Section 1 – Polling Places and Poll Workers

Polling Places: Upon a decision by the county commissioners, a county may utilize multiple precinct polling places. The county commissioners may also decide, if it is in the best interest of the county, to use one election board to supervise all or a portion of the precincts voting in the same polling place even if the precincts fall within different legislative districts so long as each district chairperson of each qualified political party is given the opportunity to have representation on the election board if desired. (NDCC §§ 16.1-04-02 and 16.1-05-01)

Inspectors: The county auditor, with county commissioners’ approval, shall appoint election inspectors, except in polling places containing city precincts only established by NDCC Chapter 16.1-04 where the city governing board appoints the inspectors. The inspector selection is to be made on the basis of the inspector’s knowledge of the election procedure. Appointments must be made forty days before the election. (NDCC § 16.1-05-01) Inspectors serve as the polling place supervisor. (NDCC § 16.1-05-04)

Judges: The election judges for each precinct or polling place are appointed in writing by the district chairs representing the two political parties that cast the most votes in the state’s last general election. For special elections involving only no-party offices, the election official responsible for the administration of the election, with the approval of the majority of the members of the applicable governing body, shall appoint the election judges for each polling location. (NDCC § 16.1-05-01) The inspector or judges initial and deliver ballots to the voters and the judges perform other responsibilities assigned by the inspector. (NDCC § 16.1-13-22)

Composition of the Election Board: The election board for each precinct or polling place must consist of an inspector and at least two election judges. (NDCC § 16.1-05-01)

Clerks: The election official responsible for the administration of the election, with the approval of the majority of the members of the applicable governing body, shall appoint the poll clerks for each polling place. (NDCC § 16.1-05-01) Clerks manage the pollbook, verify voters’ identification, update incorrect pollbook information, and other ministerial duties assigned by the inspector. (NDCC §§ 16.1-05-04 and 16.1-05-07)

County Auditor May Appoint Judges if Forty Day Notice Not Received: If the district political party chair fails to appoint the judges forty days before the election, the county auditor shall appoint the judges. If the county auditor has exhausted all practicable means to select judges from within the voting precinct and vacancies still remain, the county auditor may select election judges who reside outside of the voting precinct, but who reside within the precinct’s legislative district. If vacancies still remain, the county auditor may select election judges who reside outside of the legislative district but who reside within the county. (NDCC § 16.1-05-01)

County Auditor May Request an Additional Judge: In polling places in which over one thousand votes were cast in any election, the county auditor may request each district political party chairperson to appoint an additional election judge. (NDCC § 16.1-05-01)

Qualifications of Election Board and Poll Clerks: Inspectors, judges, and clerks must be qualified voters of the polling places in which they are assigned to work unless the county auditor has exhausted all means to appoint election judges from precincts within the polling place according to NDCC § 16.1-05-01. No individual may serve as a member of the election board or as a poll clerk who has anything of value bet or wagered on the result of an election. (NDCC § 16.1-05-02)

Student Poll Clerks: A student sixteen years of age or older enrolled in a high school or college in this state is eligible to serve as a poll clerk if the student meets the following qualifications:

- Is a United States citizen or will be a citizen at the time of the election;
- Is a state resident residing in the precinct at least thirty days before the election; and
- Is a student in good standing.
A student appointed as a clerk may be excused from school attendance during the hours that the student is serving as a clerk, including training sessions, if the student submits a written request to be absent from school signed by the student’s parent or guardian and a certification from the county auditor stating the hours during which the student will serve as a poll clerk. A student excused from school attendance in this manner may not be recorded as being absent on any date for which the excuse is operative. No more than two students may serve as clerks in a single precinct.

An individual sixteen years of age or older having graduated from high school or obtained a general education degree from an accredited educational institution is eligible to be appointed as a poll clerk if the individual meets the qualifications stated above. (NDCC § 16.1-05-02)

Candidates and Relatives Not Allowed on Election Board: An individual may not serve as a member of the election board or as a poll clerk if the individual is a candidate in the election at which the person is serving, or who is the husband, wife, father, mother, father-in-law, mother-in-law, son, daughter, son-in-law, daughter-in-law, brother, or sister, whether by birth or marriage, of the whole or the half blood, of any candidate in the election at which the person is serving. (NDCC § 16.1-05-02)

Removal of Judges or Clerks: If at any time before or during an election, it appears to an election inspector, by the affidavit of two or more qualified voters of the precinct, that any election judge or clerk is not qualified, the inspector shall remove that judge or clerk at once and fill the vacancy by appointing a qualified individual of the same political party. If the disqualified judge or clerk had taken the oath of office, the inspector shall place the oath or affidavit before the state's attorney of the county. (NDCC § 16.1-05-01)

Training Sessions for Poll Workers: Attendance at an election training session conducted by the county auditor is mandatory for members of the election board and for poll clerks.

