreadable postmark, or no postmark.

16.1-07-27. Declaration.

Each military-overseas ballot must include or be accompanied by a declaration signed by the voter declaring that a material misstatement of fact in completing the document may be grounds for a conviction of perjury under the laws of the United States or this state.

16.1-07-28. Confirmation of receipt of application and voted ballot.

The secretary of state, in coordination with local election officials, shall implement an electronic free-access system by which a covered voter may determine by telephone, electronic mail, or internet access whether:

1. The voter's military-overseas ballot application has been received and accepted; and
2. The voter's military-overseas ballot has been received and the current status of the ballot.

16.1-07-29. Use of voter's electronic mail address.

1. A covered voter who provides an electronic mail address to a local election official may request that the voter's application for a military-overseas ballot be considered a standing request for electronic delivery of a ballot for all elections held through December thirty-first of the year following the calendar year of the date of the application or another shorter period the voter specifies. An election official shall provide a military-overseas ballot to a

voter who makes a request for each election to which the request is applicable. A covered voter entitled to receive a military-overseas ballot for a primary election under this subsection also is entitled to receive a military-overseas ballot for the general election.

2. An electronic mail address provided by a covered voter is a confidential record. An election official may use the address only to communicate with the voter about the voting process, including transmitting military-overseas ballots and election materials if the voter has requested electronic transmission, and verifying the voter's mailing address and physical location, as needed.

16.1-07-30. Publication of election notice.

1. Not later than one hundred days before a regularly scheduled election to which sections 16.1-07-18 through 16.1-07-33 apply, and as soon as practicable in the case of a special election, the secretary of state and each local election official charged with printing and distributing ballots and balloting materials for that election shall prepare an election notice, to be used in conjunction with the federal write-in absentee ballot described in section 16.1-07-25. The election notice must contain a list of all of the ballot measures and federal, state, and local offices that as of that date the secretary of state and the local election official expect to be on the ballot on the date of the election. The notice also must contain specific instructions for how a voter is to indicate on the federal write-in absentee ballot the voter's choice for each office to be filled and for each ballot measure to be contested.
2. A covered voter may request a copy of an election notice. The officials charged with preparing the election notice shall send the notice to the voter by facsimile, electronic mail, or regular mail, as the voter requests if the voter is not able to obtain that same notice from the secretary of state's website.
3. At least fifty-five days before an election, the officials charged with preparing the election notice shall update the notice with the certified candidates for each office and ballot measure questions and make the updated notice publicly available.
4. A local election official who maintains an internet website shall make updated versions of its election notices regularly available on the website.

16.1-07-31. Prohibition of nonessential requirements.

1. If a voter's mistake or omission in the completion of a document under sections 16.1-07-18 through 16.1-07-33 does not prevent determining whether a covered voter is eligible to vote, the mistake or omission does not invalidate the document. Failure to satisfy a nonessential requirement, such as using paper or envelopes of a specified size or weight, does not invalidate a document submitted under this chapter. In any write-in ballot authorized by law, if the intention of the voter is discernable, as provided under the Help America Vote Act [42 U.S.C. 15481(a)(6)], an abbreviation, misspelling, or other minor variation in the form of the name of a candidate or a political party must be accepted as a valid vote.
2. Notarization is not required for the execution of a document under sections 16.1-07-18 through 16.1-07-33. An authentication, other than the declaration specified in section 16.1-07-27 or the declaration on the federal postcard application and federal write-in absentee ballot, is not required for execution of a document under sections 16.1-07-18 through 16.1-07-33. The declaration and any information in the declaration may be compared against information on file to ascertain the validity of the document.

16.1-07-32. Issuance of injunction or other equitable relief.

A court may issue an injunction or grant other equitable relief appropriate to ensure substantial compliance with, or enforce, sections 16.1-07-18 through 16.1-07-33 on application by:

1. A covered voter alleging a grievance under sections 16.1-07-18 through 16.1-07-33; or
2. An election official in this state.

16.1-07-33. Relation to Electronic Signatures in Global and National Commerce Act.

Sections 16.1-07-18 through 16.1-07-33 modify, limit, and supersede the Electronic Signatures in Global and National Commerce Act [15 U.S.C. 7001 et seq.] but do not modify, limit, or supersede section 101(c) of that Act [15 U.S.C. 7001(c)] or authorized electronic delivery of any of the notices described in section 103(b) of that Act [15 U.S.C. 7003(b)].

16.1-07-34. Emergency procedures to facilitate absentee voting.

If an international, national, state, or local disaster or emergency or other situation arises which makes substantial compliance with the Uniformed and Overseas Citizens Absentee Voting Act [42 U.S.C. 1973ff et seq.] impossible or impracticable, as confirmed by the existence of armed conflict involving the armed forces of the United States or the mobilization of those forces, including national guard and reserve component members of this state, by the occurrence of a natural disaster or the existence of a state of emergency, civil unrest, war, or other exigency in a foreign country, or by an official declaration by the governor that a state of disaster or emergency exists, the secretary of state may prescribe special procedures or requirements as may be necessary to facilitate absentee voting by those absent uniformed services voters or overseas voters directly affected and who are eligible to vote in this state.

16.1-09-07. Effect of intentional violation of chapter — Penalty.

Any person who intentionally violates a provision of this chapter is guilty of a class B misdemeanor and that person's appointment, nomination, or election, as the case may be, must be declared void. Any vacancy that may result from the intentional violation of this chapter must be filled in the manner provided by law. This section does not remove from office a person who is already in office and who has entered upon the discharge of the person's duties where such office is subject to the impeachment provisions of the Constitution of North Dakota.

CHAPTER 16.1-10 – Corrupt Practices

16.1-10-01. Corrupt practice — What constitutes.

2. The following definitions must be used for the purposes of this section:
 - a. “Political purpose” means any activity undertaken in support of or in opposition to a statewide initiated or referred measure, a constitutional amendment or measure, a political subdivision ballot measure, or the election or nomination of a candidate to public office and includes using “vote for”, “oppose”, or any similar support or opposition language in any advertisement whether the activity is undertaken by a candidate, a political committee, a political party, or any person. In the period thirty days before a primary election and sixty days before a special or general election, “political purpose” also means any activity in which a candidate's name, office, district, or any term meaning the same as “incumbent” or “challenger” is used in support of or in opposition to the election or nomination of a candidate to public office. The term does not include activities undertaken in the performance of public office or a position taken in any bona fide news story, commentary, or editorial. Factual information may be presented regarding a ballot question solely for the purpose of educating voters if the information does not advocate for or against or otherwise reflect a position on the adoption or rejection of the ballot question.
 - b. “Property” includes motor vehicles, telephones, typewriters, adding machines, postage or postage meters, funds of money, and buildings. However, nothing in this section may be construed to prohibit any candidate, political party, committee, or organization from using any public building for such political meetings as may be required by law, or to prohibit such candidate, party, committee, or organization from hiring the use of any public building for any political purpose if such lease or hiring is otherwise permitted by law.
 - c. “Services” includes the use of employees during regular working hours for which such employees have not taken annual or sick leave or other compensatory leave.

No such political badge, button, or insignia may be worn within that same area while a polling place is open for voting.

16.1-10-04. Publication of false information in political advertisements — Penalty.

A person is guilty of a class A misdemeanor if that person knowingly, or with reckless disregard for its truth or falsity, publishes any political advertisement or news release that contains any assertion, representation, or statement of fact, including information concerning a candidate's prior public record, which is untrue, deceptive, or misleading, whether on behalf of or in opposition to any candidate for public office, initiated measure, referred measure, constitutional amendment, or any other issue, question, or proposal on an election ballot, and whether the publication is by radio, television, newspaper, pamphlet, folder, display cards, signs, posters, billboard advertisements, websites, electronic transmission, or by any other public means. This section does not apply to a newspaper, television or radio station, or other commercial medium that is not the source of the political advertisement or news release.

16.1-10-04.1. Certain political advertisements to disclose name of sponsor — Name disclosure requirements.

Every political advertisement by newspaper, pamphlet or folder, display card, sign, poster, or billboard, website, or by any other similar public means, on behalf of or in opposition to any candidate for public office, designed to assist, injure, or defeat the candidate by reflecting upon the candidate's personal character or political action, or by a measure committee, or a corporation making a direct expenditure either for or against a measure, must disclose on the advertisement the name of the person, as defined in section 16.1-08.1-01, or political party paying for the advertisement. If the name of a political party, association, or partnership is used, the disclaimer must also include the name of the chairman or other responsible individual from the political party, association, or partnership. The name of the person paying for any radio or television broadcast containing any advertising announcement for or against any candidate for public office must be announced at the close of the broadcast. If the name of a political party, association, or partnership is used, the disclaimer must also include the name of the chairman or other responsible individual from the political party, association, or partnership. In every political advertisement in which the name of the person paying for the advertisement is disclosed, the first and last name of any named individual must be disclosed. An advertisement paid for by an individual candidate or group of candidates must disclose that the advertisement was paid for by the individual candidate or group of candidates. The first and last name or names of the candidates paying for the advertisement are not required to be disclosed. This section does not apply to campaign buttons.

16.1-10-05. Paying owner, editor, publisher, or agent of newspaper to advocate or oppose candidate editorially prohibited.

No person may pay or give anything of value to the owner, editor, publisher, or agent of any newspaper or other periodical, or radio or television station, to induce the person to advocate editorially or to oppose any candidate for nomination or election, and no such owner, editor, publisher, or agent may accept such inducement.

16.1-10-06. Electioneering within boundary of an open polling location.

1. An individual may not ask, solicit, or in any manner try to induce or persuade, any voter within a polling place or within one hundred feet [30.48 meters] from the entrance to the room containing a polling place while it is open for voting to vote or refrain from voting for any candidate or the candidates or ticket of any political party or organization, or any measure submitted to the people. The display upon motor vehicles of adhesive signs which are not readily removable and which promote the candidacy of any individual, any political party, or a vote upon any measure, and political advertisements promoting the candidacy of any individual, political party, or a vote upon any measure which are

displayed on fixed permanent billboards, may not, however, be deemed a violation of this section.

2. A vehicle or movable sign of any type containing a political message as described in subsection 1 may be allowed to remain within the restricted area only for the period of time necessary for the owner or operator of the vehicle or sign to complete the act of voting.
3. Except as provided in subsection 1, a sign placed on private property which displays a political message may not be restricted by a political subdivision, including a home rule city or county, unless the political subdivision demonstrates a burden to the public safety.

16.1-10-06.1. Paying for certain election-related activities prohibited.

No person may pay another person for:

1. Any loss or damage due to attendance at the polls;
2. Registering;
3. The expense of transportation to or from the polls; or
4. Personal services to be performed on the day of a caucus, primary election, or any election which tend in any way, directly or indirectly, to affect the result of such caucus or election.

The provisions of this section do not apply to the hiring of a person whose sole duty it is to act as a challenger and to watch the count of official ballots.

16.1-10-06.2. Sale or distribution at polling place.

A person may not approach a person attempting to enter a polling place, or who is in a polling place, for the purpose of selling, soliciting for sale, advertising for sale, or distributing any merchandise, product, literature, or service. A person may not approach a person attempting to enter a polling place, who is in a polling place, or who is leaving a polling place for the purpose of gathering signatures for any reason. These prohibitions apply in any polling place or within one hundred feet [30.48 meters] from any entrance leading into a polling place while it is open for voting.

16.1-10-07. Candidate guilty of corrupt practice to vacate nomination of office.

If any person is found guilty of any corrupt practice, the person must be punished by being deprived of the person's government job, or the person's nomination or election must be declared void, as the case may be. This section does not remove from office a person who is already in office and who has entered upon the discharge of the person's duties when such office is subject to the impeachment provisions of the Constitution of North Dakota.

Vacancies to be filled according to the provisions of this section may be filled not later than the sixty-fourth day prior to the election.

16.1-11-19. Filling vacancy existing on no-party ballot — Petition required — Time of filing.

If a vacancy exists on a no-party ballot for a state office or for judge of a district court, the vacancy may be filled by filing with the secretary of state, before four p.m. on the sixty-fourth day prior to the primary election, a written petition as provided in section 16.1-11-06, stating that the petitioner desires to become a candidate for nomination to the office for which a vacancy exists. If the petition is mailed, it must be in the possession of the secretary of state before four p.m. on the sixty-fourth day prior to the primary election. The petition for the nomination of any person to fill

the vacancy must be signed by qualified electors equal in number to at least two percent of the total vote cast for governor at the most recent general election in the state or district at which the office of governor was voted upon, but in no case may more than three hundred signatures be required.

If a vacancy exists on a no-party ballot in a county or district within a county, the vacancy may be filled by filing with the county auditor, before four p.m. of the sixty-fourth day prior to the primary election, a written petition as provided in section 16.1-11-11, stating that the petitioner desires to become a candidate for nomination to the office for which a vacancy exists. If the petition is mailed, it must be in the possession of the county auditor before four p.m. on the sixty-fourth day prior to the primary election. The petition for the nomination of any person to fill the vacancy must be signed by qualified electors as provided in subdivision c of subsection 2 of section 16.1-11-11. A vacancy in the no-party ballot must be deemed to exist when a candidate who was qualified by filing a petition pursuant to section 16.1-11-06 or 16.1-11-11 dies, resigns, or otherwise becomes disqualified to have the candidate's name printed on the ballot.

16.1-11-20. Certified list of nominees transmitted to county auditor by secretary of state.

At least fifty-five days before any primary election, the secretary of state shall electronically transmit to each county auditor a certified list containing the names and post-office addresses of each person for whom nomination papers have been filed in the secretary of state's office and who are entitled to be voted for at the primary election. A designation of the office for which each is a candidate, and if applicable, the party or principle represented by each must be included.

16.1-11-21. County auditor to publish sample primary election ballot and notice of time and place of election.

The county auditor shall publish in the official county newspaper, and if no newspaper is published in the county then in a newspaper published in an adjoining county in the state, the following:

1. A copy of the sample ballot of the primary election, as arranged by order and direction of the county auditor. The form of the sample ballot must conform in all respects to the form prescribed for the sample primary ballot by the secretary of state. The county auditor shall publish the sample ballot in all forms appropriate for the method or methods of voting in the county. Absent voters' ballots may not be considered in determining which form of voting is used. Candidates from each legislative district that falls within the boundaries of the county must be listed in a separate box or category within the sample ballot by legislative district number to enable the voters in each legislative district to ascertain the legislative candidates in their specific district.
2. The date of the primary election.
3. The hours during which the polls will be open.
4. The statement that the primary election balloting will be held in the regular polling place in each precinct.

The notice must be published in the official county newspaper once each week for two consecutive weeks before the primary election and include a statement in substantially the following format:

The arrangement of candidate names appearing on ballots in your precinct may vary from the published sample ballots, depending upon the precinct and legislative district in which you reside.

16.1-11-22. Primary election ballot — Form — Voters to vote for candidates of only one political party.

At the primary election there may be only one ballot for all parties or principles. The ballot must be in the following form:

2. Each political party or principle having candidates at the primary election must have a separate section on the ballot.
3. At the head of each column must be printed the name of the political party or principle which it represents.
4. Spanning the columns containing the political party ballot and prior to the party names or principle titles must be printed: “In a Political Party Primary Election, you may only vote for the candidates of one political party. This ballot contains the number of political parties or principles and a description of where the political parties or principles are to be found in the columns below. If you vote in more than one political party's section, your Political Party Ballot will be rejected; however, all votes on the No Party and Measure Ballots will still be counted.”
5. Immediately below the warning against voting for candidates of more than one political party must be printed: “To vote for the candidate of your choice, you must darken the oval next to the name of that candidate. To vote for a person whose name is not printed on the ballot, you must darken the oval next to the blank line provided and write that person's name on the blank line.”
6. The offices specified in section 16.1-11-26 must be arranged in each section with the name of each office in the center of each political party section at the head of the names of all the aspirants for the office.
7. Immediately under the name of each office must be printed: “Vote for no more than _____ name (or names).”
8. Immediately preceding and on the same line as the name of each aspirant must be printed an oval in which the voter is to mark the voter's choice by darkening the oval next to the name of the candidate chosen.
9. The political party or principle which cast the largest vote for governor at the most recent primary election at which the office of governor was voted upon must have the first section, and the political party or principle casting the next largest vote must have the second section, and so on.

