

Initiated Constitutional Measure No. 3

This initiated constitutional measure would add a new section to Article I of the North Dakota Constitution stating, "Government may not burden a person's or religious organization's religious liberty. The right to act or refuse to act in a manner motivated by a sincerely held religious belief may not be burdened unless the government proves it has a compelling governmental interest in infringing the specific act or refusal to act and has used the least restrictive means to further that interest. A burden includes indirect burdens such as withholding benefits, assessing penalties, or an exclusion from programs or access to facilities."