An election official, at the option of the county auditor, may be excused from attending a third training session on election laws within a twelve-month period. If an election official has attended a training session within six months preceding a special election, the election official must be compensated at the pay appropriate for those having attended a training session for that election as provided in NDCC § 16.1-05-05. (NDCC § 16.1-05-03)

Compensation of Poll Workers: The county shall pay at least the state minimum wage to the relevant election officials. Members of the election board and poll clerks who attend the training sessions must be paid at least the state minimum wage for the hours in attendance in the session in addition to necessary expenses and mileage. Members of election boards who attend the training sessions provided before primary and general elections must be paid at least 25% more than the state minimum wage during the time spent in the performance of their election duties. Members of the election board and poll clerks who attend a training session within the six months prior to a special election must be paid at least 25% more than the state minimum wage during the time spent in the performance of their election duties in addition to necessary mileage and expenses. (NDCC §§ 16.1-05-03 and 16.1-05-05)
Section 2 – Election Worker Responsibilities Before Polls Open

Failure of Election Board Member to Appear: If a member of the election board fails to appear for the opening of the polls, the remainder of the board shall select an individual to serve in the absent individual’s place. If a judge fails to appear at the opening of the polls, the remainder of the board shall select an individual of the absent individual’s political party if such a person is reasonably available. Any qualified individual without regard to political affiliation may fill the office of inspector or clerk. (NDCC § 16.1-05-02(5))

Failure of Entire Election Board to Appear: If no members of the election board appear for the opening of the polls, the qualified voters present shall call the county auditor, city auditor, or school business manager, as appropriate, for instructions and then orally elect a board conforming as nearly as possible to the provisions for a regular board. (NDCC § 16.1-05-02(5))

Oath of Office: Before assuming the duties, each member of the election board and each poll clerk shall take and subscribe an oath in the following form:

I do solemnly swear (or affirm as the case may be), that I will perform the duties of inspector, judge, or clerk according to law and to the best of my ability, and that I will studiously endeavor to prevent fraud, deceit, and abuse in conducting the same.

The oath may be taken before any officer authorized by law to administer oaths (e.g. county auditor, deputy county auditor, county commissioner, notary public). If no such officer is present at the opening of the polls, the inspector or election judges shall administer the oath to each other and to the poll clerks. The individual administering the oath shall cause an entry thereof to be made, subscribed by that individual and prefix it to the pollbook. (NDCC § 16.1-05-02(3))

Inspector to Supervise Conduct of the Election: The election inspector shall supervise the conduct of the election to ensure all election officials are properly performing their duties at the polling place. The election inspector shall assign duties so as to equally and fairly include both parties represented on the election board. (NDCC § 16.1-05-04(1))

Inspector to Assign Ministerial Duties to Poll Clerks: The election inspector shall assign ministerial duties to poll clerks, who shall carry out the ministerial duties assigned by the election inspector. (NDCC § 16.1-05-04(2))

One electronic voting system device must be provided in each precinct. (NDCC § 16.1-13-29)

Voting Instructions to be Posted in Each Polling Place: Cards printed in large type containing full instructions to voters on obtaining and preparing ballots and a copy of NDCC § 16.1-01-12 (Election Offenses) shall be posted in each polling place. (NDCC § 16.1-06-19)

Complete Text of Measures to be Posted: At least five copies of the complete text of any constitutional amendment or initiated or referred measure must be delivered to the inspector by the county auditor at
the time of delivering the ballots. One copy must be posted conspicuously in the polling place on the morning of the election. (NDCC § 16.1-06-19)

**Post Precinct Maps:** Four copies of a map showing the election precinct's boundaries must be posted prior to the opening of the polls; one at the entry to the polling place and the remaining three in other conspicuous places around the polling place. (NDCC § 16.1-06-19)

**Date and Time:** The election inspector shall, before the opening of the polls, post information regarding the date of the election and the hours during which polling places will be open. (NDCC § 16.1-06-19)

**Post Diagram of Electronic Voting System and Ballots:** The election inspector shall post in a conspicuous manner at the voting place, one facsimile diagram of the electronic voting device and should post three copies of the official ballot used with electronic voting devices. The election inspector and judges shall provide adequate instruction on the use of the electronic voting device to each voter before the voter enters the voting booth. (NDCC §§ 16.1-06-17 and 16.1-06-20)

**Ensure Ballot Box is Empty:** Before declaring the polls open, the inspector and the election judges shall inspect the ballot box to make sure that it is empty. The ballot box must then be locked. While the polls are open, the ballot box must remain locked except as may be necessary to clear a ballot jam or to move voted ballots to a separate locked ballot box to make room for additional ballots. (NDCC § 16.1-13-20)

**Opening Ballots on Election Day:** Upon arrival at the poll of all election board members, or at the latest, upon the opening of the poll, the inspector of election shall produce the sealed package of official ballots and publicly open them. (NDCC § 16.1-13-21)

Section 3 - Voter ID

Voter Identification and Pollbooks (NDCC § 16.1-01-04.1)

Voters Obtaining Ballots (Quick Definition) Individuals may receive, vote, and cast an election ballot by showing an approved form of identification with a name, residential address, and date of birth to the poll clerks.