The judges and the inspector of elections shall inform each elector at the primary, before voting, that if the voter votes for candidates of more than one political party the voter's political party ballot will be rejected.

16.1-11-23. Presidential preference contest ballots.

Repealed by S.L. 2005, ch. 185, § 18.

16.1-11-24. No-party primary ballot — Contents.

There must be a separate ballot at all primary elections which must be entitled “no-party primary ballot”. The names of aspirants for nomination to each office must be arranged on the no-party primary ballot in separate groups in their order. The separate ballot may be on the same paper or electronic ballot, but the list of offices and candidates must be entitled “no-party primary ballot” in a manner to indicate clearly the separation of the no-party list of offices and candidates from the party list of offices and candidates. The names of all candidates for any of the offices mentioned in section 16.1-11-08 must be placed on the ballot without party designation. Immediately under the name of each office must be placed the language: “Vote for no more than

_____ name (or names).” The number inserted must be the number to be elected to the office at the next succeeding general election.

16.1-11-25. Preparation, printing, distributing, canvassing, and returning of no-party ballot.

The no-party ballot must be prepared, printed, distributed, canvassed, and returned in the same manner provided for other primary election ballots.

16.1-11-27. Arrangement of names on ballots.

Sample ballots used for publication purposes must be arranged using the rotation of the ballot in the precinct in the county which cast the highest total vote for governor at the last general election at which the office of governor was filled. In the event that this determination is no longer possible due to changes in precinct boundaries, the precincts are to be ordered according to the precincts with the greatest voting age population to the least. This information is to be provided by the North Dakota state data center or based on the best available data as determined by the county auditor. On the official ballot used at the election, including electronic voting system ballots, the names of candidates beside or under headings designating each office to be voted for must be alternated in the following manner:

1. The ballot must first be arranged with all the names for each office on the ballot in an order determined by lot by the county auditor and prepared by the county auditor for all state, district, and county offices. The position of names that require alternating under the provisions of this section must be alternated by an algorithm approved by the secretary of state designed to ensure to the extent possible that each name on the ballot for an office is listed in each position order on an equal number of precinct ballots spread across the county. There must be a different alternation sequence for each of the following, based on the geographical area by which the office is filled:
 - a. Offices to be filled by the electors of the state, the entire county, or any district which includes the entire county.
 - b. Offices to be filled by the electors of districts smaller than the county, with a different rotation for each of those districts.

2. Although the names are to be alternated within the offices on the ballot, the name order for an office is to be the same for all ballots within a precinct.

16.1-11-28. Piling, cutting, and blocking ballots.

Repealed by S.L. 1999, ch. 209, § 2.

16.1-11-29. Preparation of ballot.

16.1-11-30. Separate section on primary election ballot required for each political party.

Any party that had printed on the ballot at the last preceding presidential election the names of a set of presidential electors pledged to the election of the party's candidates for president and vice president or a candidate for governor and those candidates for presidential electors or governor received at least five percent of the total vote cast for presidential electors or the office of governor within this state at that election; any party that had printed on the ballot at the last preceding nonpresidential election a candidate for attorney general or secretary of state, and the candidate received at least five percent of the total vote cast for the office the candidate was seeking at the election; or any party that has organized according to all the requirements of chapter 16.1-03 must be provided with a separate section on primary election ballots.

Any other political organization is entitled to endorse candidates or have candidates petition to be included on the primary ballot in a separate section of the consolidated primary election ballot, if a petition signed by at least seven thousand qualified electors of this state is filed with the secretary of state before four p.m. of the sixty-fourth day before a primary or special election, naming the political organization, stating the platform principles of the party, and requesting the names of its candidates to be included on the state's primary ballot in a separate section. Political organizations that are granted ballot access under this section are allowed ballot access only for those offices for which the organization has identified candidates. Regardless of the means by which the petition is delivered, the original must be in the possession of the secretary of state before four p.m. on the sixty-fourth day prior to a primary or special election. Candidates of that party are entitled to the same rights and privileges as those of other parties. Petitions circulated according to this section must be filed with the secretary of state in accordance with section 1-01-50.

A political organization that had printed on the ballot at the last preceding presidential election the names of a set of presidential electors pledged to the election of the party's candidates for president and vice president or a candidate for governor and those candidates for presidential electors or governor received at least five percent of the total vote cast for presidential electors or the office of governor within this state at that election, and any political organization that has printed on the ballot at the last preceding nonpresidential election a candidate for attorney general or secretary of state, and the candidate received at least five percent of the total vote cast for the office the candidate was seeking at the election are entitled to organize according to the requirements of chapter 16.1-03.

16.1-11-31. Precinct election reports.

Optical scan ballot tabulation machines must print reports detailing the election results from the precinct after the close of the polls.

16.1-11-32. Poll lists kept by clerks of elections.

The clerks of primary elections shall keep either one paper or one electronic list of the names of all persons voting at each primary election. The clerks must return the list, which must be a part of the records and filed with other election returns. Only one complete list of voters may be kept whether or not a special election is held simultaneously with the primary election.

16.1-11-33. Judges of election to run report of primary election — Contents.

The judges of a primary election in each precinct shall run a separate report for each political party or principle, containing the names of all persons voted for at the primary election, the number of votes cast for each candidate, and for what office. The report must be subscribed by the election judges and must be filed with the returns in the office of the county auditor.

16.1-11-34. Counting and canvassing of votes in presidential preference contest.

Repealed by S.L. 2005, ch. 185, § 18.

16.1-11-35. Nominations by write-in.

The provisions of this title do not prevent any elector from writing on the paper ballot, or in the case of direct-recording electronic voting system devices, entering by touchscreen or other data entry device, the name of any person for whom the elector desires to vote, and such vote must be counted according to the provisions for the counting of write-in votes found in section 16.1-12-02.2.

16.1-11-36. Vote required at primary election for nomination.

A person may not be deemed nominated as a candidate for any office at any primary election unless that person receives a number of votes equal to the number of signatures required, or which would have been required had the person not had the person's name placed on the ballot through a certificate of endorsement, on a petition to have a candidate's name for that office placed on the primary ballot.

16.1-11-37. Vote required for nomination on no-party ballot — Partisan nominations prohibited.

The number of persons to be nominated as candidates for any one no-party office must be that number of persons who receive the highest number of votes and who total twice the number of available positions for the office if that many persons are candidates for nomination. Provided, however, that a person may not be deemed nominated as a candidate for any no-party office at any primary election unless the number of votes received by the person equals the number of signatures of qualified electors required to be obtained on a petition to have a candidate's name for the office placed on the primary ballot. No partisan nominations may be made for any of the offices mentioned in section 16.1-11-08.

16.1-11-38. Tie vote determination.

In case of a tie vote the nominee or nominees must be determined by a drawing of names in the presence of the candidates upon at least five days' notice to each candidate, by the canvassing board or boards concerned, at a time and place designated by the board. A candidate involved in a tie vote may withdraw the candidate's name from consideration if the candidate is willing to sign a statement to that effect in the presence of and witnessed by the filing officer of the election. If no candidates remain, the office is to be filled according to the rules of filling an office when a vacancy exists.

16.1-11-39. Persons nominated in accordance with provisions of chapter eligible as candidates in general election.

CHAPTER 16.1-11.1 – Mail Ballot Elections

16.1-11.1-01. Counties may conduct mail ballot elections — Polling places — Records.

1. The board of county commissioners of a county may conduct an election by mail ballot. The mail ballot election must include city elections administered by the county auditor and may include any other election administered by the county auditor pursuant to an agreement with the governing body of a political subdivision within the county. The board shall designate one or more polling places in the county to be open on the day of the election for voting in the usual manner. The county auditor shall place a notice at all polling places in the county used at the last statewide election which states the location of the polling places open for the election. The county auditor shall keep a record of each mail ballot provided to qualified electors and provide to the election board at each polling place open on the day of the election a list of every person who applied for a mail ballot.
2. The board of county commissioners of a county may conduct an election partially by mail ballot. If the board of county commissioners chooses to conduct an election partially by mail ballot, the commission may use mail ballots for any precinct in which fewer than four hundred votes were cast for the office of governor at the last general election at which that office was on the ballot.

16.1-11.1-02. Application for mail ballots.

The county auditor shall mail an application form for a mail ballot to each individual listed in the central voter file for the county on one date no sooner than the fiftieth day before the election and no later than the fortieth day before the election. The county auditor, for two consecutive weeks after the date on which the mail ballot applications are mailed, shall publish in the official newspaper of the county an application form for a mail ballot and a notice that additional mail ballot applications may be obtained from the election official. The application form for a mail ballot must be in substantially the form provided in section 16.1-07-06.

16.1-11.1-03. Mail ballot distribution.

The county auditor shall mail an official mail ballot with a return identification envelope, voter's affidavit, and instructions according to section 16.1-07-08.

16.1-11.1-04. Voting by electors.

Upon receipt of a mail ballot, an elector shall mark it, sign the return identification envelope, and comply with the instructions provided with the ballot. The elector may return the completed ballot to the county auditor by mail or, before five p.m. on the day before the election, to any other place of deposit designated by the auditor. If the elector returns the ballot by mail, the elector shall provide the postage, and the ballot must be postmarked no later than the day before the election.

16.1-11.1-05. Replacement ballots.

An elector may obtain a replacement ballot if a mail ballot is destroyed, spoiled, lost, or not received by the elector. The elector seeking a replacement ballot shall make the elector's request of the county auditor or appropriate election officer no later than four p.m. on the day before the election.

16.1-11.1-06. Canvass of votes — Mail ballot precinct.

The county auditor shall appoint a mail ballot precinct election board for the purpose of counting mail ballots in the same manner as prescribed in section 16.1-07-12.1. The board may begin scanning the ballots at any time beginning on the day before election day and the closing of the polls on election day. Results from the mail ballot precinct may be counted, canvassed, or

released under chapter 16.1-15 as soon as any precinct within the county, city, or legislative district closes its polls on the day of the election. The county auditor shall designate a location for the closing, counting, and canvassing process under chapter 16.1-15, which location must be open to any person for the purpose of observing. The board shall comply with the requirements of sections 16.1-15-04 through 16.1-15-12 as applicable. A county conducting a mail ballot election constitutes one voting area, and ballots need not be sorted according to precinct or ward unless necessary for the administration of the election.

16.1-11.1-07. Counting of mail ballots.

A mail ballot may be counted only if:

1. The ballot is returned in the return identification envelope with a postmark or official date stamp of at least the day before the election and received prior to the meeting of the canvassing board;
2. The envelope is signed by the elector to whom the ballot is issued; and
3. The signature has been verified by the election board with the signature on the elector's mail ballot application form.

16.1-11.1-08. Election laws applicable.

When applicable, all election procedures provided in this title must be followed.

CHAPTER 16.1-12 – Certificates of Nomination — Vacancies

16.1-12-01. Certificate of nomination — Party and independent.

A certificate of nomination must be either:

1. The certificate of nomination required to be executed by the state or a county canvassing board pursuant to sections 16.1-15-40 and 16.1-15-21, respectively, for party nominations.
2. The certificate of nomination by petition for independent nominations provided for by this chapter.

16.1-12-02. Certificates of nomination by petition — Form and contents.

Certificates of nomination for nominees for an office to be filled at a general or special election, except for an office appearing on the no-party ballot, may be made as provided by this section. Except for nominees for president of the United States, names of nominees so nominated must appear on the ballot as independent nominations. The names of nominees for president of the United States may appear on the ballot with a designation, not to exceed five words, that names the organization or political party to which the presidential candidate affiliates. The designation may not falsely indicate an affiliation with or the support of any political party organized in accordance with this title or include any substantive word or phrase that is profane or that is already included in or resembles the name of a political party entitled to a separate column under section 16.1-11-30. Except for candidates for the office of president of the United States, each certificate of nomination by petition must meet the specifications for nominating petitions set forth in section 16.1-11-16. A political party or organization desiring to submit to the secretary of state the name of a qualified candidate for the office of the president of the United States may begin gathering the signatures for the certificate of nomination on the first day of January of a presidential election year and shall submit the petition to the secretary of state before four p.m. on the sixty-fourth day before the general election. The signatures on the petition must be in the following number:

1. Except as provided in subsection 3, if the nomination is for an office to be filled by the qualified electors of the entire state, there must be no fewer than one thousand signatures.
2. If the nomination is for an office to be filled by the qualified electors of a district less than the entire state, the number of signatures must be at least two percent of the resident population of the district as determined by the most recent federal decennial census, but in no case may more than three hundred signatures be required.
3. If the nomination is for the office of president, there must be no fewer than four thousand signatures and the petition must contain the names of the presidential and vice presidential candidates along with the names of the North Dakota presidential electors selected from the qualified electors of North Dakota.
4. If the petition is for the office of governor or lieutenant governor, it must contain the names and other required information of candidates for both those offices.

16.1-12-02.1. Applicant's name placed upon ballot — Affidavit to accompany petition.

Upon receipt by the secretary of state of the certificate of nomination provided for in section 16.1-12-02 accompanied by the following affidavit, the secretary of state shall place the applicant's name upon the general election ballot. The affidavit must be substantially as follows:

16.1-12-02.2. Counting of write-in votes — Certificate of candidacy by write-in candidates.

