DISCLAIMER

This pamphlet contains summaries of the campaign finance and disclosure laws found within the NDCC for city and county candidates. Although every attempt has been made for accuracy, the reprint of these laws does not carry the same authority as the actual NDCC and should not be equated with the official NDCC. This compilation is only intended as a resource and reference for campaign finance laws. For official and legal purposes, the official NDCC should be used.

In addition, the included excerpts of North Dakota law do not contain the material found in the legal notes following the various sections contained in the NDCC. Notes found in the NDCC may contain temporary provisions and effective dates along with valuable summaries of applicable court rulings.