Voters Obtaining Ballots (Expanded Definitions)

1. **Voter Identification:** When a voter appears at the polling location, state law requires the poll clerk to ask the voter to provide identification to verify eligibility.
   a. **Residential Address:** An acceptable form of identification must include the voter’s name, residential address (a PO Box number is not acceptable), and date of birth.
   b. **Acceptable forms of identification at the polls include a valid North Dakota:**
      - Current driver’s license or non-driver’s identification card.
- Tribal government issued form of identification.*
- Long-term care certificate (provided by ND facility).

c. **Supplemental documentation:** If an individual's valid form of identification does not include all the information required or the information on the identification is not current, the identification must be supplemented by presenting any of the following issued to the individual which provides the missing or outdated information:
   1. A current utility bill;
   2. A current bank statement;
   3. A check issued by a federal, state, local, or tribal government (including those issued by BIA for a tribe located in North Dakota, any other tribal agency or entity, or any other document that sets forth the tribal member’s name, date of birth, and current North Dakota residential address);
   4. A paycheck; or
   5. A document issued by a federal, state, local, or tribal government (including those issued by BIA for a tribe located in North Dakota, any other tribal agency or entity, or any other document that sets forth the tribal member’s name, date of birth, and current North Dakota residential address).

d. **Voters without valid ID:** If the person’s identification does not verify his or her qualifications, or the individual is not able to show a valid form of identification, but he or she asserts qualifications as an elector in the precinct, the individual may mark a ballot that must be securely set aside in a sealed envelope. (See Page 10)

e. **Intent of ID Requirement:** The purpose for this requirement is not to deter people from voting, but to ensure that the voter is:
   1. Old enough to vote,
   2. A U.S. citizen, and
   3. A resident of the precinct in which he or she desires to vote.

Qualified electors have the right to know that the votes are being cast by only those voters qualified to do so.

f. **Directing Individuals to Correct Precincts:** The county auditor shall provide each election board with a precinct map or precinct finder to assist in determining whether an address is located in that precinct and for determining which precinct and polling location to direct an individual who may be attempting to vote in the wrong precinct. ([NDCC § 16.1-05-08](https://secure.legis.nd.gov/leginfo/ndcc/)) Poll clerks are authorized to direct an individual to his or her correct polling place if the individual’s current identification proves that he or she is in the wrong polling place.

*Tribal ID may be an official form of identification issued by a tribal government; the Bureau of Indian Affairs; any other tribal agency or entity, or any other document, letter, writing, enrollment card, or other form of tribal identification issued by a tribal authority*
Section 4 – Election Worker Responsibilities After Polls Open

Voting Procedure

1. As an individual enters the polling location and approaches the poll clerks’ table, the required maps of the precinct, copies of the voter's bill of rights, voting procedure diagrams and descriptions, copies of election offenses, copies of official ballots, copies of complete text of measures, and diagrams of electronic voting systems posted or displayed in the polling location must be readily available for review by the voter.

2. The poll clerk shall ask for the individual's name and identification. (See pages 7-8 for acceptable forms of identification.)

3. If an individual's valid form of identification does not include the North Dakota residential address or date of birth, or the North Dakota residential address is not current, the individual may supplement the identification with a current utility bill; a current bank statement; a check or a document issued by a federal, state, local, or tribal government (including those issued by BIA for a tribe located in North Dakota, any other tribal agency or entity, or any other document that sets forth the tribal member's name, date of birth, and current North Dakota residential address); or a paycheck. After the poll clerk verifies the individual's qualifications and the pollbooks are checked or updated, an election judge shall give the voter an initialed ballot within a secrecy sleeve. (Make sure to update all incorrect information contained in the pollbook.)
   a. If the name does not agree with the preprinted pollbook due to a name change, the poll clerk shall correct the pollbook if the individual is still a resident of the precinct.
   b. If the individual has inadvertently come to the wrong precinct, the poll clerk is to direct the individual to the correct precinct using the precinct finder or map provided by the county auditor for just such purpose.

4. If the person's identification does not verify his or her qualifications, or the individual is not able to show a valid form of identification, but he or she asserts qualifications as an elector in the precinct, the individual may mark a ballot that must be securely set aside in a sealed envelope. (See page 10)

5. Ballot in hand, the voter is to move to an open poll booth and mark his or her votes in secret.
   a. The poll worker should make the voter aware of the AutoMARK ballot-marking device since every voter is welcome to use it.
   b. It is important to allow any voter to use the AutoMARK due to the fact some voters may not want to divulge a hidden disability, such as illiteracy or dyslexia.

6. Voters shall ask for a new ballot if they fill an unwanted oval by accident.

7. After the ballot is marked, a voter shall insert his or her ballot into the secrecy sleeve, bring it to the optical scan ballot tabulator, and insert the ballot into the machine for tabulation.

8. If the ballot has been marked incorrectly, the machine will identify the problem and give the voter an opportunity for second chance voting. (NDCC § 16.1-13-23)
   a. The poll worker, standing at a discrete distance, may assist the voter (if requested) in either returning the ballot to the voter for second chance voting or in casting the ballot as is – two ballots may be spoiled before the third must be cast as is.
   b. If the voter chooses to cast the ballot as is, the election judge must tell the voter that the portion of his or her ballot marked with a conflict will not be counted.
   c. If the voter still desires to cast the ballot as is, the voter is to press the “accept” button on the optical scan ballot counter.

9. The ballot is immediately counted by the machine before it is deposited by the machine directly into the locked ballot box below.

10. Ballots containing write-in votes will be automatically separated by the machine to the right side of the ballot box for easier counting of write-in votes after the polls close.

11. Throughout Election Day, members of the election board shall remain in the polling place to prevent fraud and to maintain order. Clerks, however, may work split shifts.
**Set Aside Ballot Process**

If an individual’s identification does not verify his or her qualifications, or an individual is not able to show a valid form of identification but asserts qualifications as an elector in the precinct, he or she may mark a ballot that must be securely set aside in a sealed envelope.