1. An election board or canvassing board may not count or be required to officially report any write-in vote for any:
 - a. Individual who is required to file a certificate of write-in candidacy under this section but who has not filed a certificate of candidacy and been certified as a write-in candidate.
 - b. Fictitious person or individual clearly not eligible to qualify for the office for which the vote was cast.
 - c. Statement concerning the candidates.
 - d. Name written or printed by the voter for an office that did not also include the darkening of the oval next to the write-in line, except that a write-in candidate for a nonfederal office may make a timely written demand to a county canvassing board to identify and preserve any write-in vote cast for the office sought by the write-in candidate for canvass by the board. The candidate shall deliver the demand to the county auditor and a copy to the county recorder no later than thirty-six hours before the time the county canvassing board is scheduled to meet. A demand only may be made if the unofficial election results maintained by the county auditor demonstrate that the write-in candidate's known vote total is within the pertinent percentage limits provided in subsection 1 or 2 of section 16.1-16-01 and a statement to that effect is included in the demand. After delivery of the ballots as provided by section 16.1-15-08, the canvassing board shall review the ballots to identify any ballot that contains a write-in vote. The county canvassing board shall tally and canvass any write-in vote in the same manner as lawful or qualifying write-in votes if the canvassing board is able to clearly ascertain the intent of the voter from examining the ballot because the write-in candidate's name has been written on the ballot opposite the office to be voted for or because of any other cogent evidence of intent.
 - e. Write-in votes which constitute five percent or less of the votes cast by the voters for the candidate receiving the most votes for that office, except in the case of a primary election in which enough votes were cast as write-in votes to qualify a name for the general election ballot. This percentage is to be calculated based on the total number

- of write-in votes tabulated by the voting equipment in the precincts of the county in which that office was on the ballot.
- f. Write-in votes that do not need to be individually canvassed based on the requirements of this subsection must be listed on the official canvass report as “scattered write-ins”.
 2. An individual who intends to be a write-in candidate for president of the United States or for statewide or judicial district office at any election shall file a certificate of write-in candidacy with the secretary of state by four p.m. on the twenty-first day before the election. The certificate must contain the name and address of the candidate and be signed by the candidate. Before the thirteenth day before the election, the secretary of state shall certify the names of the candidates to each county auditor as write-in candidates.
 3. An individual who intends to be a write-in candidate at the general election for president of the United States shall file a certificate of write-in candidacy with the secretary of state by four p.m. on the twenty-first day before the general election. The certificate must contain the names and addresses of the candidates for presidential electors for that presidential candidate and a certification of acceptance signed by each candidate for elector. The candidate shall sign the certificate. The certificate may also include the name and address of a candidate for vice president of the United States and a certification of acceptance signed by that candidate. The secretary of state shall prescribe the form of the certificate of write-in candidacy and the certification of acceptance. Before the thirteenth day before the election, the secretary of state shall certify the names of the presidential candidates and the presidential electors to each county auditor as write-in candidates.
 4. An individual who intends to be a write-in candidate for any legislative district office shall file a certificate of write-in candidacy with the secretary of state. The certificate must contain the name, address, and signature of the candidate. Certificates must be filed by four p.m. on the fourth day before the election. When the candidate files a certificate, the candidate also shall file the contribution statement provided for under section 16.1-08.1-02 complete through the day of the filing of the certificate.
 5. A certificate under this section is not required when:
 - a. No names will appear on the ballot for an office;
 - b. The number of candidates appearing on the ballot for an office is less than the number to be elected; or
 - c. The number of candidates appearing on the ballot for a party office is less than the number of nominations a party is entitled to make.
 6. An individual required to file a certificate of write-in candidacy may not seek more than one office appearing on the primary and general election ballots.

16.1-12-02.3. Nominating petition for an independent candidate not to be circulated more than one hundred fifty days before filing time — Special election.

A petition provided for in this chapter may not be circulated or signed more than one hundred fifty days before the date when any petition must be filed under this chapter. Any signatures to a petition obtained more than one hundred fifty days before that date may not be counted. A nominating petition for a special election may not be circulated or signed more than thirty days before the date when the petition must be filed.

16.1-12-03. Certificate of nomination to contain only one name — Person to participate in only one nomination — Exception.

No certificate of nomination provided for by this chapter, except in the case of presidential electors, may contain the name of more than one nominee for each office to be filled. A person

elected or appointed to an office appearing on the no-party ballot or seeking nomination and election to a no-party office may also seek nomination to legislative office and may serve in the legislative assembly, unless the no-party office is the office of district court judge, or a statewide elective office. Except as may be permitted in this section, no person may participate directly or indirectly in the nomination of more than one person for each office to be filled on the general election ballot, except a person may sign a certificate of nomination by petition for more than one person for each office, and no person may accept a nomination to more than one office on the general election ballot. No political party is entitled to more than one set of nominees on the official general election ballot.

16.1-12-04. Certificates of nomination — Time and place of filing.

1. Certificates of nomination for nominees for offices to be filled by the qualified electors of the entire state must be filed with the secretary of state. Not less than fifty-five days before any general or special election to fill any statewide office, the secretary of state shall electronically transmit a certified list to each county auditor the names and addresses of the persons nominated for statewide office according to this chapter as shown on the certificates of nomination filed in the secretary of state's office.
2. Certificates of nomination for nominees for county offices must be filed with the county auditor of the county in which the candidate resides.
3. Certificates of nomination must, without regard to the means of delivery, be filed and in the actual possession of the appropriate officer not later than four p.m. on the sixty-fourth day prior to the day of election.
4. The secretary of state and the county auditors shall keep on file for six months all certificates of nomination filed with them under this chapter and all certificates of nomination must be open to public inspection during regular business hours.

16.1-12-05. Secretary of state to certify nominations to county auditor — Duty of county auditor.

Repealed by S.L. 1997, ch. 200, § 4.

16.1-12-06. Person nominated by more than one party — Column in which name placed.

When one person has been nominated for the same office by more than one body of electors qualified to make nominations for public office, the nominee shall file with the secretary of state or before the last day fixed by law for filing certificates of nomination for the office, a signed statement designating the column on the official ballot in which the nominee desires the nominee's name to appear. The column so designated must be the column allotted to one of the bodies of electors by whom the person was nominated. In the absence of a timely written designation as provided by this section, the secretary of state shall place the person's name in the column allotted to the body of electors from which was first received notice of the person's nomination.

16.1-12-07. If nominee declines — Certificate void.

Any person intending to decline a nomination shall do so by filing written notice of that intention with the officer with whom the certificate nominating the person is filed. If the written notice is filed with the appropriate officer before four p.m. on the sixty-fourth day before the election, the nomination is void. If written notice is mailed, it must be in the physical possession of the appropriate officer before four p.m. on the sixty-fourth day before the election.

16.1-12-08. Vacancy occurring on ballot before election day but after ballots are printed — Stickers used.

Repealed by S.L. 2001, ch. 203, § 9.

16.1-12-09. Filling vacancy existing on no-party ballot — Petition required — Time of filing.

Whenever a vacancy exists on a no-party ballot for a state office or for judge of a district court, such vacancy may be filled by filing with the secretary of state, before four p.m. on the sixty-fourth day, a written petition as provided in section 16.1-11-06, stating that the petitioner desires to become a candidate for election to the office for which a vacancy exists. If the petition is mailed, it must be in the physical possession of the secretary of state before four p.m. on the sixty-fourth day prior to the general election. The petition for the nomination of any person to fill such vacancy must be signed by qualified electors equal in number to at least two percent of the total vote cast for the office of governor in the state or district, at the most recent general election at which the office of governor was voted upon, but in no case may more than three hundred signatures be required.

Whenever a vacancy exists on a no-party ballot in a county or district within a county, the vacancy may be filled by filing with the county auditor before four p.m. of the sixty-fourth day a written petition as provided in section 16.1-11-11, stating that the petitioner desires to become a candidate for election to the office for which a vacancy exists. If such petition is mailed or otherwise delivered, it must be in the possession of the county auditor before four p.m. on the sixty-fourth day prior to the general election. The petition for the nomination of any person to fill the vacancy must be signed by qualified electors equal in number to at least thirty percent of the total vote cast for the office of governor at the most recent general election in the county or district at which the office of governor was voted upon, but in no case may more than three hundred signatures be required.

A vacancy in the no-party ballot must be deemed to exist when:

1. A candidate nominated at the primary election dies, resigns, or otherwise becomes disqualified to have the candidate's name printed on the ballot at the general election.
2. No candidates were nominated at the primary election because the office did not yet exist.
3. The timing of the vacancy in an office makes it impossible to have it placed on the primary ballot.

CHAPTER 16.1-13 – General Elections

16.1-13-01. Date of general election.

The general election must be held in all the election districts of this state on the first Tuesday after the first Monday in November of each even-numbered year.

16.1-13-02. Officers to be elected at general election.

All elective state, district, and county officers, and the United States senators, and the members of the United States house of representatives, must be elected at the general election next preceding the expiration of the term of each such officer. In a year when a president and vice president of the United States are to be chosen, a number of presidential electors equal to the number of senators and representatives to which this state is entitled in the Congress of the United States must be elected at such general election.

16.1-13-03. Secretary of state to give notice to county auditor of officers to be elected.

Not later than seventy days prior to the date of election, the secretary of state shall electronically transmit to the county auditor of each county a notice specifying each officer to be chosen at the next general election. This same information shall be made available to the public by the secretary of state at that time. The publication of the sample ballot by the county auditor constitutes the notice of the secretary of state in regard to the offices and candidates to be voted upon at the general election.

16.1-13-04. Candidates' names placed on official general election ballot.

The names of all candidates of each political party or principle or no-party designation, who are shown to have been nominated for the several offices in accordance with the certificates of nomination filed in the secretary of state's office, must be placed by the secretary of state on the official ballot to be voted for at the next general election.

16.1-13-05. Notice of election — Contents — Publication with sample ballot.

Notice of all general elections must be published by the county auditor in the official county newspaper at the same time as, and as a part of, the publication of the sample ballot preceding the election. The notice must be substantially as follows:

Notice is given that on Tuesday, November _____, _____, at the polling places in the various precincts in the county of _____, an election will be held for the election of state, district, and county officers, which election will be opened at _____ a.m. and will continue open until _____ p.m. of that day with the following exceptions:

Dated _____, _____
Signed _____
County Auditor

The county auditor shall publish a copy of the sample ballot of the general election once each week for two consecutive weeks before the election in the official county newspaper. If no newspaper is published in the county, the publication must be in a newspaper published in an adjoining county in the state. The form of the sample ballot as ordered and arranged by the county auditor must conform in all respects to the form prescribed by the secretary of state for the sample general election ballot. The county auditor shall publish the sample ballot in all forms appropriate for the method or methods of voting in the county. Absentee voter ballots may not be considered in determining which form of voting is used. Candidates from each legislative district which falls within the boundaries of the county must be listed in a separate box or category within the sample

ballot by legislative district number to enable the voters in each legislative district to ascertain the legislative candidates in their specific district. Sample ballots used for publication purposes must be arranged using the rotation of the ballot in the precinct in the county which cast the highest total vote for governor at the last general election at which the office of governor was filled. The notice must include a statement in substantially the following format:

The arrangement of candidate names appearing on ballots in your precinct may vary from the published sample ballots, depending upon the precinct and legislative district in which you reside.

16.1-13-06. Defeated primary candidate ineligible to have name printed on general ballot — Exception.

Except to fill a vacancy occurring on the ballot, an individual who was a candidate for nomination by any party or a candidate for a no-party office at any primary election in any year and who was defeated for the nomination may not have that individual's name printed upon the official ballot at the ensuing general election for the same office.

16.1-13-07. Preparation, printing, distributing, canvassing, and returning of no-party ballot.

The no-party ballot must be prepared, printed, distributed, canvassed, and returned in the same manner provided for other general election ballots.

16.1-13-08. Filling vacancy in office of United States senator.

When a vacancy occurs in the office of United States senator from this state, the governor shall issue a writ of election to fill the vacancy at the next statewide primary or general election, whichever occurs first, and that occurs at least ninety days after the vacancy. However, if the next primary or general election at which the vacancy could be filled occurs in the year immediately preceding the expiration of the term, then no election may be held. The governor, by appointment, may fill the vacancy temporarily, but any person so appointed shall serve only until the vacancy is filled by election or until the term expires if no election can be held.

16.1-13-08.1. Special election to fill a vacancy in the United States House of Representatives due to a catastrophic circumstance.

If a vacancy occurs in the office of representative in Congress due to a catastrophic circumstance in which one hundred or more representatives across the United States are no longer able to serve and the next regular or special election is more than seventy-five days in the future, the governor shall immediately issue a writ of election calling a special election to fill the vacancy. The date of the election shall be forty-nine days from the date of the proclamation and the following deadlines shall apply:

1. Certificate of endorsement as described in section 16.1-11-09, affidavits of candidacy described in section 16.1-11-10, and statements of interest described in section 16.1-09-03 for those candidates nominated by political parties currently established in the state shall be filed with the secretary of state by four p.m. on the fortieth day before the election.
2. If the election occurs in an election year, the precincts previously established by the county shall be utilized.
3. If the election occurs in a year without a scheduled election, the board of county commissioners must establish the precinct boundaries by the fortieth day before the election.
4. The secretary of state shall certify to the county auditors the names of the candidates for the election on the thirty-ninth day before the election.

5. Absentee ballots shall be made available to qualified electors by the thirtieth day before the election.

16.1-13-09. Resignation of members of legislative assembly after certificate of election.

Any person who receives a certificate of election as a member of the legislative assembly may resign such office although the person may not have entered upon the execution of the duties thereof nor taken the requisite oath of office.

16.1-13-10. Vacancy existing in office of member of legislative assembly.

1. If a vacancy in the office of a member of the legislative assembly occurs, the county auditor of the county in which the former member resides or resided shall notify the chairman of the legislative management of the vacancy. The county auditor need not notify the chairman of the legislative management of the resignation of a member of the legislative assembly when the resignation was made under section 44-02-02. Upon receiving notification of a vacancy, the chairman of the legislative management shall notify the district committee of the political party that the former member represented in the district in which the vacancy exists. The district committee shall hold a meeting within twenty-one days after receiving the notification and select an individual to fill the vacancy. If the former member was elected as an independent candidate or if the district committee does not make an appointment within twenty-one days after receiving the notice from the chairman of the legislative management, the chairman of the legislative management shall appoint a resident of the district to fill the vacancy. Except as provided in subsection 2, if eight hundred twenty-eight days or more remain until the expiration of the term of office for that office, the individual appointed to fill the vacancy shall serve until a successor is elected at and qualified following the next general election or special election called by the governor according to subsection 2 to serve for the remainder of the term of office for that office.
2. The qualified electors of a legislative district in which a vacancy in the legislative assembly occurs may petition for a special election to be called by the governor to fill the vacancy. The petition must include the signatures of qualified electors equal in number to four percent of the resident population of the legislative district as determined by the last federal decennial census and must be presented to the secretary of state within thirty days following an appointment being made according to subsection 1. If the secretary of state determines the petition contains the required number of signatures of qualified electors of the affected legislative district, the secretary of state shall notify the governor that a special election is required to be called to fill the vacancy. Upon receiving such notice, the governor shall issue a writ of election directed to the county auditor of each affected county commanding the county auditor to hold a special election to fill the vacancy at a time designated by the governor. A special election under this section must conform to the applicable election deadlines found in this title and may be called to coincide with a regularly scheduled primary or general election provided the special election is called by the fifteenth day before the deadline for candidates to file for office before a regularly scheduled primary or general election. A special election under this section may not be scheduled to occur during the time from a general election through eighty days following the adjournment of the next ensuing regular session of the legislative assembly.
3. The secretary of state must be notified of an appointment made by a district committee or the chairman of the legislative management according to this section. Upon notification, the secretary of state shall issue the appointee a certificate of appointment and an oath of office for the appointee to complete and file with the secretary of state.

16.1-13-11. Vacancy occurring in legislative assembly during session — Duty of governor.

Repealed by S.L. 2001, ch. 209, § 3.

16.1-13-12. Notice of special election.

A notice of a special election and the copy of the sample ballot must be issued and published in substantially the form and manner prescribed by section 16.1-13-05.

16.1-13-13. Canvassing and returning votes cast at elections to fill vacancies.

Votes cast at special elections must be canvassed and returned as provided for primary and general elections, and the county auditor within eight days shall forward to the secretary of state the abstracts of the same.

16.1-13-14. Special election to fill vacancies — Party committee to call convention to nominate — Individual nominations.

If a special election is called to fill a vacancy in any office for which a party nomination may be made, the proper party committee shall call a convention to make a party nomination for such office, and the precinct committeemen of the district must be duly convened and shall elect the required number of delegates to such convention. Individual nominations for special elections must be made in accordance with the provisions of chapter 16.1-12.

16.1-13-15. Notice of holding convention for special election — Manner of giving.

Public notice of such a nominating convention must be given at least six days before the holding of the convention by publication in the official newspaper in the county or counties in which the election will be held. Such nomination must be made by delivering to and leaving with the officer charged with directing the printing of the ballots upon which the name is to be placed, within the time prescribed in this title, a certificate of nomination for each candidate.

16.1-13-16. Basis of representation at convention — How determined.

The basis of representation of delegates to a convention, unless otherwise provided by law, must be fixed and determined by the authorized district or state committee of each political party entitled by law to make nominations for office by delegate convention.