1. **Clerk’s Station:** The clerk shall:
   a. Confirm that the address provided by the individual is located in a precinct assigned to the polling place.
   b. Give the individual the set aside outer and secrecy envelopes and instruct him or her to complete the applicable portions of the outer envelope. The individual may be asked to step aside until finished.
   c. Review the outer envelope for completeness and accuracy.
   d. Complete the “Issuing Election Official Use Only” portion of the envelope, but does not enter the individual into the pollbook.
   e. Return the envelopes to the individual and send them to the judge’s station.

2. **Judge’s Station:** The judges shall:
   a. Issue the individual an appropriate ballot without initialing the ballot.
   b. Issue the individual a notice containing information on how, when, and where the individual may verify his or her identification.
   c. Inform the individual that after marking the ballot he or she is to:
      i. Place the ballot into the secrecy envelope,
      ii. Return to the judge’s station where the judges verify that the ballot is in the secrecy envelope
      iii. Seal the secrecy envelope in the outer envelope,
      iv. Return the sealed envelope to the judges, and
      v. Be reminded that the ballot will be counted by the canvassing board upon timely verification of the individual’s identification, per the information on the notice.
   d. Securely store the envelopes containing set aside ballots in a manner that is accessible in case the voter returns to the polling place with identification verification.

3. **Voter Returns While Polling Place is Still Open:** If an individual who has marked a set aside ballot returns to the polling place with valid identification, a clerk or the inspector will usher the individual to the judge’s station and notify the judges that the individual has returned to verify their identification. The judges retrieve the set aside ballot and ensure that the information on the identification matches that which the individual provided on the outer envelope. If it does, the judge completes the “Verifying Election Official” portion of the outer envelope and instructs the voter to sign the “Voter Signature Upon Verification” portion. The voter is informed that the ballot will be counted by the canvassing board, and the judge returns the ballot the ballot to the secure storage.

**Other Election Worker Duties While Polls are Open**

**Poll List Kept by Clerks of Election:** The poll clerks shall keep one list of the names of all persons voting at each election. The list of names must contain the full name, including first and last name, the individual’s identification number, and the complete residential address of each person voting at the precinct. A complete residential address for voting purposes includes a street address, city, and state. The use of a mailing address or PO Box number is not considered sufficient for voting purposes. Each clerk shall return the pollbook, which must be a part of the records and filed with other election returns. *(NDCC § 16.1-11-32, NDCC § 16.1-05-04 and NDCC § 16.1-02-13)*

**Pollbook Correction:** If the voter’s residential or mailing address within the precinct has changed, the poll clerk shall record the appropriate changes, if the voter’s name is preprinted.

**Voting by Qualified Voter Moving From One Precinct to Another:** If a qualified elector moves from one precinct to another precinct within this state, the elector is entitled to vote in the precinct from which the elector moved until the elector has established a new residence pursuant to *(NDCC § 16.1-01-04).*
person must reside in the precinct thirty days immediately prior to any election in order to be eligible to vote within that precinct. (NDCC § 16.1-01-05)

Delivering Ballot to Elector – Initialing: An election board member shall deliver ballots to the qualified voters within a secrecy sleeve. The inspector or judge shall inform each voter that if an election official does not initial the ballot, it will be invalidated. To protect the voter’s right to vote, the voter should verify that the ballot has been initialed. Ballots are still considered valid if the judge or inspector initials the ballot outside the space provided for such. (NDCC § 16.1-13-22)

Secrecy Sleeves Required: Ballots are to be given to the voters within a secrecy sleeve. (NDCC § 16.1-13-23)

Warning Voters Not to Split Votes in the Primary Election: At primary elections, the judge or inspector shall inform each elector before voting, that voting for candidates of more than one party will cause the voter’s party ballot to be rejected. (NDCC § 16.1-11-22)

One Person Allowed in Voting Booth – Time Limit in Booth: Only one person may occupy a voting booth at one time except when receiving lawful assistance. No person shall remain in the booth longer than necessary to vote. (NDCC § 16.1-13-30)

Assisting Voter in the Voting Booth: A voter may request and receive the assistance of any person of the voter's choice in marking the voter's ballot, except for the voter's employer, officer or agent of the voter's union, a candidate running in that election, or relative of the candidate. (NDCC § 16.1-13-27)

Voter to Receive Assistance of Both Judges: If the voter requests the assistance of a member of the election board, the voter shall receive the assistance of both election judges in the marking of the voter's ballot. (NDCC § 16.1-13-27)

Person Assisting Voter May Not Request Voter to Vote in Certain Manner: Any person chosen to assist a voter may not request the voter to vote for or against any candidate or any issue. (NDCC § 16.1-13-28)

Voters May Not Divulge Voting Intentions: No voter, other than one who is unable to mark a ballot, may divulge to anyone within the polling place the name of any candidate for whom the elector intends to vote. (NDCC § 16.1-13-27)

No Write-in Stickers: Write-in stickers are not allowed on ballots in North Dakota elections.

Second Chance Voting:

1. **Second-Chance Voting Prior to Casting Ballot**: Since ballots are to be marked by the voter with a pen provided by the election board, unwanted choices or marks cannot be erased. Rather than crossing out unwanted choices or attempting to erase them, the voter should ask an election judge for a new ballot to mark his or her votes. A voter may obtain up to two new ballots for these reasons. Ballots returned to an election judge by an elector must be considered spoiled.

2. **Second-Chance Voting as Voter Attempts to Cast Own Ballot**: After marking the votes on the ballot, the elector shall place the ballot back in the provided secrecy sleeve so it is concealed and so the endorsement of the inspector or election judge may be seen. The elector then shall deposit the ballot in the optical scanning device and wait to determine if the ballot is deposited into the ballot box or if the optical scanning device has indicated a possibility for a second-chance voting condition. If a second-chance voting condition is indicated, a poll worker, standing at a discrete distance from the voter, shall ask the voter if he or she desires help in either having the ballot returned to the voter to mark his or her votes on a new ballot (the incorrect ballot is to be returned to the judge to be marked as spoiled) or the voter may choose to cast the ballot as the voter has marked it even though it is incorrect. If the voter chooses to cast the incorrectly marked ballot, the judge must first inform
the voter that the portion of the ballot that has been marked incorrectly will not be counted. Voters requiring assistance may ask a judge or inspector to cast the ballot provided the ballot is in the secrecy sleeve. (NDCC § 16.1-06-14(3) and NDCC §§ 16.1-13-23)

3. Securing New Ballot Upon Spoiling of Others: A voter spoiling a ballot may obtain others successively, one at a time, not exceeding three in total, upon returning each spoiled ballot. Each paper ballot returned must be spoiled immediately and, together with those not distributed to the voters, must be preserved and secured in sealed packages and returned to the county recorder. (NDCC § 16.1-13-32)

Removal of Ballot from Polling Place before Closing: No person may take a ballot from a polling place before the polls close. (NDCC § 16.1-13-31)

Voters in Line at Poll Closing: All voters standing in line to vote at the time the polls close must be allowed to vote. Election officials must establish procedures to determine who arrived in time to vote. (NDCC § 16.1-01-03)

Processing Absentee Ballots Delivered to Precincts

Absentee Ballots Delivered to Polls: The county auditor or his or her designee may deliver absentee ballots to the inspector of the precinct in which the absent voters reside. (NDCC § 16.1-07-11)

Opening the Absentee Ballots: At any time beginning on the day before Election Day and the closing of polls on Election Day, the election clerks and board members of the relevant polling place shall do the following:

1. Compare the signature on the application for the absentee ballot with the signature on the back of the absentee ballot envelope (the voter's affidavit) to ensure the signatures match.
2. If the applicant is a qualified elector of the precinct and has not voted in the election, the election worker shall open the absent voter's envelope in such a manner as not to destroy the affidavit printed on the envelope. The election worker shall take out the secrecy envelope with the ballot(s) without unfolding or permitting the ballots to be opened or examined and indicate in the pollbook that the elector has voted.
3. Election workers not participating in the comparing of signatures and entering voters into the pollbook shall remove the ballot(s) from the secrecy envelope, unfold and initial the same, and deposit in the proper ballot box for tabulation.

If the affidavit on the outer envelope of a returned absentee ballot is found to be insufficient, the signatures on the application and affidavit do not match, or the applicant is not a qualified elector of the precinct, the vote may not be allowed. Without opening the absent voter's envelope, the election inspector or election judge shall mark across the face thereof "rejected as defective" or "rejected as not an elector", as the case may be.

The death of an absentee voter after having voted by absentee ballot does not constitute grounds for rejecting such ballot.

The votes from these cast ballots may not be tallied and the tabulation reports may not be generated until the polls have closed on Election Day. (NDCC § 16.1-07-12)

Rejected Absentee Ballots: Rejected absentee ballots are to be handed over to the county canvassing board for final determination of acceptance or rejection. (NDCC § 16.1-07-12)

Absentee Ballots Sent to Wrong Precinct or Sent Too Late to be Counted: Any absentee ballot sent to the wrong precinct or any absentee ballot received by the inspector too late to be counted at the precinct must be returned to the county auditor and must be tallied by the county canvassing board. (NDCC § 16.1-07-11)
Section 5 – Election Worker Responsibilities After Polls Close

Manner of Canvassing the Election: (NDCC § 16.1-15-02)

- After the polls are closed, the inspector of elections and the judges shall immediately generate the canvass report from the optical scan voting system.
- The ballots counted by the optical scan ballot tabulator must be equal in number with the names on the poll clerks' list. If the numbers are not equal, the pollbook is to be rechecked to find the discrepancy.
- The canvass shall continue until completed and must be open to the public.
- Except under crucial circumstances, the canvass shall occur at the polling place.
- If good and substantial reasons exist for the removal of the ballots and election records to another location for canvass, the other location must be in the same precinct and the removal must be approved by the election board.
- In no case may the ballots be moved to another location prior to generating the canvass report after the ballot boxes have been opened. Upon approval of a change of location by the election board as provided in NDCC § 16.1-15-02, the approximate time and location of the canvass must be prominently posted on the main entrance to the polling place, the ballots and records must be moved in the presence of the election board, and the canvass as provided in NDCC Chapter 16.1-15 must proceed immediately upon arrival at the alternate location.