16.1-13-17. Certificate of nomination by convention — Contents — Delivery.

All nominations made by a convention as provided in this chapter must be certified. The certificates of nomination must be in writing and must contain all of the following:

1. The name of each person nominated, that person's post-office address, telephone number, the office for which that person is nominated, the legislative district number if applicable, and whether the certificate is intended for an unexpired term of office if applicable.
2. A designation in not more than five words of the party or principle which the convention represents.
3. The signature, post-office address, and verification of the presiding officer and secretary of the convention.

The certificate as prescribed in this section must be delivered by the secretary or president of the convention by registered or certified mail or in person, without charge, to the secretary of state or the county auditor, as the case may be.

16.1-13-18. Two or more organizations filing certificates representing same party — Secretary of state to determine authorized organization — Review of determination.

If two or more organizations claiming or purporting to represent the same political party shall file certificates of nomination under the same party designation, or if the certificates indicate that the nominations were made by any person or organization representing the same political party, the secretary of state, within the time prescribed by law for certifying state nominations to the county auditor, shall determine from the best available sources of information which organization filing the certificates is the legally authorized representative of the party. The decision of the secretary of state in determining which organization is the legally authorized representative of the party is subject to review by the district court in a proper action instituted for such purpose.

16.1-13-19. Election not to be held in room where alcoholic beverages sold.

No election may be held in a room in which alcoholic beverages commonly are sold.

16.1-13-20. Examination of ballot box before opening of polls — Regulations for ballot box while polls are open.

Before declaring the polls open, the inspector and the election judges shall inspect the ballot box to assure that it is empty. The ballot box must then be locked. While the polls are open, the ballot box must remain locked except as may be necessary to clear a ballot jam or to move voted ballots to a separate locked ballot box to make room for additional ballots.

16.1-13-21. Producing, opening, and delivering ballots on election day.

Upon arrival at the poll of all election board members, or at the latest, upon the opening of the poll, the inspector of election shall produce the sealed package of official ballots and publicly open them.

16.1-13-22. Delivering ballot to elector — Initialing.

The inspector or one of the election judges shall deliver ballots to the qualified electors. The inspector or judge delivering the paper ballot shall inform each elector that if the ballot is not initialed by an election official it will be invalidated and to protect the elector's right to vote the elector should verify that the ballot has been initialed. Before delivering any paper ballot to an elector, the inspector or judge shall initial the ballot. Failure to initial a paper ballot in the proper place does not invalidate the ballot, but a complete failure to initial a paper ballot does invalidate the ballot.

16.1-13-23. Preparation of ballot by elector — Depositing — Second-chance voting.

Upon receipt of a ballot within the provided secrecy sleeve, the elector, forthwith and without leaving the polling place, shall retire alone to one of the voting booths or compartments to prepare the elector's ballot by darkening the oval opposite the name of each person for whom the elector wishes to vote. In the case of a ballot containing a constitutional amendment, an initiated or referred measure, or any other question to be submitted to a vote of the people, the elector shall darken the oval opposite the word or words expressing the elector's wish. After preparing the ballot, the elector shall place the ballot back in the provided secrecy sleeve so it is concealed and so the endorsement of the inspector or election judge may be seen. The elector then shall deposit the ballot in the optical scanning device and wait to determine if the ballot is deposited into the ballot box or if the optical scanning device has indicated a possibility for a second-chance voting condition. If a second-chance voting condition is indicated, a voter may spoil and receive up to two additional ballots. The voter's third ballot must be cast as is even if errors exist causing certain votes not to be counted.

16.1-13-24. Voting on electronic voting system devices.

Except as provided in this section, voting procedures for electronic voting systems must be similar or as close as practicable to regular paper ballot voting. Voting procedures on direct-recording electronic voting system devices must follow as close as practicable the procedures for voting by paper ballot, with the exception of voting on a ballot display provided by electro-optical devices which shows the names and candidates and the questions to be voted on and which allows a voter to directly enter choices into electronic storage with the use of a touchscreen or other data entry device.

16.1-13-25. Elector may write name on ballot — Counting.

The provisions of this title do not prevent any elector from writing on the paper ballot, or in the case of direct-recording electronic voting system devices, entering by touchscreen or other data entry device, the name of any person for whom the elector desires to vote, and such vote must be counted according to the provisions for the counting of write-in votes found in section 16.1-12-02.2.

16.1-13-26. Name written or pasted on ballot evidence of vote without marking X.

Repealed by S.L. 2005, ch. 184, § 18.

16.1-13-27. Assistance to elector — Polling place accessibility.

Any elector may receive the assistance of any person of the elector's choice, other than the elector's employer, officer or agent of the elector's union, a candidate running in that election, or a relative of a candidate as provided in subsection 2 of section 16.1-05-02, in marking the elector's ballot. If the elector requests the assistance of a member of the election board, however, the elector shall receive the assistance of both election judges in the marking of the elector's ballot. No one assisting any elector in marking a ballot under this chapter may give information regarding the ballot. No elector, other than one who requests assistance, may divulge to anyone within the polling place the name of any candidate for whom the elector intends to vote, nor ask, nor receive the assistance of any person within the polling place to mark the elector's ballot. Parking facilities at polling places must be accessible to the elderly and the physically disabled and must be clearly marked.

16.1-13-28. Penalty for requesting voter to vote in certain manner.

Any person chosen to assist a voter who shall request the voter the person is assisting to vote for or against any person or any issue is guilty of a class B misdemeanor.

16.1-13-29. Election booths or compartments — Number required — Expense.

The inspector of elections shall provide a sufficient number of voting booths or compartments in the inspector's polling place, which must be designed to enable the elector to mark, or in the case of direct-recording electronic voting system devices, enter by touchscreen or other data entry device, the elector's ballot screened from observation. The number of booths or compartments in precincts may not be less than one for each one hundred fifty electors or fraction thereof in the precinct. The expense of providing the booths or compartments must be paid in the same manner as other election expenses. One electronic voting system device must be provided in each precinct.

16.1-13-30. One person to occupy booth — Time limit in booth.

Not more than one person may be permitted to occupy any one voting booth or compartment at one time except when providing lawful assistance. A person may not remain in or occupy a booth or compartment longer than necessary to prepare the person's ballot.

16.1-13-31. Removal of ballot from polling place before closing of polls — Prohibited.

No person may take or remove any ballot from the polling place before the close of the polls.

16.1-13-32. Securing new ballot upon spoiling of others.

If any elector spoils a ballot, the elector may obtain others successively, one at a time, not exceeding three in all, upon returning each spoiled ballot. Each paper ballot returned must be canceled immediately and, together with those not distributed to the electors, must be preserved and secured in sealed packages and returned to the county recorder.

16.1-13-33. Electronic voting systems — Election laws apply.

All provisions of law relating to the conduct of elections apply as closely as possible to elections at which electronic voting systems are used.

16.1-13-34. Voters casting ballots after regular poll closings — Provisional ballots.

An individual who votes after the regular poll closing time in an election in which a federal office appears as a result of a federal or state court order or any other order extending the time established for closing the polls under state law in effect ten days before the date of that election may only vote in that election by casting a provisional ballot. The ballot must be marked as a provisional ballot and must be separated and held apart from other ballots cast by those not affected by the order. The secretary of state shall approve the form of any provisional ballot and may prescribe any procedures the secretary of state determines to be necessary to facilitate the casting, secrecy, and counting of provisional ballots.

CHAPTER 16.1-14 – Presidential Electors

16.1-14-01. Canvassing votes for presidential electors — Tie vote.

The state canvassing board in examining and making a statement of the votes for, and in determining and certifying the persons chosen as, presidential electors shall proceed in the manner prescribed in this title for the canvass of votes for state officers. The secretary of state likewise shall file and record such statement and determination. In canvassing the returns for presidential electors, the group of electors having the greatest number of votes is to be declared elected. If two or more groups of electors are found to have an equal and the greatest number of votes, the election of one group must be determined by a drawing of names, with the governor drawing the names in the presence of the other members of the state canvassing board.

16.1-14-02. Secretary of state to prepare certificates of election.

The secretary of state shall prepare certificates of election for each presidential elector chosen at the election. Each certificate must be signed by the governor and the secretary of state and the great seal of the state must be affixed thereto. One certificate must be delivered to each of the electors chosen.

16.1-14-03. Proclamation of result by governor — Publishing — Certificate of election.

Within ten days after the state canvassing board completes the canvass of the votes cast for presidential electors, as certified by the auditors of the respective counties, the governor shall declare by proclamation, to be printed in the official county newspaper printed and published at the seat of government, the names of the persons who have received the highest number of votes returned for such office. If the election of such persons has not been contested by notice of contest having been filed with the governor within ten days after the date of such proclamation, then such persons must be deemed elected, and the governor shall transmit to each person so chosen a certificate of election.

16.1-14-04. Meeting of presidential electors.

Presidential electors shall meet at one p.m. in the office of the governor in the state capitol on the first Monday after the second Wednesday in December next following their appointments by election for the purpose of casting their ballots as members of the electoral college. The secretary of state shall notify the electors of the date of the meeting.

16.1-14-05. Filling of vacancy existing in office of presidential elector.

If a vacancy exists in the office of an elector for any reason, the electors present at the meeting provided for in section 16.1-14-04 shall first proceed to fill such vacancy by ballot by a plurality of the votes. When all the electors appear, or the vacancies have been filled as provided in this section, they shall proceed to perform the duties required of them by the constitution and laws of the United States.

16.1-14-06. Compensation of presidential electors.

The electors provided for in this chapter shall receive the same per diem and the same mileage as members of the legislative assembly.

16.1-14-07. Board for trial of contest of presidential electors — How constituted — Oath.

The board for the trial of contests of elections for presidential electors shall consist of the chief justice of the supreme court, who must be president of the board, and two judges of the district

court designated by the governor. If the chief justice is unable to attend at such trial, the next senior judge on the supreme court shall preside in place of the chief justice. The secretary of state must be the clerk of the board, or in the secretary of state's absence or inability to act, the clerk of the supreme court must be the clerk. Each member of the board, before entering upon the discharge of the member's duties, shall take an oath, before the secretary of state or some other officer qualified to administer oaths, that without fear, favor, affection, or hope of reward, the member will, to the best of the member's knowledge and ability, administer justice according to law and the facts of the case.

16.1-14-08. Contestant may apply to board.

A group of electors appearing, by the proclamation of the governor, to have received not less than one-fifth of the votes cast at an election for presidential electors, may apply to the board provided for in section 16.1-14-07 for a declaration of election as presidential electors.

16.1-14-09. Application to state grounds of contest.

The application provided for in section 16.1-14-08 must be made by petition in writing to be filed in the office of the secretary of state within ten days from the date of the proclamation provided for in section 16.1-14-03. The petition, regardless of its mode of delivery, must be in the possession of the secretary of state before four p.m. on the tenth day as provided in this section, and the secretary of state shall convene the board forthwith. The petition must set forth the names of the persons whose election is contested and the ground for such contest. The petitioner, before any proceedings are had upon the petition, except the convening of the board, shall file a bond to this state in a sum and with such surety as the board shall order, conditioned for the payment of all costs incurred in the prosecution of such contest in the case the contestants do not prevail.

16.1-14-10. Notice to persons contested.

Upon the filing of the petition and bond as provided in section 16.1-14-09, the board for the trial of an election contest shall order written notice of the petition to be given to the governor and to the persons whose election is contested. Notice must also be published in a newspaper as the board shall order. Notices provided for by this section must contain a concise statement of the facts alleged in the petition and a designation of the time and place fixed by the board for the hearing, which must be not less than three nor more than fifteen days from the filing of the petition.

16.1-14-11. Appearance by parties to contest.

At the time fixed for the hearing, the petitioners shall appear and produce their evidence, and the persons whose election is contested may appear and produce evidence in their behalf. Any party to the contest proceedings may appear in person or by attorney, and no other person is entitled to be made a party to the proceedings or to be heard personally or by counsel therein. If more than one petition is pending, the board, in its discretion, may order the contests to be heard together.

16.1-14-12. Hearing — How conducted.

The board shall hear the contest and decide all questions of law and fact involved. The burden of proof in each case must be upon the petitioners, and the hearing must be confined to the grounds stated in the petition, but the board in its discretion may allow the petition to be amended. No ex parte affidavits shall be competent evidence at the hearing. A person may not be excused from testifying or from producing papers or documents at the hearing on the grounds that such testimony will tend to incriminate the person, but no person so testifying may be subject to any suit or prosecution, civil or criminal, for any matter or cause in respect to which the person is examined or to which the person's testimony relates. The board has the same power to compel the

attendance of witnesses as the district courts of this state possess, and nothing contained in this chapter may be held to limit the power of the board to make such regulations as to the conduct of the proceedings as it may deem proper, not inconsistent with the provisions of this chapter. The board has all powers necessary to the complete performance of the duties and authority conferred upon it by this chapter.

16.1-14-13. Certification of determination of board.

The board shall determine in each case which of the parties to the proceedings are entitled to the office of elector, and shall cause its determination to be entered of record in a manner and form as it shall direct, and shall certify the same to the governor and secretary of state. The certified determination is final and conclusive that the persons stated therein are duly elected. The governor shall transmit to such persons their certificates of election, and every such certificate must recite that it is issued pursuant to a determination under the provisions of this chapter.

16.1-14-14. Failure of petitioners to appear — Effect.

If any petitioners fail to appear and prosecute their petition against the persons who have been made respondents thereto, according to the requirements of this chapter and of any rules made by the board, the board shall determine that they have failed, and shall cause the determination to be entered of record in such manner and form as it shall direct, and forthwith shall certify the determination to the governor and secretary of state. The determination is a final and conclusive bar to the claim of the petitioners against such respondents as fully and completely as if the claim had been heard and determined on its merits, and the governor shall issue certificates of election as provided in section 16.1-14-13.

16.1-14-15. Costs — Taxation.

The costs of an election contest under the provisions of this chapter must be taxed under the direction of the board. If two or more cases are heard together, the costs must be apportioned as the board shall direct. In each case in which the petitioners do not prevail, the costs must be paid by them, and in each case in which the petitioners prevail, the costs must be paid by the state. If the costs are required to be paid by the state, the board shall certify the costs to the office of management and budget, which shall issue a warrant upon the state treasurer in payment of the same.

16.1-14-16. Determination of final hearing.

The final hearing and determination under the provisions of this chapter must be by a majority of the board, but any single member may exercise any of the other powers given to the board by this chapter.

16.1-14-17. Mileage and per diem of board members.

The members of the board trying the presidential election contest must be compensated in the same manner as state officers pursuant to sections 44-08-04 and 54-06-09.

16.1-14-18. Eligibility of new residents to vote.

Each citizen of the United States who, immediately prior to the citizen's removal to this state, was a citizen of another state and who has been a resident of the precinct for less than thirty days prior to a presidential election, is entitled to vote for presidential electors at that election, but for no other offices, if:

1. The citizen otherwise possesses the substantive qualifications to vote in this state, except requirement of residence; and
2. The citizen complies with the provisions of sections 16.1-14-18 through 16.1-14-28.

16.1-14-19. Eligibility of former residents to vote.

Each citizen of the United States who was a qualified elector in this state immediately prior to establishing residence in another state and who has not qualified for voting purposes due to the residency requirement of that state may vote in North Dakota for president and vice president only, by applying for a separate ballot at least one day before the election in accordance with sections 16.1-14-20, 16.1-14-23, 16.1-14-24, 16.1-14-25, 16.1-14-26, and 16.1-14-27, provided the statements relative to new residents contained therein must, for this purpose, be changed by the county auditor and inspector of elections to comply with the provisions of this section.