Manner of Canvassing Write-in Votes: (NDCC § 16.1-12-02.2)

- The optical scan ballot tabulator (M-100) used in every polling location automatically separates the ballots with write-in votes to the right side of the ballot box. It does this by finding any ovals darkened next to a write-in line on the ballot.
- From the ballots on the right side of the ballot box, canvass the votes for the individual write-in candidates in all races the county auditor instructs the precincts to canvass. (These races are likely to be those for which there are no printed names on the ballot or in which write-in candidates are likely to be nominated or elected.)
- In all other races, the county canvassing board will complete the canvass of the votes for the write-in candidates in those races for which the write-in votes constitute more than five percent of the votes cast by the voters for the candidate receiving the most votes for that office, except in the case of a primary election where enough votes were cast as write-in votes to qualify a name for the general election ballot. This percentage is to be calculated based on the total number of write-in votes tabulated by the voting equipment in the precincts of the county in which that office was on the ballot.
- All ballots containing write-in votes must be wrapped and sealed prior to delivery to the county recorder so that these ballots can be delivered by the county recorder to the meeting of the county canvassing board if these votes were not canvassed by the polling place election board on election night. (NDCC § 16.1-15-08)

Primary Election Reports: The judges of a primary election in each precinct shall run a separate report for each political party or principle, containing the names of all persons voted for at the primary election, the number of votes cast for each candidate, and for which office. The report must be subscribed by the election judges and must be filed with the returns in the office of the county auditor. (NDCC § 16.1-11-33)

Canvass Report Prepared: The election board shall generate at least one canvass report from the electronic voting system. The ballots may not be sealed, nor may the canvass report be signed, by the election board or poll clerk until the counts in the poll clerks' book and in the canvass report show the same totals for ballots cast. Section 5 of this manual describes the procedures for closing of special precincts known as early voting, absentee, and vote by mail. (NDCC § 16.1-15-04)

Contents of Duplicate Reports: (NDCC § 16.1-15-09)

- Election officers shall generate reports of votes counted on electronic counting machines for all candidates and for any measure in the same manner as provided for other ballots.
Optical scan counting systems must generate a printed record at the beginning of its operation, which verifies that the tabulating elements for each candidate position and each question and the public counter are all set at zero. The tabulating equipment must also generate a printed record of the total number of ballots tabulated and the total number of votes cast for each candidate and measure on the ballot. The election board must certify both printed records.

**Oath Required Upon Completion of Canvass – Contents:** At the conclusion of the canvass of the votes, each member of the election board shall sign an affidavit to the effect that the ballots have been counted, the votes were canvassed as provided in NDCC Chapter 16.1-15 and the returns as disclosed by the canvass reports agree with the number of ballots cast and are true and correct of the member's own knowledge. (NDCC § 16.1-15-05)

**Wrapping and Returning Ballots – Void and Spoiled Ballots:** (NDCC § 16.1-15-08)

- The election board shall place each kind of ballot cast at the election in a suitable wrapper to form a complete wrapper for the ballots.
- The ballots and wrappers must then be tightly secured at the outer end to completely envelop and hold the ballots together.
- Set aside ballots must be secured in a separate wrapper and must be marked "set aside."
- Void ballots must be secured in a separate wrapper and must be marked "void." Void ballots are ballots that are not endorsed with the initials of an election board member.
- Ballots that are spoiled must be separately secured and marked "spoiled." Spoiled ballots are those returned by the voter in exchange for another because the voter has made a non-correctable error on the returned ballot.
- In sealing ballots, the various classes (cast, spoiled, void) must be kept separate.
- Each wrapper must be endorsed with the names or numbers of the precincts and the date on which the election was held.
- The wrappers must be sealed securely so the wrappers cannot be opened without an obvious and permanent breaking of the seal.
- The ballots, together with those found void or spoiled, and the opened envelopes from voted absentee ballots and the unopened envelopes of absentee ballots rejected as defective, must be returned in person to the county recorder.
- All ballots containing write-in votes must be wrapped and sealed prior to delivery to the county recorder so that these ballots can be delivered by the county recorder to the meeting of the county canvassing board.

**Reports and Pollbooks Sent to County Auditor:** Immediately following the canvass, except in cases of emergency or inclement weather, the inspector of elections, or one of the judges appointed by the inspector of elections, personally shall deliver the signed canvass report provided for in NDCC § 16.1-15-04 to the county auditor. The report, carefully sealed under cover, accompanied by the pollbook provided for in NDCC §§ 16.1-02-13 and 16.1-06-21 with the oaths of the inspector and poll clerks affixed thereto, must be delivered properly to the county auditor. (NDCC § 16.1-15-06)

**Voters Casting Ballots After Regular Poll Closings – Provisional Ballots:** An individual who votes after the regular poll closing time in an election in which a federal office appears as a result of a federal or state court order or any other order extending the time established for closing the polls under state law in effect ten days before the date of that election may only vote in that election by casting a provisional ballot. The ballot must be marked as a provisional ballot and must be separated and held apart from other ballots cast by those not affected by the order. The secretary of state shall approve the form of any provisional ballot and may prescribe any procedures the secretary of state determines to be necessary to facilitate the casting, secrecy, and counting of provisional ballots. (NDCC § 16.1-13-34)
Section 6 – Special Precincts (Early Voting, Absentee, Vote By Mail)

Absentee Ballot Precinct: (NDCC § 16.1-07-12.1)
1. For any primary, general, or special statewide, district, or county election, the board of county commissioners may create a special precinct, known as an absentee ballot precinct, for the purpose of counting all absentee ballots cast in an election in that county. The election board of the absentee ballot precinct must be known as the absentee ballot counting board. The county auditor shall supply the board with all necessary election supplies as provided in NDCC Chapter 16.1-06.