16.1-14-20. Application for presidential ballot by new residents.

A person desiring to qualify to vote for presidential electors is not required to register but, not less than ten days in advance of the election, shall make an application in the form of an affidavit executed in duplicate in the presence of the county auditor substantially as follows:

16.1-14-21. Mailing duplicate application.

The county auditor shall immediately mail to the appropriate official of the state in which the applicant last resided the duplicate of the application.

16.1-14-22. Filing and indexing information from other states.

The county auditor shall file each duplicate application or other official information received by the county auditor from another state indicating that a former resident of this state has made application to vote at a presidential election in another state and shall maintain an alphabetical index thereof for a period of four months after the election.

16.1-14-23. Delivery of ballot to applicant.

If satisfied that the application is proper and that the applicant is qualified to vote at the presidential election, the county auditor shall deliver to the applicant a ballot for presidential electors no sooner than thirty days nor later than one day prior to the next presidential election.

16.1-14-24. Voting by new residents.

1. The applicant, upon receiving the ballot for presidential electors, shall immediately mark the ballot in the presence of the county auditor but in a manner that the official cannot know how the ballot is marked. The applicant shall then fold the ballot in the county auditor's presence to conceal the markings and deposit and seal it in an envelope furnished by the county auditor.
2. The voter shall enclose the envelope containing the ballot in a carrier envelope which must be securely sealed. There must be imprinted on the outside of the carrier envelope a statement substantially as follows:

CERTIFICATION OF NEW RESIDENT VOTER

The voter shall sign the certification upon the carrier envelope as set forth above and shall then deliver the sealed carrier envelope to the county auditor who shall keep the carrier

envelope in the county auditor's office until delivered by the county auditor to the inspector of elections of the precinct in which the applicant resides.

16.1-14-25. List of applicants open for public inspection.

The county auditor shall keep open to public inspection a list of all persons who have applied to vote as new residents with their names, addresses, and application dates for a period of two years.

16.1-14-26. Delivery and processing of presidential elector ballots.

1. The county auditor shall deliver the ballots for new residents to the inspector of elections in the manner prescribed by law for absentee ballots. The ballots must be processed in accordance therewith.
2. The inspector of elections shall record the new resident voter's name with a notation designating the person as a new resident voting for presidential electors only.

16.1-14-27. Application of other statutes.

Except as provided in sections 16.1-14-18 through 16.1-14-27, the provisions of law relating to absent voters' ballots apply also to the casting and counting of ballots of new residents, the furnishing of election supplies, ballots, canvassing of ballots, and making proper returns of the results of the election.

16.1-14-28. Definition of state.

As used in sections 16.1-14-18 through 16.1-14-27, "state" includes the District of Columbia.

CHAPTER 16.1-15 – Canvass of Votes — Canvassing Boards

16.1-15-01. Ballots void and not counted — Part of ballot may be counted.

1. In the canvass of the votes at any election, a ballot is void and may not be counted if:
 - a. It is not endorsed with the initials as provided in this title; or
 - b. It is impossible to determine the elector's choice from the ballot or parts of a ballot, and in the case of electronic voting systems, based upon the criteria established by the secretary of state for counting votes on each electronic voting system authorized for procurement and use in the state according to section 16.1-06-26.
2. With the exception that a voter must, for paper ballots, darken the oval next to the preprinted name of a candidate or the name of a write-in candidate written on the ballot, if a ballot is marked so only a part of the voter's intention can be determined, the election judges shall count such part. If an elector votes for more than the number of persons to be elected to any office, the elector's ballot may be invalidated only insofar as the elector's vote for such office is concerned, and the balance of the elector's ballot, if otherwise proper, may not be invalidated. However, at primary elections only, a party ballot is void if the elector votes for candidates of more than one party.

16.1-15-02. Board of election to generate canvass reports — Location — Public may attend.

After the polls are closed, the inspector of elections and the judges shall immediately generate the canvass report from the electronic voting system. The ballots counted by the machine must be equal in number with the names on the poll clerks' lists. If the numbers are not equal, the pollbooks are to be rechecked to find the discrepancy. The canvass shall continue without adjournment until completed and must be open to the public. Except in unusual and compelling circumstances, the canvass shall occur at the polling place. If good and substantial reasons exist for the removal of the ballots and election records to another location for canvass, the other location must be in the same precinct and the removal must be approved by the election board. In no case may the ballots be removed to another location prior to generating the canvass report after the ballot boxes have been opened. Upon approval of a change of location by the election board as provided in this section, the approximate time and location of the canvass must be prominently posted on the main entrance to the polling place, the ballots and records must be moved in the presence of the election board, and the canvass as provided in this chapter must proceed immediately upon arrival at the alternate location.

16.1-15-02.1. Alternative method for canvassing election for counties using or sharing electronic voting systems or electronic counting machines — County resolution board.

Repealed by S.L. 2005, ch. 191, § 28.

16.1-15-03. Manner of canvassing election.

Repealed by S.L. 2005, ch. 191, § 28.

16.1-15-04. Three canvass reports prepared by election board — One for county auditor and one for each political party.

The election board shall generate at least three canvass reports from the electronic voting system. The ballots may not be sealed, nor may the three canvass reports be signed, by the election board or poll clerk until the counts in the poll clerks' books and in the canvass reports all show the same totals for ballots cast. A signed canvass report is to be given to each judge so that the political parties have a record of the votes cast.

In the case of the absentee ballot precinct as authorized in section 16.1-07-12.1, early voting precincts as authorized in section 16.1-07-15, and mail ballot precinct as authorized in section 16.1-11.1-06, if the work of the election board is completed prior to close of the polls on election day, the election board shall create and sign a statement consisting of a reconciliation of the number of voters recorded in the pollbook and the number of ballots processed through the tabulators. The voting system shall then be secured in a manner prescribed by the county auditor that will protect the system and ballots from tampering. Prior to generating the canvass reports from one of these three types of precincts, an election judge representing each political party, or two election judges in the case of an election that does not include a political party contest, shall verify that the system and ballots remain secure and the statement created by the election board is still accurate.

16.1-15-05. Oath required of members of election board upon completion of canvass — Contents.

At the conclusion of the canvass of the votes, each member of the election board shall sign an affidavit to the effect that the ballots have been counted and the votes canvassed as provided in this chapter and that the returns as disclosed by the canvass reports agree with the number of ballots cast and are true and correct of the member's own knowledge.

16.1-15-06. Reports and pollbooks sent to county auditor — Compensation for making returns.

Immediately following the canvass, except in cases of emergency or inclement weather, the inspector of elections, or one of the judges appointed by the inspector of elections, personally shall deliver one of the signed canvass reports provided for in section 16.1-15-04 to the county auditor. The reports, carefully sealed under cover, accompanied by the pollbook provided for in sections 16.1-02-13 and 16.1-06-21 with the oaths of the inspector and poll clerks affixed thereto, must be delivered properly to the county auditor. The person making the return shall receive compensation therefor in accordance with section 16.1-05-05. The compensation and mileage must be paid out of the county treasury on a warrant of the county auditor and is full compensation for returning all used or voided ballots to the proper official.

16.1-15-07. County auditor not to refuse election returns if delivered in undirected manner — Informality in holding election.

A county auditor may not refuse any election returns because they may have been returned or delivered to the auditor in a manner other than that directed by this chapter, nor may the auditor refuse to include any returns because of any informality in holding an election or in making returns thereof.

16.1-15-08. Wrapping and returning of ballots to county recorder.

After generating the reports and poll lists provided for in section 16.1-15-06 for delivery to the county auditor, the election board shall cause the ballots containing lawful write-in votes cast at the election to be placed in a suitable wrapper to form a complete wrapper for the ballots. All ballots without write-in votes shall be wrapped in a similar manner. The ballots and wrappers must then be tightly secured at the outer end to completely envelop and hold the ballots together. Ballots that are void must be secured in a separate wrapper and must be marked "void". Ballots that are spoiled must be separately secured and marked "spoiled". In sealing ballots, the various classes of ballots must be kept separate. Each wrapper must be endorsed with the names or numbers of the precincts and the date on which the election was held. The wrappers must be sealed securely in a manner prescribed by the county auditor so the wrappers cannot be opened without an obvious and permanent breaking of the seal. The ballots, together with those found

void or spoiled, and the opened envelopes from voted absentee ballots and the unopened envelopes of absentee ballots rejected as defective, must be returned in person to the county recorder. At the meeting of the county canvassing board, the county recorder shall deliver the ballots containing lawful write-in votes from all the precincts within the county if these votes were not canvassed by the polling place election board on election night according to section 16.1-12-02.2. At the meeting of the county canvassing board, the county recorder shall deliver each ballot that may contain a write-in vote referenced in a demand made under subsection 1 of section 16.1-12-02.2. Ballots used with any electronic voting system or counted by an electronic counting machine must be sealed and returned as provided in this section.

16.1-15-09. Electronic voting systems — Electronic counting machines — Returns.

1. Election officers shall generate reports of votes cast upon electronic voting systems and counted on electronic counting machines for all candidates and for any measures or questions in the same manner as now or hereafter provided by law or rule insofar as such provisions of law or rule are applicable.
2. Within the ability of an electronic counting machine to accurately do so, all votes are to be counted by the machine. After the election results have been accumulated centrally in the county auditor's office, if the number or percentage of write-in votes for an office meet the criteria established in section 16.1-12-02.2, the county canvassing board shall canvass the votes for the write-in names for that office to determine final election results.
3. Votes cast upon a direct-recording electronic voting system must be tabulated from the voter's choices stored in the system's internal memory devices that are added to the choices of all other voters.
4. The county auditor shall designate the public place or places where electronic voting system ballots and ballots to be counted on electronic counting machines must be delivered by the election inspector and the two election judges to be counted in the presence of the election inspector and the two election judges. The county auditor shall designate the public place or places where votes cast upon direct-recording electronic voting systems are to be counted.
5. All counting centers used for counting votes cast upon electronic voting systems shall have tabulating equipment that has an element that generates a printed record at the beginning of its operation which verifies that the tabulating elements for each candidate position and each question and the public counter are all set at zero. The tabulating equipment must also be equipped with an element that generates a printed record at the end of its operation of the total number of voters whose ballots have been tabulated, the total number of votes cast for each candidate on the ballot, and the total number of votes cast for or against any measure appearing on the ballot. The election inspector and the two election judges must certify both printed records.
6. If any electronic voting system ballot or a ballot counted by an electronic counting machine is damaged or defective so that it cannot be properly counted by the automatic tabulating or electronic counting equipment, a true duplicate copy must be made by election officials of opposed interests and substituted for the damaged or defective ballot. All duplicate ballots must be clearly labeled duplicate, must bear a serial number that must be recorded on the damaged or defective ballot, and must be wrapped and delivered with other ballots to the county recorder.

16.1-15-10. Failure of automatic tabulating or electronic counting equipment — Counting by alternate method.

If the automatic tabulating or electronic counting equipment used as part of any electronic voting system, any electronic voting system device, or any electronic machine fails to operate during the ballot count at any election, the ballots must be counted by an alternate method.

16.1-15-11. Locking and examination of voting machines — Tally of voting machine votes — Certification to district judge or clerk of district court.

Repealed by S.L. 2003, ch. 171, § 33.

16.1-15-12. Care and custody of ballot boxes and voting machines.

Ballot boxes and voting machines are to be under the care and custody of the county auditor and assigned staff members.

16.1-15-13. County recorder to keep ballots — Exception — Use of ballots as evidence.

Immediately upon receiving the ballots as provided in section 16.1-15-08, the county recorder shall give a receipt to the election judges and shall place the ballots properly arranged in the order of the precinct number in boxes that shall be securely locked. The boxes must be placed in a fireproof vault and must be kept securely for forty-five days if the ballots do not contain federal offices and twenty-two months if the ballots contain federal offices. With the exception of the ballots containing lawful write-in votes that may be counted at the meeting of the county canvassing board, the ballots may not be opened nor inspected, except upon court order in a contested election, when it is necessary to produce them at a trial for any offense committed at an election, or to permit election officials to complete their duties. Either forty-five days or twenty-two months after the election dependent upon the retention schedule outlined in this section, upon determination by the county recorder that no contest is pending, the ballots must be destroyed. If any contest of the election of any officer voted for at the election or a prosecution under the provisions of this title is pending at the expiration of such time, the ballots may not be destroyed until the contest or prosecution is finally determined. The ballots returned to the county recorder as provided in this section must be received in evidence without introducing further foundation.

16.1-15-14. Failure to comply with formalities not to invalidate election — Evidence of compliance.

Failure by election board officers to comply with any of the formalities required by this chapter as to the return of the ballots does not invalidate any election nor cause any ballot otherwise regular to be disregarded. Any omission or irregularity in the manner of identifying or returning the ballots of any precinct may be obviated by proof under the ordinary rules of evidence.

16.1-15-15. County canvassing board — Composition.

The county canvassing board must be composed of the county recorder, county auditor, chairman of the board of county commissioners, and a representative of each of the two political parties that received the highest number of votes cast for governor at the most recent general election at which a governor was elected. An individual who served on an election board during the election may not serve as a political party representative on the canvassing board for that same election. The district chairmen of the political parties from each legislative district within the county shall appoint the respective political party representative. The county canvassing board must be comprised of at least five members, and both political parties must be represented. Each political party from each legislative district within a county may request representation on the canvassing board if there is equal representation from each of the political parties. For any special county election when the county is composed of more than one legislative district and the election

does not involve any legislative or statewide office, the county canvassing board must be composed of the county recorder, county auditor, chairman of the board of county commissioners, and one representative as appointed by the state chairman for each of the two political parties that received the highest number of votes cast for governor at the most recent general election at which a governor was elected.

16.1-15-16. Qualifications of members of canvassing board — Replacements — Quorum.

A member of the county canvassing board who has anything of value bet or wagered on the result of the election may not serve on the board. When a member of the county canvassing board is a candidate or husband, wife, father, mother, father-in-law, mother-in-law, son, daughter, son-in-law, daughter-in-law, brother, or sister, whether by birth or marriage, of the whole or the half-blood, of any candidate for any office for which that member canvasses the votes, the member must be removed from that portion of the canvass. If any of the members of the board other than the representatives of the two political parties are disqualified or cannot serve for any other reason, the county commissioners who would be qualified to serve on the board shall appoint alternates to serve in the place of those members of the board who are disqualified. If any of the representatives of the district committees of the two parties are disqualified or cannot serve for any other reason and if the party wishes to have representation, the district chairmen shall appoint an alternate from their respective district committees to act as a member of the county canvassing board. A majority of the confirmed members of the board or their duly appointed alternates constitute a quorum and may make the canvass provided for in this chapter and certify the results thereof.

16.1-15-17. Time of county canvassing board meeting — Oath required — Reconsideration of canvass.

On the sixth day following each election, the county canvassing board shall meet and, after taking the oath of office, shall proceed to open and publicly canvass the returns. After the initial meeting of the board as provided in this section, any two or more members may call a meeting of the board and upon approval of a majority of the members, the board shall recanvass the results of the election or any portion thereof and may correct any previous canvass or certification or both in regard to the election. Any correction of any previous certification of election results as provided in this section must be immediately dispatched to the secretary of state who shall call a meeting of the state canvassing board as provided in section 16.1-15-35 for the purpose of recanvassing and, if necessary, correcting any previous certification of the election results.

16.1-15-18. Compensation as members of board.

Each member of the county canvassing board who is not a paid official of the county, while serving as a member of the county canvassing board, shall receive compensation in accordance with section 16.1-05-05. The compensation and mileage must be audited, allowed, and paid by the board of county commissioners in each county.