2. If the board of county commissioners chooses to establish an absentee ballot precinct according to paragraph #1 above, the following provisions apply:
   - The county auditor shall appoint the absentee ballot counting board that consists of one independent representative to act as the inspector and an equal number of representatives from each political party represented on an election board in the county, as set forth in NDCC § 16.1-05-01, to act as judges. Each official of the board shall take the oath required by NDCC § 16.1-05-02 and must be compensated as provided in NDCC § 16.1-05-05.
   - The county auditor shall have the absentee ballots delivered to the inspector of the absentee ballot counting board with the election supplies, or if received later, then prior to the closing of the polls.
   - The absentee ballot counting board shall occupy a location designated by the county auditor, which must be open to any individual for the purpose of observing the counting process.
   - Absentee ballots must be opened and handled as required in NDCC § 16.1-07-12. The county auditor shall designate a location for the closing, counting, and canvassing process under NDCC Chapter 16.1-15, which location must be open to any person for the purpose of observing. The board shall comply with the requirements of NDCC §§ 16.1-15-04 through 16.1-15-12, as applicable. See Processing Absentee Ballots on page 11 of this manual.
   - If the work of the election board is completed prior to the close of the polls on election day in an absentee ballot, early voting, or a mail ballot precinct, the election board shall create and sign a statement consisting of a reconciliation of the number of voters recorded in the pollbook and the number of ballots processed through the tabulators. The voting system shall then be secured in a manner prescribed by the county auditor that will protect the system and ballots from tampering. Prior to generating the canvass reports from one of these 3 types of precincts, an election judge representing each political party, or 2 election judges in the case of an election that does not include a political party contest, shall verify that the system and ballots remain secure and the statement created by the election board is still accurate. NDCC § 16.1-15-04

Early Voting Precinct: (NDCC § 16.1-07-15)
1. For any primary, general, or special statewide, district, or county election, the board of county commissioners may, before the sixty-fourth day before the day of the election, create a special precinct, known as an early voting precinct, to facilitate the conduct of early voting in that county according to NDCC Chapters 16.1-13 and 16.1-15. At the determination of the county auditor, more than one voting location may be utilized for the purposes of operating the early voting precinct. The election board of the early voting precinct must be known as the early voting precinct election board. The county auditor shall supply the board with all necessary election supplies as provided in NDCC Chapter 16.1-06.

2. If the board of county commissioners establishes an early voting precinct according to paragraph #1 above, the following provisions apply:
   - Early voting must be authorized during the fifteen days immediately before the day of the election. The county auditor shall designate the business days and times during which the early voting election precinct will be open and publish notice of the early voting center locations, dates, and times in the official county newspaper once each week for three consecutive weeks immediately before the day of the election.
The county auditor shall appoint the early voting precinct election board for each voting location that consists of one independent representative to act as the inspector and an equal number of representatives from each political party represented on an election board in the county, as set out in NDCC § 16.1-05-01, to act as judges. Each official of the board shall take the oath required by NDCC § 16.1-05-02 and must be compensated as provided in NDCC § 16.1-05-05.

The county auditor, with the consent of the board of county commissioners shall designate each early voting location in a public facility, accessible to the elderly and the physically disabled as provided in NDCC § 16.1-04-02. With respect to polling places at early voting precincts, “election day” as used in NDCC §§ 16.1-10-03 and 16.1-10-06.2 includes any time an early voting precinct polling place is open.

At the close of each day of early voting, the inspector and judges on the election board shall secure all election related materials, including:
1. The pollbook and access to any electronically maintained pollbook.
2. The ballot boxes containing voted ballots.
3. Any void, spoiled, and non-voted ballots.

Ballot boxes containing ballots cast at an early voting location may not be opened until the day of the election except as may be necessary to clear a ballot jam or to move voted ballots to a separate locked ballot box in order to make room for additional ballots.

Each early voting location may be closed, as provided in NDCC Chapter 16.1-15, at the end of the last business day designated for early voting in the county. Results from the early voting precinct may be counted, canvassed, or released under NDCC Chapter 16.1-15 as soon as any precinct within the county, city, or legislative district closes its polls on the day of the election. The county auditor shall designate a location for the closing, counting, and canvassing process under NDCC Chapter 16.1-15, which must be open to any person for the purpose of observing.

The early voting precinct election board shall comply with the requirements of NDCC Chapters 16.1-05, 16.1-13, and 16.1-15, as applicable.
Section 7 – Frequently Asked Questions and Answers

1. What do I do if a voter cannot or will not provide identification?
   
   **Answer**: If the individual asserts qualifications as an elector in the precinct, they may be issued a set aside ballot. The set aside ballot will be tabulated by the canvassing board after the individual returns to the appropriate election official in a timely manner (see page 10).

2. What do I do if a voter asks for help with voting?
   
   **Answer**: If the AutoMARK ballot marking device is not an option the voter chooses to use, then the two election judges from opposite political parties may assist the voter. Assistance is to be limited to reading the ballot to the voter, marking the voter’s choices for the contests, and depositing the voter’s ballot into the ballot scanner if the voter is unable to perform this function on his or her own or if the voter would rather not complete this part of the voting process. A voter may also choose to have a friend or relative assist the voter in reading, marking, and/or casting his or her ballot so long as this person is not a candidate on the ballot, a relative of a candidate, the voter’s employer, or the voter’s union representative.

3. What do I do if a voter asks me the names of write-in candidates for an office?
   
   **Answer**: Inform the voter that he or she is free to write the name of anyone the voter so desires as a write-in candidate, but that some contests may require specific forms to be filed by the candidate in order for write-in votes be counted on the candidate’s behalf and the law does not permit election workers to divulge information about candidates to voters in the polling place. It would be wise to remind the voter to darken the oval next to a write-in candidate.

4. What do I do when I am running low on ballots?
   
   **Answer**: Call the county auditor, city auditor, or school business manager (whichever is appropriate for the election) as soon as you believe you might run short of ballots.

5. What do I do if a person is disrupting the polling location?
   
   **Answer**: If the person is causing a serious disruption (your judgment is needed here) and the person will not leave when requested do so, you may call the police and ask for assistance. You may also call the county auditor and ask for assistance.

6. What if we notice some posters hanging in the polling place on Election Day for a candidate?
   
   **Answer**: Remove any candidate posters in the polling place prior to the opening of the polls.

7. What time will the auditor bring lunch?
   
   **Answer**: Unless your auditor specifically tells you that lunch will be provided, you should be prepared to provide your own meals. Since the election board is not allowed to leave the polling place while the polls are open, this means that you need to bring your meals prior to the start of the day or have them delivered by a friend or local restaurant.

8. What do I do if someone brings an absentee ballot and turns it in at the precinct?
   
   **Answer**: The law does not allow you to accept an absentee ballot from a voter on Election Day. However, you may tell the voter that you would be willing to spoil his or her absentee ballot and allow the voter to vote a new ballot at the precinct. You must remember to make a note of this for the county auditor’s records.

9. What do I do if I need to use the restroom?
Answer: Restroom breaks are allowed.

No Electioneering Within Boundary of an Open Polling Place: No person may in any manner try to induce or persuade any voter from voting for or against any candidate, candidates, or ticket of any political party or organization, or any measure within a polling place or within one hundred feet from the entrance to the room containing a polling place while it is open for voting. - Registering;
- The expense of transportation to or from the polls; or

Removal of Ballot from Polling Place before Closing: No person may take a ballot from a polling place before the polls close. (NDCC § 16.1-13-31)
Section 9 – Voters With Disabilities

(Common-Sense Guidelines That Apply to All Voters)

1. Be courteous and respectful. If you want to address the voter by name, use “Mr.” or “Mrs./Ms.” and the voter’s last name. Do not address a voter by his or her first name unless you know the voter personally and know he or she prefers this address.

2. Do not underestimate people with disabilities. A disability DOES NOT equal lessened intellectual capability.

3. Be considerate of extra time it may take for a person who is disabled or elderly to accomplish tasks.

4. Give unhurried attention to a person who has difficulty speaking.

5. Always speak directly to the voter, and not to a companion, aide, or sign language interpreter. Remember that any voter with a disability may be accompanied by, and receive assistance from, another person of his or her choice in the voting booth, unless the person is an employer, officer or agent of the elector’s union, a candidate running in that election, or a relative of a candidate.

6. Ask before you help. The person may not want assistance. Do not insist – take “no” for an answer if that is the voter’s wish.

7. Do not be shy about offering assistance. Your courtesy will be appreciated.

8. If your polling place is in a building with several routes through it, be sure that sufficient signs are in place to direct a person to the most accessible route to the polling location.

Voters with Mobility Impairment

1. Do not push or touch another person’s wheelchair or equipment without consent. People using adaptive equipment often consider the equipment their personal space. You might also break or damage a wheelchair or piece equipment if you are not familiar with it.

2. Ask before helping. Grabbing someone’s elbow may just throw a person off balance. Allow the person to take your elbow.

3. A person with mobility impairment might lean on a door while opening it. Quickly opening the door might cause the person to fall.

4. Either fasten mats and throw rugs down securely or move them out of the way. A person with mobility impairment could trip.

5. Keep floors dry as possible on rainy or snowy days.

6. Keep the ramps and wheelchair-accessible doors to the polling place unlocked and free of clutter.

Voters with Speech or Hearing Impairments

1. A voter who cannot speak can give his or her name and address simply by providing identification to the pollbook officer. The officer will read the name and address aloud, and the voter can provide physical confirmation (such as nodding his or her head) that the information is correct.

2. Follow the voter’s cues to determine whether speaking, gestures, or writing are the most effective means of communication.

3. If speaking, speak calmly, slowly, and directly to the voter. Do not shout. Your facial expressions, gestures, and body movements help in understanding. Face the voter at all times and keep your face in full light (not backlit), if possible.

4. Rephrase, rather than repeat, sentences that the voter does not understand.

Voters with Visual Impairment

1. Identify yourself and state that you are an election official as soon as you come in contact with a voter who has a visual impairment. Greet the individual by letting the person know who and
where you are. When offering walking assistance, allow the person to take your arm and tell him or her when you are approaching inclines or steps, or turning right or left.

2. If guiding a voter, offer your arm to the voter, rather than taking the voter’s arm.

3. If a voter has a guide dog, walk on the opposite side of the voter from the dog. Do not pet or otherwise distract a guide dog without permission from the owner. Be aware that service animals that assist persons with disabilities should be allowed into all buildings. Such animals are highly trained and need no special care other than that provided by the owner. Do not interfere with the animal’s responsibilities by talking or playing with it.

4. When giving directions to navigate the polling place, be as specific as possible and point out obstacles in the path of travel.

5. Let the voter know when you leave his or her presence.