16.1-15-19. County canvassing board to disregard technicalities, misspelling, and abbreviations — Write-in votes canvassed — Votes from unestablished precincts disregarded.

In canvassing the election returns, the county canvassing board shall disregard technicalities, misspelling, and the use of initial letters or abbreviations of the name of any candidate for office if it can be ascertained for whom the vote was intended. Pursuant to section 16.1-12-02.2, the board shall canvass all qualifying write-in votes. The board may not count votes polled in any place except at established precincts. The county canvassing board is authorized to initial all

absentee ballots cast pursuant to section 16.1-07-09 that were not considered or counted by election boards and to make a final determination of eligibility for all ballots which were rejected at the various precincts in the county for the reasons provided in sections 16.1-07-11 and 16.1-07-12.

16.1-15-20. County canvassing board may subpoena members of election board to correct errors — Failure to obey subpoena is a contempt.

When the returns of the election board officers are made to the county canvassing board, if any provision of law relative to the duties of the election board officers has not been complied with by said officers and the provision of law is capable of correction by the election board, the county canvassing board may issue its subpoenas to the election board officers of the precinct wherein the defect occurs. The subpoenas must require the election board officers to appear forthwith before the county canvassing board to correct any omission or mistake according to the facts. The amended or corrected returns then must be acted upon by the board. If any election board officer, subpoenaed as provided in this section, neglects or refuses to obey the subpoena, the person so neglecting or refusing must be arrested upon a bench warrant issued out of the office of the clerk of the district court in the county where the proceedings occur. The person arrested must be brought before the county canvassing board and shall make the necessary correction. A refusal on the part of an election board officer to make a correction must be deemed a contempt of the district court.

16.1-15-21. Primary election statement prepared by county canvassing board — Contents.

The county canvassing board, upon canvassing the returns of a primary election, shall prepare an abstract signed by the members of the board and filed in the office of the county auditor. The abstract must contain all of the following:

1. The names of all candidates voted for at the primary election with the number of votes received by each and for what office. The abstract must be made separately for each political party or principle.
2. The names of the persons or candidates of each political party or principle who receive the highest number of votes for the respective offices. If more than one person is required to be elected to a given office at the next ensuing general election, there must be included in the abstract the names of so many of the candidates of the party receiving the next highest number of votes for that office as there are persons to be elected to the office at said ensuing general election. The abstract must be made separately for each political party.
3. The total number of ballots cast at the primary election.

A separate abstract of the votes cast must be transmitted to the secretary of state according to reporting instructions specified by the secretary of state.

16.1-15-22. County auditor to transmit abstract of votes to secretary of state after primary election.

The county auditor of each county shall provide to the secretary of state the certified abstract detailed in section 16.1-15-21, under separate political designation or principle, or no-party designation, as the case may be, of the total number of votes cast in the auditor's county and the votes cast for every candidate for nomination according to reporting instructions specified by the secretary of state. The abstract must also include the total number of votes cast for initiated or referred measures and constitutional amendments. The certified abstract must be in the possession of the secretary of state before four p.m. on the eighth day after the primary election.

16.1-15-23. Notice of nomination given candidate for county office by county auditor — Publication of findings of canvassing board.

Upon the completion of the canvass of the returns of a primary election by the county canvassing board, the county auditor shall mail or deliver in person to each candidate nominated for any county office a certificate of the candidate's nomination and notice that the candidate's name will be placed on the official ballot. If the election results indicate that any candidate is entitled to a recount or to demand a recount pursuant to section 16.1-16-01, the county auditor may not prepare or deliver the certificate of nomination until the time to demand a recount has expired, or the recount results have been determined and the winner declared, whichever is later. Nomination notices for other than county offices must be given by the secretary of state pursuant to section 16.1-15-40. The county auditor shall cause a copy of the findings of the canvassing board to be published in the official newspaper of the county.

16.1-15-24. Abstracts of votes of general election made by county canvassing board — Contents.

The county canvassing board, when canvassing the returns of a general election, shall make abstracts of votes from the certified reports of the inspectors of elections according to the reporting instructions specified by the secretary of state.

16.1-15-25. County auditor to forward abstract of votes of general election to secretary of state — Contents — Abstract for presidential electors.

Within eight days and before four p.m. on the eighth day following any general election, the county auditor of each county shall provide to the secretary of state a certified abstract of the votes cast in the county at the election according to the reporting instructions specified by the secretary of state.

16.1-15-26. Notification of date of receiving returns in secretary of state's office.

An electronic notification of the date of reception of all returns of votes in the secretary of state's office must be made to each county auditor.

16.1-15-27. Abstract of votes — Secretary of state to record — Failure of county auditor to send — Messenger dispatched.

Upon receipt of the certified abstract of votes from the county auditors as provided in section 16.1-15-25, the secretary of state shall record the result of the election by counties and shall file and carefully preserve the certified abstracts received from the county auditors. If no certified abstract is received by the secretary of state from the county auditor of any county prior to the time specified for the meeting of the state canvassing board, the secretary of state shall dispatch a special messenger to obtain the abstract at the expense of the county. Upon demand, the county auditor shall make and deliver the required abstract to the special messenger who shall deliver it to the secretary of state to be recorded and filed as provided in this section. The messenger shall receive the same mileage expense as other state officers and employees. The state treasurer shall present a bill for the amount audited against the county failing to send returns as provided in this section, and the bill must be audited by the board of county commissioners of the county and paid by the county treasurer to the state treasurer.

16.1-15-28. Certificate of election for officers elected in county at general election.

Immediately after the canvass of the general election returns by the county canvassing board, the county auditor shall prepare a certificate of election for each of the persons having the highest number of votes for county offices and shall deliver the certificate to the person entitled thereto on the person's making application to the county auditor therefor. If the election results indicate that

any candidate is entitled to a recount or to demand a recount pursuant to section 16.1-16-01, the county auditor may not prepare or deliver the certificate of election until the time to demand a recount has expired or the recount results have been determined and the winner declared, whichever is later.

16.1-15-29. Determining tie vote in county offices.

If the requisite number of county officers are not elected because two or more persons have equal and the highest number of votes for one and the same office, a recount must be done pursuant to section 16.1-16-01. If a recount results in a tie vote, the county auditor shall give notice to the persons to appear at the county auditor's office at a time appointed by the county auditor. The persons then shall publicly decide by a drawing of names which of them must be declared elected. The county auditor shall prepare and deliver to the person elected an election certificate as provided in this chapter.

16.1-15-30. Determining tie vote for legislative assembly.

If the requisite number of persons are not elected to the state senate or house of representatives because two or more persons have equal and the highest number of votes for one and the same office, a recount must be done pursuant to section 16.1-16-01. If a recount results in a tie vote, the county auditor, if the legislative district in question is within one county, shall notify the secretary of state. The secretary of state shall notify the persons with equal and the highest number of votes to appear in the office of the secretary of state at a time fixed by the secretary of state. The time fixed may not be more than five days from the date the tie is determined by the county auditor. On the date fixed, the persons notified to appear shall publicly decide by a drawing of names which of them must be declared elected, and the secretary of state shall prepare and deliver to the person elected a certificate of election as provided in this chapter. If the legislative district in question is within the boundaries of more than one county, the county auditor of the county which cast the greater number of votes for the office of governor at the last election at which a governor was elected shall proceed in accordance with this section.

16.1-15-31. County auditor to make certificate for payment of election officials — Payment.

Upon receipt of the returns of any election, the county auditor shall prepare the county auditor's certificate stating the compensation to which the inspectors, judges, and clerks of election are entitled for their services. The county auditor shall deliver the certificate to the board of county commissioners at its next session and the board shall order the compensation to be paid out of the county treasury.

16.1-15-32. County auditor to publish returns of election.

The county auditor shall cause to be published in tabular form in the official county newspaper the vote by precincts for each officer and each proposition voted for at any primary, special, or general election. The publication must be paid for at a rate not to exceed the rate paid for publishing the proceedings of the board of county commissioners.

16.1-15-33. State canvassing board — Membership — Oath — Quorum — Compensation.

The clerk of the supreme court, the secretary of state, the state treasurer, and the chairman, or chairman's designee, of the state committee of the two political parties which cast the highest vote for governor at the last general election at which a governor was elected shall constitute the state canvassing board. The duties of the state canvassing board consist of examining the returns of votes cast at the elections received from the various counties, verifying the computed final

results in any reasonable manner adopted by the board and which may incorporate the use of any electronic technology or system approved by the secretary of state, and certifying the results on the basis of the canvass. After taking the oath required of civil officers, the board shall proceed to canvass publicly the election returns made by the county auditors. Three members of the board constitute a quorum and may make the canvass provided for in this chapter and certify to the result thereof. If less than a quorum attend on the day appointed for a meeting of the board, the members attending may summon other state officers until there is a sufficient number to constitute a quorum. Any other state officer, upon being notified by the members of the board, shall attend without delay and act as a member of the board. Members of the board may be compensated only for their expenses incurred in attending meetings in accordance with sections 44-08-04 and 54-06-09. The compensation must be paid from the appropriation to the secretary of state.

16.1-15-34. Member of state canvassing board — When disqualified.

A member of the state canvassing board who has anything of value bet or wagered on the result of the election may not serve on the board. When a member of the state canvassing board is a candidate or husband, wife, father, mother, father-in-law, mother-in-law, son, daughter, son-in-law, daughter-in-law, brother, or sister, whether by birth or marriage, of the whole or the half-blood, of any candidate for any office for which that member canvasses the votes, the member must be removed from that portion of the canvass. If a quorum still exists, the remaining members shall canvass the votes for that office. If a quorum does not exist, another state officer, summoned according to the authorization granted the state canvassing board in section 16.1-15-33, shall canvass the votes for that office.

16.1-15-35. Meeting of state canvassing board.

Not later than seventeen days next following a primary, general, or special election, the state canvassing board shall meet at the office of the secretary of state for the purpose of canvassing and ascertaining the result of the election. The secretary of state shall notify the members of the board of the date and time of the meeting.

16.1-15-36. Returns to be canvassed by state canvassing board.

The state canvassing board, in canvassing to ascertain the result of any election, shall canvass only the regular returns made by the county canvassing board as provided in this chapter.

16.1-15-37. Examination of abstracts by state canvassing board — Messenger dispatched to county when error discovered.

After the state canvassing board is formed, it shall examine the certified abstracts of the county canvassing boards and verify the computed final results as provided in section 16.1-15-33 and if it appears that:

1. Any material mistake has been made in the computation of votes cast for any person; or
2. The county canvassing board in any county has failed to canvass the votes or any part thereof cast in any precinct in its county,

the board may dispatch a messenger to the county auditor of the county, at the expense of the county, with the board's requirement in writing to the county auditor to certify the fact concerning the mistake or the reason why the votes were not canvassed. The county auditor, to whom the requirement is delivered, shall make a true and full answer thereto under the county auditor's hand and official seal and shall deliver the answer with all convenient dispatch to the secretary of state.

16.1-15-38. Adjournment of state canvassing board.

The state canvassing board may adjourn from day to day, not exceeding three days in all, except that the board may adjourn for the time necessary to await the return of a messenger dispatched as provided in section 16.1-15-37.

16.1-15-39. Disagreements in canvassing returns by canvassing board — Disregarding technicalities, misspelled words, and abbreviations.

In canvassing the returns and verifying the computed final results received from the various counties, a majority of the members of the state canvassing board shall decide all matters of disagreement. The board shall disregard all technicalities, misspelling, the use of initial letters, and the abbreviations of the names of candidates if it can be ascertained from the returns for whom the votes were intended.

16.1-15-40. Abstract prepared by state canvassing board for primary election — Contents — Signing — Candidate notified of nomination.

The state canvassing board shall prepare the certified abstract required by subsections 1, 2, and 3 of section 16.1-15-21 for primary elections. The certificate must be signed by the members of the board and filed in the office of the secretary of state. Upon completion of the canvass, the secretary of state shall mail to each candidate nominated a notice of the candidate's nomination stating that the candidate's name will be placed upon the official ballot to be voted for at the ensuing general election. If the election results indicate that any candidate is entitled to a recount or to demand a recount pursuant to section 16.1-16-01, the secretary of state may not prepare or deliver the notice of nomination until the time to demand a recount has expired, or the recount results have been determined and the winner declared, whichever is later. The secretary of state shall file a copy of the findings of the board and shall publish those findings in a newspaper printed in Burleigh County.

16.1-15-41. Statements of general or special election prepared by state canvassing board — Contents.

Upon receiving the certified abstracts on file with the secretary of state, the state canvassing board shall proceed publicly to examine and make statements of the whole number of votes cast at any general or special election for all state or district offices. The statements must show the names of the individuals for whom the votes were cast for the offices and the whole number of votes for each, distinguishing the several districts and counties in which they were cast.

16.1-15-42. Certificate of result of general or special election by state canvassing board — Secretary of state to receive.

The statements provided for in section 16.1-15-41 must be certified by the members of the state canvassing board, who shall subscribe their names to the statements. The board then shall determine what persons have been duly elected to the offices and shall prepare and subscribe on each statement a certificate of that determination and shall deliver the same to the secretary of state. The candidate or candidates to be elected for each office receiving the highest number of votes must be duly elected to the office. A person who was entitled to have the person's name appear on the primary election ballot, but whose name was not placed on the primary election ballot, may not be elected to a no-party office as a write-in candidate unless that person receives a number of votes equal to or more than the number of signatures which would have been required to have that person's name placed on the primary election ballot.

16.1-15-43. When special election ordered.

If a certificate of election cannot be issued for a judicial district office or a state office because any two or more persons have equal and the highest number of votes, the governor, by proclamation, shall order a new election.

16.1-15-44. Secretary of state to record statement of general or special election, prepare certificates of election, publish abstract.

After receiving each certified statement and determination made by the state canvassing board, the secretary of state shall record the same in the secretary of state's office and shall prepare, and transmit to each of the individuals declared to be elected, a certificate of election as provided in this chapter. If the election results indicate that any candidate is entitled to a recount or to demand a recount pursuant to section 16.1-16-01, the secretary of state may not prepare or deliver the certificate of election until the time to demand a recount has expired, or the recount results have been determined and the winner declared, whichever is later. The secretary of state shall cause a copy of the certified abstract and determination to be published in the official newspaper of Burleigh County.

16.1-15-45. Form of certificate of election for state officers — Signatures.

A certificate of election must be prepared by the secretary of state for each person elected to a state or a district office. The certificate, in substance, must be in the following form:

Given at Bismarck on _____, ____.

The certificate must be signed by the governor and the secretary of state, and must have the great seal of the state affixed, and must be attested by at least one of the other members of the state canvassing board.

16.1-15-46. Members of legislative assembly to receive certificates of election.

At the time election certificates are issued to state and district officers, the secretary of state shall issue certificates of election to all members of the legislative assembly.

16.1-15-47. Certificate of election to member of Congress — Signing — Delivering.

The certificate of election to a member of Congress must be signed by the governor with the great seal affixed and must be countersigned by the secretary of state. The governor shall cause the certificate to be delivered to the person elected.

16.1-15-48. Canvassing returns of constitutional amendment or other proposition — Certified abstract of result — Contents.

For the purpose of canvassing and ascertaining the result of the votes cast at any election upon any proposed amendment to the constitution, or any other proposition submitted to a vote of the people, the state canvassing board shall proceed to examine the abstracts received by the secretary of state from the county auditors to ascertain and determine the result. The board shall certify a statement of the whole number of votes cast for and the whole number of votes cast against an amendment or proposition, and it shall determine whether the amendment or proposition has been approved and ratified by a majority of the electors voting thereon, and a certificate of that determination must be prepared and subscribed on the statement.

16.1-15-49. Certified statement and determination of results of constitutional amendments and propositions recorded by secretary of state — Publishing.

The certified statement and determination provided for in section 16.1-15-48 must be recorded by the secretary of state. If it appears that a constitutional amendment or other proposition has been approved, ratified, or adopted, the secretary of state shall arrange for the text of the amendment or proposition and a record of the votes cast for and against it to be published in the session laws published after the next succeeding session of the legislative assembly.

CHAPTER 16.1-16 – Recounts and Contest of Elections

16.1-16-01. Election recounts.

A recount of any primary, special, or general election for nomination or election to a congressional, state, district, legislative, county, or city office, or for the approval or disapproval of any measure, question, or bond issue submitted to the qualified electors of this state or one of its political subdivisions must be conducted according to guidelines established by the secretary of state and as follows:

1. A recount must be conducted when:
 - a. Any individual failed to be nominated in a primary election by one percent or less of the highest vote cast for a candidate for the office sought.
 - b. Any individual failed to be elected in a general or special election by one-half of one percent or less of the highest vote cast for a candidate for that office.
 - c. A question, measure, or bond issue submitted to the qualified electors has been decided by a margin not exceeding one-fourth of one percent of the total vote cast for and against the question at any election.
2. A demand for a recount may be made by any of the following:
 - a. Any individual who failed to be nominated in a primary election by more than one percent and less than two percent of the highest vote cast for a candidate for the office sought.
 - b. Any individual who failed to be elected in a general or special election by more than one-half of one percent and less than two percent of the highest vote cast for a candidate for that office.
3. A demand for a recount must be made within three days after the canvass of the votes by the county canvassing board in the case of county elections and city elections that are combined with the county and by the state canvassing board in the case of presidential, congressional, state, judicial district, multicounty district, or legislative elections. The demand must be in writing, must recite one of the conditions in subsection 2 as a basis for the recount, must contain a bond in an amount previously established by the auditor or auditors doing the recount sufficient to pay the cost of the recount, and must be filed with:
 - a. The secretary of state when the recount is for a congressional, state, district, or legislative office.
 - b. The county auditor when the recount is for a county office or city office when a city election is combined with the county.
4. Within four days after the canvass of the votes by the state canvassing board in the case of presidential, congressional, state, judicial district, multicounty district, or legislative elections, the secretary of state shall notify all the county auditors to conduct recounts as required by subsection 1 and, when a timely recount demand is received and it is in proper form, as required by subsection 2. The secretary of state shall fix the date or dates of the recounts of legislative contests to be held within seven days after giving notice to the affected auditors that recounts must be conducted. The secretary of state shall fix the date or dates of the recounts of statewide races to be held within fourteen days after giving notice to the auditors that recounts must be conducted. Within four days after the canvass of votes by the county canvassing board or other political subdivision canvassing board, the county auditor or other political subdivision election official shall fix the date for recounts limited to the county, those cities within the county which combined the election with the county, or other political subdivision. The date must be within eight days after the canvass. In all recount proceedings, the county auditor or other election official, as appropriate, shall send notice of the date, place, and time of the recount to all candidates and petitioners involved by certified mail.

5. For recounts conducted by counties of federal, state, district, and county offices, measures, and questions, the county auditor must conduct the recount and may employ up to four qualified electors of the county to assist in the recount. The county auditor shall review all paper and electronic voting system ballots and associated records, whether the ballots were counted at the precinct or the county canvass, and all absentee ballots cast pursuant to section 16.1-07-09 to determine which ballots were cast and counted according to the law, including that the ballots were properly initialed and that the initials found on the ballots are verified as those of the precinct election board members. The county auditor shall check the precinct count and the count of the county canvassing board. If the county auditor is a candidate involved in the recount, the county auditor is disqualified from acting thereon, and the county recorder shall perform the duties required of the county auditor by this section. For recounts conducted by political subdivisions other than counties of local offices, measures, and questions, the election officer in a political subdivision shall administer a recount in the same manner as is required under this subsection for counties with respect to political subdivision ballot measures, questions, or bond issues.
6.
 - a. The individuals entitled to participate at the recount are:
 - (1) Each candidate involved in the recount, either personally or by a representative.
 - (2) A qualified elector favoring each side of a question if the recount involves a question or proposition submitted to a vote of the electorate.
 - b. The individuals allowed to participate may challenge the acceptance or exclusion of any ballot. The individual challenging a ballot must state the reason for the challenge based upon the law, and the county auditor or other political subdivision election official shall count the challenged ballot as the auditor or election official determines proper and then shall set the ballot aside with a notation that it was challenged and how it was counted.
7. At the conclusion of the recount, the county auditor or other election official shall submit all challenged ballots to the recount board for decision. Except for political subdivision recounts other than counties, the recount board must be composed of the state's attorney of the county, the chairman of the board of county commissioners, and the county recorder. Unless otherwise specified by law, for a political subdivision other than a county, the governing body of the political subdivision shall appoint the recount board. An individual may not serve on the recount board if the individual has anything of value bet or wagered on the result of the election, is a candidate for the office being recounted, or is the husband, wife, father, mother, father-in-law, mother-in-law, son, daughter, son-in-law, daughter-in-law, brother, or sister, whether by birth or marriage, of the whole or the half-blood, of any candidate involved in the recount. If any of the members of the recount board are disqualified or cannot serve for any other reason, the members of the board of county commissioners or other political subdivision governing body who would be qualified to serve on the board shall appoint disinterested qualified electors of the county or other political subdivision to serve as alternates. The recount board shall review all challenged ballots and on majority vote shall decide how those ballots are counted. The recount board is authorized to initial all absentee ballots cast under section 16.1-07-09 that were not considered or counted at the various precincts in the county for the reasons provided in sections 16.1-07-11 and 16.1-07-12 or by the county canvassing boards as provided in section 16.1-15-19. The decision of the recount board is final, subject to the right to contest the election as provided in this chapter. If during the recount a recess is called, the county auditor or other political subdivision election official shall take appropriate steps to safeguard the ballots.
8. The county auditor or other election official shall certify the results of the recount no later than three days after the recount. The recount result is the official result of the election in

the county or other political subdivision. The county auditor or other election official shall prepare a corrected abstract of the votes. In a recount limited to the county, city, or other political subdivision, if the corrected abstract shows no change in the outcome of the election, no further action may be taken. If the corrected abstract changes the outcome of the election, the county auditor or other election official shall issue certificates of nomination or election accordingly and shall certify the new result of a question submitted to the qualified electors. In the case of a city election that is combined with a county election, the county auditor shall certify the new results of the election to the city auditor who is responsible for issuing new certificates of election if applicable.

9. In presidential, congressional, statewide, judicial district, multicounty district, or legislative recounts, the county auditor, no later than three days after the recount, shall send by certified mail a certified copy of the corrected abstract to the secretary of state. The secretary of state immediately shall assemble the state canvassing board, who shall canvass the corrected abstracts and certify the election results. The secretary of state shall issue certificates of election or nomination or record the approval or disapproval of a question submitted to the qualified electors accordingly.
10. The expenses incurred in a recount of a county election must be paid by the county on a warrant by the county auditor. The expenses incurred in a recount of a political subdivision other than a county election must be paid by that political subdivision. The expenses incurred in a recount of a city election must be paid by the city on a warrant by the city auditor. The expenses incurred in a recount of a presidential, congressional, state, judicial district, multicounty district, or legislative election must be paid by the state from the general fund upon approval by the secretary of state of a statement of expenses received from the county auditors. The expenses incurred in a recount demanded under subsection 2 of section 16.1-16-01 must be paid by the secretary of state or county auditor from the bond submitted by the individual requesting the recount.
11. This section also applies to city elections that are not combined with the county except the city auditor, to the extent applicable, shall perform the duties of the county auditor.

16.1-16-02. Who may contest election.

A defeated candidate or ten qualified electors may contest the nomination or election of any person or the approval or rejection of any question or proposition submitted to a vote of the electorate, pursuant to chapters 16.1-04, 16.1-05, 16.1-06, 16.1-07, 16.1-08.1, 16.1-09, 16.1-10, and 16.1-11. In a county election to change the county seat or to change the boundaries of the county, the complaint must be filed against the board of county commissioners, who shall appear and defend the contest action.

16.1-16-03. Commencement of action — Parties — Status of contestee.

An action to contest an election must be commenced by service of a summons and verified complaint. The party instituting the action must be known as the contestant, and the party against whom the action is instituted must be known as the contestee. In a contest of an election, the person holding the certificate of election shall take possession and discharge the duties of the office until the contest action is finally decided.

16.1-16-04. Time for commencement of action.

Any action to contest an election must be commenced and the complaint must be filed in the district court of the contestee's county of residence within five days after final certification of a recount by the appropriate canvassing board or within fourteen days after the final certification by the appropriate canvassing board if no recount is to be conducted. However, if the grounds for the action are the illegal payment of money or other valuable thing subsequent to the filing of any

statement of expenses required by this title or if the contestee does not or cannot meet the qualifications to hold the office as required by law, the action may be commenced at any time. The contestee shall serve and file an answer within fourteen days after service of the contest summons and complaint.

16.1-16-05. Grounds for election contest.

An election contest may be commenced for any of the following causes:

1. If the contestee does not or cannot meet the qualifications to hold the office as required by law.
2. Because of illegal votes or erroneous or fraudulent voting, count, canvass, or recount of votes.

16.1-16-06. Election contest to be tried as civil action — Precedence on court calendar.

Election contest actions must be tried as civil actions to the court without a jury. The district court shall set the hearing on the contest action not more than ten days after the filing of the contest answer. Election contests must take precedence over regular court business so elections are determined as soon as practicable. The district court judge shall order a special term of the court if no term is in progress when the election contest complaint is filed.

16.1-16-07. Contest involving irregularity of ballots — Preservation of ballots.

Either the contestant or the contestee, within the time provided by this title for the preservation of ballots, may give notice by certified mail to the county recorder of any county where the contestant or the contestee desires the ballots preserved, that an election contest is pending in a designated court. Thereupon, it is the duty of the county recorder to preserve all the paper ballots and electronic voting system ballots and associated records until the contest has been finally determined.

16.1-16-08. Judgment in election contest action.

1. The judge in an election contest action shall pronounce judgment on which candidate was elected or nominated and whether any question or proposition was approved or rejected.
2. The appropriate officer shall issue a certificate to the person declared elected or nominated in accordance with the judgment. Any certificate of nomination or election previously issued that is in conflict with the judgment is annulled by the court's judgment.
3. If the court declares that the election resulted in a tie, the election must be determined by law.
4. If the court declares that no one was elected or nominated and sets aside the election, the office must be deemed vacant and any certificate of election or nomination previously issued is annulled. The vacancy must be filled according to law. This subsection does not apply if an incumbent is in office and is entitled to serve until a successor is duly elected and qualified, in which event the incumbent may only be removed by impeachment.
5. In the discretion of the court, court costs may be awarded on the following bases:
 - a. If the contest action is dismissed for insufficient evidence or want of prosecution, or if the court confirms the election results, judgment for costs must be for the contestee and against the contestant.
 - b. If an election is annulled for errors or malfeasance of any election official during any part of the election procedure, the costs must be a charge against the state or political subdivision in which the election was held.
 - c. When an election is annulled on any other ground or when the contestant is declared elected, judgment for costs must be for the contestant and against the contestee.

6. Nothing in this chapter may be construed to authorize a nomination or election to be set aside because of illegal votes unless either of the following is shown, that:
 - a. The contestee had knowledge of or connived in the illegal votes.
 - b. If the number of illegal votes is taken from the contestee, it would reduce the number of the contestee's legal votes below the number of votes cast for some other person for the same nomination or election, after deducting any illegal votes from the other person.

16.1-16-09. Appeal of election contest judgment.

An appeal to the supreme court of the judgment in an election contest action may be had by filing a notice of appeal with the clerk of the trial court within ten days of the date of the service of notice of entry of the judgment. Appeals of election contest actions must be conducted in the manner provided by the North Dakota Rules of Appellate Procedure. Election contest appeals must take precedence over regular court business so election results can be determined as soon as practicable. An appeal may be brought on for hearing before the supreme court at any time upon ten days' notice by either party and must be determined in a summary manner.

16.1-16-10. Legislative contest of election.

Legislative election contests must be determined in court as provided in this chapter for other contests. No legislative election may be contested before either house of the legislative assembly.

The chairman of the charter commission shall be designated by the governing body and shall be a charter commission member. Compensation and expenses of commission members shall be as determined by the governing body. The governing body may furnish the charter commission with office space, clerical help, legal and other assistance, and supplies, and may appropriate and pay for same out of its general funds. The charter commission shall hold at least one public hearing on the proposed charter, and may use other suitable means to disseminate information, receive suggestions and comments, and encourage public discussion of the proposed charter. The commission shall prepare and submit the charter within one year after appointment, unless the governing body allows additional time for submission of the charter. The proposed charter shall then be published once in the city’s official newspaper as provided in section 40-01-09. However, cities with a population of one thousand or less may, in lieu of publishing the charter in a newspaper, distribute copies of the charter door-to-door and have them posted and available at prominent locations in the city. In the event a city does not publish the charter in a newspaper, it must still publish a notice of the election.

40-05.1-04. Submission of charter to electors.

At least sixty days, but no more than two years, after submission of the charter to the governing body of the city, the proposed charter must be submitted to a vote of the qualified electors of the city at a regular or special city election, or at any statewide election that is held within that time, or at a special city election held concurrently with any statewide election. If the proposed charter has been submitted to a vote of the qualified electors of the city, the governing body of the city may call a special election to resubmit the proposed charter to a vote of the qualified electors of the city, and the special election must take place at least sixty days after the call for the special election. The governing body may amend the proposed charter prior to its resubmission to the electors.

40-05.1-05. Ratification by majority vote — Supersession of existing charter and state laws in conflict therewith — Filing of copies of new charter.

If a majority of the qualified voters voting on the charter at the election vote in favor of the home rule charter, the charter is ratified and is the organic law of the city, and extends to all its local and city matters. The charter and the ordinances made pursuant to the charter in such matters supersede within the territorial limits and other jurisdiction of the city any law of the state in conflict with the charter and ordinances and must be liberally construed for such purposes. One copy of the charter ratified and approved must be filed with the secretary of state and one with the auditor of the city to remain as a part of its permanent records. Thereupon the courts shall take judicial notice of the new charter.

40-05.1-05.1. Multicity home rule.

1. Two or more cities may draft and submit for adoption a multicounty home rule charter to the electors of each city pursuant to this section. The other provisions of this chapter apply to a multicounty home rule charter, except as otherwise provided by this section.
2. The process for drafting and submitting a multicounty home rule charter may be initiated by:
 - a. Separate motions by the governing bodies of the participating cities;
 - b. The execution of a joint powers agreement between participating cities; or
 - c. A petition filed with each governing body of two or more cities and signed by ten percent or more of the total number of qualified electors of each city voting for governor at the most recent gubernatorial election.
3. Within sixty days after proceedings are initiated for a multicounty home rule charter, the boards of governing bodies shall enter into a joint powers agreement specifying the procedure for framing the charter, which may include the establishment of a single cooperative charter commission with membership representing each city. As an alternative, the governing bodies in each affected city may establish a separate charter commission pursuant to section 40-05.1-03 to frame the charter in cooperative study with the charter commission of any other affected city. The charter commissions must submit a single joint report and proposed charter.
4. The charter commission, during its deliberation, may hold public hearings and community forums and use other suitable means to disseminate information, receive suggestions and comments, and encourage public discussion on the subject of the proposed multicounty home rule charter, and may report periodically to the affected governing bodies on their progress. In preparing the charter, the charter commission may:
 - a. Include any of the available powers enumerated in section 40-05.1-06;
 - b. Provide for adjustment of existing bonded indebtedness and other obligations in a manner which will provide for a fair and equitable burden of taxation for debt service;
 - c. Provide for the transfer or other disposition of property and other rights, claims, assets, and franchises of the cities;
 - d. Provide for the reorganization, abolition, or adjustment of boundaries of any existing boards, commissions, agencies, and special districts of the city governments, including city park districts;
 - e. Include provisions for transition in implementing the charter, including elements that consider the reasonable expectations of current officeholders or personnel such as delayed effective dates for implementation at the end of a current term or a future term, upon the occurrence of a vacancy, or on a date certain;
 - f. Include provision for the limited application or temporary implementation of the charter, including provisions that permit implementation on an experimental or pilot basis such as the expiration of the charter on a date certain in the future, required

- reapproval of the charter by the electors at a future date, or a phased-in implementation of various aspects of the charter; and
- g. Include other provisions that the charter commission elects to include and which are consistent with state law.
 5. The proposed charter or accurate summary of the charter must be published in the official newspaper of each affected city, at the expense of each city, at least once during two different weeks within the thirty-day period immediately preceding the date of election. However, a city with a population of one thousand or less may, instead of publishing the charter in a newspaper, distribute copies of the charter door-to-door and have them posted and available at prominent locations in the city.
 6. If a majority of the qualified electors voting in each city on the charter vote in favor of the multicity home rule charter, it is ratified and becomes the organic law of the cities on the first day of January following the election or other effective date specified in the charter.
 7. The amendment or repeal of a multicity home rule charter may proceed pursuant to the amendment and repeal provisions of section 40-05.1-07 on a multicity basis. A majority vote of the qualified electors voting in each city in the election is required to adopt any amendment of a multicity charter. A majority vote of the qualified electors of only one or more participating cities is required to repeal a multicity charter.

40-05.1-06. Powers.

From and after the filing with the secretary of state of a charter framed and approved in reasonable conformity with the provisions of this chapter, such city, and the citizens thereof, shall, if included in the charter and implemented through ordinances, have the following powers set out in this chapter:

The statutes of the state of North Dakota, so far as applicable, shall continue to apply to home rule cities, except insofar as superseded by the charters of such cities or by ordinance passed pursuant to such charters. After December 31, 2005, any portion of a charter or any portion of an ordinance passed pursuant to a charter which does not conform to the requirements of subsection 16 is invalid to the extent that it does not conform. The invalidity of a portion of a charter or ordinance because it does not conform to subsection 16 does not affect the validity of any other portion of the charter or ordinance or the eligibility for a refund under section 57-01-02.1. Any taxes imposed under this chapter on farm machinery, farm irrigation equipment, and farm machinery repair parts used exclusively for

agricultural purposes, or on alcoholic beverages, which were in effect on December 31, 2005, become gross receipts taxes after December 31, 2005.

Repeal of a home rule charter shall cause the city affected by such repeal to revert to the form of government of such city immediately preceding adoption of the home rule charter and when positions to which officials were elected under the home rule charter are substantially the same as positions under the form of government to which the city reverts upon repeal, such elected officials shall continue to exercise the authority of such position for the salary prescribed by the home rule charter until expiration of their terms of office as prescribed by the home rule charter. No amendment of a home rule charter shall shorten the term for which any official was elected or reduce the salary of the official's office for that term.

40-05.1-13. Vested property — Claims for relief — Actions saved.

The adoption of any charter hereunder or any amendment thereof shall never be construed to destroy any property, action, claims for relief, claims, and demands of any nature or kind whatever vested in the city under and by virtue of any charter theretofore existing or otherwise accruing to the city, but all such claims for relief, claims, or demands vest in and inure to the city and to any persons asserting any such claims against the city as fully and completely as though the said charter or amendment had not been adopted hereunder. The adoption of any charter or amendment hereunder shall never be construed to affect the right of the city to collect by special assessment any special assessment theretofore levied under any law or charter for the purpose of public improvements, nor affect any right of any contract or obligation existing between the city and any person, firm, corporation, or limited liability company for the making of any such improvements and for the purpose of collecting any such special assessments and carrying out of any such contract.

If a recount results in a tie vote, the choice must be determined by a drawing of names in the presence of the governing body of the municipality and in a manner it directs. A candidate involved in a tie vote may withdraw the candidate's name from consideration if the candidate is willing to sign a statement to that effect in the presence of and witnessed by the filing officer of the election. Every elector is eligible to the office for which that person is an elector, except when otherwise specially provided. No person is eligible who is not such an elector.

44-01-03. When state and district officers shall qualify.

Except when otherwise specially provided, all state and district officers shall qualify on the first day of January next succeeding their election and on said first day of January shall enter upon the discharge of the duties of their respective offices, provided that when a person is elected to fill an unexpired term in a district office then vacant or then held by an appointee, such person may qualify and enter upon the discharge of the duties of such office at any time after receiving a certificate of election to that office but not later than the first day of January next succeeding the date of election to the unexpired term of office.

44-01-04. State, district, and county officers — Failure to qualify — Vacancy.

If any person elected to any state, district, county, or other political subdivision office fails to qualify and enter upon the duties of such office within the time fixed by law, such office must be deemed vacant and must be filled by appointment as provided by law. If there is a contest for such office or if the person elected to such office is prevented or obstructed in any manner from entering upon the duties thereof, the time above prescribed does not govern and the person must be allowed twenty days after the day such contest is determined or such obstruction removed in which to qualify.

44-01-05. Oath of civil officers.

Each civil officer in this state before entering upon the duties of that individual's office shall take and subscribe the oath prescribed in section 4 of article XI of the Constitution of North Dakota. The oath must be endorsed upon the back of, or attached to, the commission, appointment, or certificate of election. The term civil officer includes every elected official and any individual appointed by such elected official; any individual appointed by the governor and required by section 16.1-09-02 to file a statement of interests with the secretary of state; appointed member of any state authority, board, bureau, commission, and council; and the appointed head of any state agency and agency division, whether the individual serves with or without compensation. Except for an individual appointed to fill a vacancy existing in the legislative assembly, the term does not include any individual receiving a legislative appointment. For purposes of this chapter and chapter 44-05, the term civil officer has the same meaning as public officer.

44-01-05.1. Failure to file oath.

The appointment of any civil officer may be rescinded by the appointing authority if the appointed civil officer fails to file an oath of office at the place of filing required by section 44-05-04.

CHAPTER 44-02 – Vacancies in Office

44-02-01. Vacancies — Causes thereof.

An office becomes vacant if the incumbent shall:

1. Die in office;
2. Be adjudged mentally ill;
3. Resign from office;
4. Be removed from office;
5. Fail to discharge the duties of office, when the failure has continued for sixty consecutive days, except when prevented from discharging the duties by reason of the person's service in the armed forces of the United States, by sickness, or by other unavoidable cause. However, as to any office which under the law the vacancy must be filled by the governor, the governor for good cause shown may extend the period, which the incumbent may be absent, for an additional period of sixty days. No remuneration on account of such office may be paid to an absentee officeholder during that person's absence, and the office in all cases becomes vacant upon the termination of the term for which the person was elected or appointed;
6. Fail to qualify as provided by law, which includes taking the designated oath of office prescribed by law;
7. Cease to be a resident of the state, district, county, or other political subdivision in which the duties of the office are to be discharged, or for which the person may have been elected;
8. Be convicted of a felony or any offense involving moral turpitude or a violation of the person's official oath;
9. Cease to possess any of the qualifications of office prescribed by law; or
10. Have the person's election or appointment declared void by a competent tribunal.

44-02-02. Resignations of officers — To whom made.

The resignation of an officer must be in writing and must be made as follows:

1. The governor and lieutenant governor, to the legislative assembly, if it is in session, and if not, to the secretary of state.
2. Any other state or district officer, to the governor.
3. A member of the legislative assembly, to the presiding officer of the branch of which the individual is a member, when in session, and when not in session, to the chairman of the legislative management. When made to the presiding officer, the presiding officer at once shall notify the chairman of the legislative management of the resignation.
4. An officer of the legislative assembly, to the branch of which the individual is an officer.
5. An elective county officer, by filing or depositing the resignation in the office of the county auditor, except that the resignation of the county auditor must be filed or deposited with the board of county commissioners. Any resignation under this subsection, unless a different time is fixed therein, takes effect upon the filing or deposit.
6. An officer of a civil township, to the board of supervisors of the township, except that a member of the board shall submit the member's resignation to the township clerk, and the township clerk forthwith shall give to the county auditor notice of the resignation of all officers whose bonds are filed with that officer.
7. Any officer holding office by appointment, to the body, board, court, or officer which appointed the officer.

44-02-03. Vacancy in state or district office — How filled.

Any vacancy in a state or district office, except in the office of a member of the legislative assembly, must be filled by appointment by the governor. A vacancy in the office of a supreme court justice or district court judge must be filled as provided in chapter 27-25. If during a vacancy in the office of governor, the lieutenant governor and the secretary of state are impeached, displaced, resign, or die, or from mental or physical disease or otherwise become incapable of performing the duties of the office of governor as provided by sections 2 and 7 of article V of the Constitution of North Dakota, then the succession to the office of governor is the speaker of the house, president pro tem of the senate, attorney general, in the order named. Each succeeding person named shall hold the office of governor until the vacancy is filled by election or until any disability of the preceding person in the line of succession is removed.

44-02-04. Vacancy in county office — Appointment.

A vacancy in any county office, other than that of county commissioner, must be filled by the board of county commissioners, with the exception that if a vacancy has occurred in the office of state's attorney by reason of removal under section 44-11-01, the appointment must be made by the board of county commissioners by and with the advice and consent of the governor. The board of county commissioners may declare a county office to be vacant whenever the officeholder is unable to perform the duties of the office for six months or more. However, if within one year the officeholder should become able to perform the officeholder's duties, the county commissioners may, for good cause shown, reinstate the officeholder.

44-02-05. Vacancy in board of county commissioners — How filled.

When a vacancy occurs in the board of county commissioners, the remaining members of the board immediately shall appoint some suitable person to fill the vacancy from the district in which the vacancy occurred. If a majority of the officers fails to agree upon a person to fill the vacancy, the county treasurer or, if the county does not have an elected treasurer, another elective county officer must be called in and shall act as an additional member of the board to fill the vacancy. The appointee holds office until the appointee's successor is elected at the next general election that occurs at least sixty days after the vacancy and the successor has qualified.

44-02-06. Vacancy in township office — How filled.

Repealed by S.L. 1955, ch. 342, § 2.

44-02-07. Brief vacancy not to be filled — Exception.

If a vacancy occurs within sixty days previous to an election at which it may be filled, no appointment may be made unless it is necessary to carry out such election and the canvass of the same according to law. In such case an appointment may be made at any time previous to such election to hold until after such election or until the appointee's successor is elected and qualified.

44-02-08. Appointment to be made in writing — Term.

Any appointment to fill a vacancy under this chapter must be made in writing, and, except as otherwise expressly provided by law, continues in force until the first general election that occurs at least sixty days after the vacancy, when the vacancy will be filled by election, and thereafter until the appointee's successor by election is qualified.

44-02-09. Appointment — How qualified.

A person appointed to office as provided in this chapter shall qualify within the time and in the manner required of a person elected or appointed to such office for a full term.

44-02-10. Vacancy due to military service — How office is filled.

When the incumbent of any elective office in this state is unable to discharge the duties of the incumbent's office by reason of service in the armed forces of the United States, an acting official who shall have the powers of the incumbent must be appointed in the same manner that an appointment would be made in case of a vacancy in office, the appointment being made from a list of three names which must be submitted by the incumbent to the appointing body or officer within thirty days after leaving for the service. Provided, however, in the office of state's attorney the names of practicing attorneys residing in adjoining counties may be included if there are less than three practicing attorneys residing in such county in which the appointment is to be made. If the incumbent has already entered the military service the incumbent shall, within ten days after the passage and approval of this section, file a list of three names with the appointing body or officer. If the incumbent fails to submit a list of names, the appointing body or officer shall make the appointment of the acting official without regard to the incumbent's wishes; provided, however, that in the filling of such vacancy in the office of state's attorney, a practicing attorney from an adjoining county may be named to fill such vacancy if there are less than three practicing attorneys residing in the county where such vacancy is to be filled. Provided, further, the acting official shall serve, and the acting official's tenure of office must be terminated immediately upon the incumbent filing a "notice of return" with the secretary of state in instances in which it is a state official, or with the county auditor when the incumbent is an official of the county or any of its subdivisions. This section is hereby declared to be retroactive and all appointments to vacancies heretofore made in the manner herein provided are hereby validated.

If on the opening of the ballots, two or more ballots are found to be so folded that it is apparent that the same person voted them, the board shall destroy such unlawful ballots immediately. The person having the greatest number of votes for an office must be declared elected.

58-04-19. Special meeting when officers not elected at annual meeting.

If a township meeting is not held for the purpose of organizing and electing its officers at the time fixed by law for holding the annual township meeting, a special township meeting for that purpose must be called by the township clerk. If notice of such meeting is not given by the clerk within ten days, any three electors of the township may call such meeting. Notices setting forth the time, place, and object of the meeting must be published at least five days prior to the meeting in a legal newspaper published in the township or, if there is no such newspaper, then in the county's official newspaper. CHAPTER 58-05 – Township Officers Generally

58-05-01. Voter is eligible to office.

Every person qualified to vote at a township meeting is eligible to any township office.

58-05-02. Officers of a township — Terms of office.

The elected officers of a civil township must be:

1. Three or five supervisors.
2. One township clerk.
3. One assessor except as herein provided.
4. One treasurer.

In townships with three-member boards of township supervisors, one supervisor must be elected at each annual township meeting and shall hold office for a term of three years. In townships with five-member boards of supervisors, the number of members of the board of supervisors whose terms have expired must be elected at each annual township meeting and shall hold office for a term of three years. The other elective officers must be elected every two years and shall hold their respective offices for a term of two years. Each officer shall serve until that officer's successor is elected and qualified. The same person may hold the offices of township clerk and treasurer if a majority of the electors present vote in favor of the merging of such offices at the annual township meeting. The person elected to fill the merged office shall perform all of the duties required of both the township clerk and treasurer except as otherwise specifically provided by law. If a majority of the electors present and voting at an annual township meeting vote in favor of making the office of assessor appointive, the board of township supervisors shall appoint a township assessor for a four-year term of office, the first term commencing on January 1, 1974. In lieu of electing or appointing a township assessor, the board of township supervisors, if authorized by a majority of the electors present and voting at an annual township meeting, may on behalf of the township contract with the county in which the township is located or with any other political subdivision or with any individual to perform the duties of and have the powers of the township assessor. The length and terms of such a contract must be negotiated by the board of township supervisors with the governing body of the county or other political subdivision or with the individual, as the case may be, and the township is hereby authorized to make such payments as may be provided for in the contract. The electors of any township in which the office of township assessor was abolished prior to July 1, 1973, shall, at the next annual township meeting, elect a township assessor or authorize the board of township supervisors to appoint a township assessor or to contract for the making of the assessment as hereinbefore provided. The township electors may, by majority vote of those present and voting at an annual township meeting, change the previously adopted method of providing for the assessment to either of the other two methods authorized in this section, but such change does not become effective until expiration of the term of office of the assessor or until a vacancy occurs in the office of assessor or until expiration of the contract for making the assessments, whichever is applicable according to the method of providing for the assessment that was previously adopted.
